More than 70% of voters SUPPORT HELP WITH OUT-OF-POCKET HEALTH CARE COSTS, like deductibles and copays.

That includes 68% of conservatives who make under $50,000.

HARDWORKING AMERICANS NEED CONGRESS TO ACT.

Fund the cost-sharing reduction program now

This survey was conducted by Morning Consult from March 16, 2017 to March 19, 2017, among a national sample of 2,053 registered voters. Results have a margin of error of +/- 2 percentage points.
