To amend the Public Health Service Act to promote the adoption of health information technology, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

Mr. Dingell (for himself, Mr. Barton of Texas, Mr. Pallone, Mr. Deal of Georgia, and [see attached list of cosponsors]) introduced the following bill; which was referred to the Committee on

A BILL

To amend the Public Health Service Act to promote the adoption of health information technology, and for other purposes.

1 Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,
3 SECTION 1. SHORT TITLE; TABLE OF CONTENTS.
4 (a) Short Title.—This Act may be cited as the
5 “Protecting Records, Optimizing Treatment, and Easing
6 Communication through Healthcare Technology Act of
7 2008” or the “PRO(TECH)T Act of 2008”.

June 24, 2008 (6:02 p.m.)
(b) **TABLE OF CONTENTS.**—The table of contents of this Act is as follows:

Sec. 1. Short title; table of contents.

**TITLE I—HEALTH INFORMATION TECHNOLOGY**

Subtitle A—Promotion of Health Information Technology

PART 1—**IMPROVING HEALTH CARE QUALITY, SAFETY, AND EFFICIENCY**

Sec. 101. ONCHIT; standards development and adoption; health information technology resource center.

**TITLE XXX—HEALTH INFORMATION TECHNOLOGY AND QUALITY**

Sec. 3000. Definitions.

Subtitle A—Promotion of Health Information Technology

Sec. 3001. Office of the National Coordinator for Health Information Technology.

Sec. 3002. HIT Policy Committee.

Sec. 3003. HIT Standards Committee.

Sec. 3004. Process for adoption of endorsed recommendations.

Sec. 3005. Application and use of adopted standards and implementation specifications by Federal agencies.

Sec. 3006. Voluntary application and use of adopted standards and implementation specifications by private entities.

Sec. 3007. Health Information Technology Resource Center.

Sec. 102. Transitions.

PART 2—**APPLICATION AND USE OF ADOPTED HEALTH INFORMATION TECHNOLOGY STANDARDS; REPORTS**

Sec. 111. Coordination of Federal activities with adopted standards and implementation specifications.

Sec. 112. Application to private entities.

Sec. 113. Reports.

Subtitle B—Incentives for the Use of Health Information Technology

Sec. 121. Grant, loan, and demonstration programs.

**TITLE II—TESTING OF HEALTH INFORMATION TECHNOLOGY**

Sec. 201. National Institute for Standards and Technology testing.

Sec. 202. Research and development programs.

**TITLE III—PRIVACY AND SECURITY PROVISIONS**
Sec. 300. Definitions.

Sec. 301. Application of security provisions and penalties to business associates of covered entities; annual guidance on security provisions.
Sec. 302. Notification in the case of breach.
Sec. 303. Education on Health Information Privacy and report on compliance.

Sec. 311. Application of penalties to business associates of covered entities for violations of privacy contract requirements.
Sec. 312. Restrictions on certain disclosures of health information; accounting of certain protected health information disclosures.
Sec. 313. Conditions on certain contacts as part of health care operations.
Sec. 314. Study on application of privacy and security requirements to vendors of personal health records.
Sec. 315. Temporary breach notification requirement for vendors of personal health records.
Sec. 316. Business associate contracts required for certain entities.
Sec. 317. Guidance on implementation specification to de-identify protected health information.
Sec. 318. GAO report on treatment disclosures.
Sec. 319. Clarification of application of wrongful disclosures criminal penalties.

Subtitle C—Relationship to Other Laws; Clarification; Effective Date

Sec. 321. Relationship to other laws.
Sec. 322. Effective date.

1 TITLE I—HEALTH INFORMATION TECHNOLOGY
2 Subtitle A—Promotion of Health Information Technology
3 PART 1—IMPROVING HEALTH CARE QUALITY, SAFETY, AND EFFICIENCY
4 SEC. 101. ONCHIT; STANDARDS DEVELOPMENT AND ADOPTION; HEALTH INFORMATION TECHNOLOGY RESOURCE CENTER.
5 (a) IN GENERAL.—The Public Health Service Act (42 U.S.C. 201 et seq.) is amended by adding at the end the following:
“TITLE XXX—HEALTH INFORMATION TECHNOLOGY AND QUALITY

“SEC. 3000. DEFINITIONS.

“In this title:

“(1) ENTERPRISE INTEGRATION.—The term ‘enterprise integration’ means the electronic linkage of health care providers, health plans, the government, and other interested parties, to enable the electronic exchange and use of health information among all the components in the health care infrastructure in accordance with applicable law, and such term includes related application protocols and other related standards.

“(2) HEALTH CARE PROVIDER.—The term ‘health care provider’ means a hospital, skilled nursing facility, nursing facility, home health entity, health care clinic, Federally qualified health center, group practice (as defined in section 1877(h)(4) of the Social Security Act), a pharmacist, a pharmacy, a laboratory, a physician (as defined in section 1861(r) of the Social Security Act), a practitioner (as described in section 1842(b)(18)(C) of the Social Security Act), a provider operated by, or under contract with, the Indian Health Service or by an In-
dian tribe (as defined in the Indian Self-Determination and Education Assistance Act), tribal organization, or urban Indian organization (as defined in section 4 of the Indian Health Care Improvement Act), a rural health clinic, and any other category of facility or clinician determined appropriate by the Secretary.

