

Benefits Briefing: Strategies for Reducing PBGC Premium Liabilities

Tuesday, September 11, noon ET

The American Benefits Council and the Committee on Investment of Employee Benefit Assets, will host a webinar on **Tuesday, September 11, at noon Eastern Time**, to discuss strategies for reducing Pension Benefit Guaranty Corporation (PBGC) premium liabilities.

In light of recent PBGC premium increases, many defined benefit retirement plan sponsors are considering strategies to reduce their premium liabilities. The PBGC recently posted informal guidance related to “reverse spinoffs” that will be discussed during the webinar (see the [July 26 Benefits Byte](#)).

In this webinar, moderators **Jan Jacobson**, the Council’s senior counsel, retirement policy, and [Dennis Simmons](#), executive director of CIEBA, will be joined by [Michael Kreps](#), principal with Groom Law Group, Chartered, to review some of the most common strategies and assess the impact of recent guidance from PBGC.

We will solicit feedback and take questions from webinar participants throughout the session. Members are encouraged to [submit questions for the webinar in advance](#).

A recording of this session will be sent to all registrants. Even if you will not be able to attend in person, please register to receive a digital playback of the webinar automatically.

NOTE: Participation in Council webinars may be used toward continuing education/renewal requirements for many professional accreditation programs, but only by means of self-certification. For questions related to registration – If you have colleagues at your organization who would like to participate in this session, but do not regularly receive Council or CIEBA materials, please contact for ABC Members: [Deanna Johnson](#), senior director, membership, [Sondra Williams](#), manager, member and staff engagement, or [Mary Lindsay](#), receptionist, at (202) 289-6700, or for CIEBA Members, [Aaron Marks](#), public policy coordinator, at (202) 861-6634.

The American Benefits Council is the national trade association for companies concerned about federal legislation and regulations affecting all aspects of the employee benefits system. The Council's members represent the entire spectrum of the private employee benefits community and either sponsor directly or administer retirement and health plans covering more than 100 million Americans.

CIEBA members are the chief investment officers of more than 100 of the Fortune 500 companies who individually manage and administer ERISA-governed corporate retirement plan assets. CIEBA members manage over \$2 trillion of retirement assets on behalf of approximately 17 million participants, representing a very significant portion of the largest private defined benefit and defined contribution pension plans in the US.