“(3) HEALTH INFORMATION.—The term ‘health information’ has the meaning given such term in section 1171(4) of the Social Security Act.

“(4) HEALTH INFORMATION TECHNOLOGY.—The term ‘health information technology’ means hardware, software, license, right, intellectual property, equipment, or other information technology (including new versions, upgrades, and connectivity) designed or provided primarily for the electronic creation, maintenance, or exchange of health information to coordinate care or improve health care quality, efficiency, or research.

“(5) HEALTH PLAN.—The term ‘health plan’ has the meaning given such term in section 1171(5) of the Social Security Act.

“(6) HIT POLICY COMMITTEE.—The term ‘HIT Policy Committee’ means such Committee established under section 3002(a).
“(7) HIT STANDARDS COMMITTEE.—The term ‘HIT Standards Committee’ means such Committee established under section 3003(a).

“(8) INDIVIDUALLY IDENTIFIABLE HEALTH INFORMATION.—The term ‘individually identifiable health information’ has the meaning given such term in section 1171(6) of the Social Security Act.

“(9) LABORATORY.—The term ‘laboratory’ has the meaning given such term in section 353(a).

“(10) NATIONAL COORDINATOR.—The term ‘National Coordinator’ means the head of the Office of the National Coordinator for Health Information Technology established under section 3001(a).

“(11) PHARMACIST.—The term ‘pharmacist’ has the meaning given such term in section 804(2) of the Federal Food, Drug, and Cosmetic Act.

“(12) STATE.—The term ‘State’ means each of the several States, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands.
“Subtitle A—Promotion of Health Information Technology

“SEC. 3001. OFFICE OF THE NATIONAL COORDINATOR FOR HEALTH INFORMATION TECHNOLOGY.

“(a) Establishment.—There is established within the Department of Health and Human Services an Office of the National Coordinator for Health Information Technology (referred to in this section as the ‘Office’). The Office shall be headed by a National Coordinator who shall be appointed by the Secretary and shall report directly to the Secretary.

“(b) Purpose.—The National Coordinator shall perform the duties under subsection (c) in a manner consistent with the development of a nationwide interoperable health information technology infrastructure that—

“(1) ensures that each patient’s health information is secure and protected, in accordance with applicable law;

“(2) improves health care quality, reduces medical errors, and advances the delivery of patient-centered medical care;

“(3) reduces health care costs resulting from inefficiency, medical errors, inappropriate care, duplicative care, and incomplete information;
“(4) ensures that appropriate information to help guide medical decisions is available at the time and place of care;

“(5) ensures the inclusion of meaningful public input in such development of such infrastructure;

“(6) improves the coordination of care and information among hospitals, laboratories, physician offices, and other entities through an effective infrastructure for the secure and authorized exchange of health care information;

“(7) improves public health reporting and facilitates the early identification and rapid response to public health threats and emergencies, including bio-terror events and infectious disease outbreaks;

“(8) facilitates health and clinical research and health care quality;

“(9) promotes prevention of chronic diseases;

“(10) promotes a more effective marketplace, greater competition, greater systems analysis, increased consumer choice, and improved outcomes in health care services; and

“(11) improves efforts to reduce health disparities.

“(c) DUTIES OF THE NATIONAL COORDINATOR.—
“(1) **STANDARDS.**—The National Coordinator shall review and determine whether to endorse each standard, implementation specification, and certification criterion for the electronic exchange and use of health information that is recommended by the HIT Standards Committee under section 3003 for purposes of adoption under section 3004(b). The Coordinator shall make such determination, and report to the Secretary such determination, not later than 90 days after the date the recommendation is received by the Coordinator.

“(2) **HIT POLICY COORDINATION.**—The National Coordinator shall coordinate health information technology policy and programs of the Department with those of other relevant executive branch agencies with a goal of avoiding duplication of efforts and of helping to ensure that each agency undertakes health information technology activities primarily within the areas of its greatest expertise and technical capability.

“(3) **STRATEGIC PLAN.**—

“(A) **IN GENERAL.**—The National Coordinator shall, in consultation with other appropriate Federal agencies (including the National Institute of Standards and Technology), main-
tain and update a strategic plan with specific objectives, milestones, and metrics for the following:

“(i) The electronic exchange and use of health information and the enterprise integration of such information.

“(iii) The incorporation of privacy and security protections for the electronic exchange of an individual’s individually identifiable health information.

“(iv) Ensuring security methods to ensure appropriate authorization, electronic authentication, and encryption of health information.

“(v) Specifying a framework for coordination and flow of recommendations and policies under this subtitle among the Secretary, the National Coordinator, the HIT Policy Committee, the HIT Standards Committee, and other health information exchanges and other relevant entities.
“(vi) Methods to foster the public understanding of health information technology.

“(vii) Strategies to enhance the use of health information technology in improving the quality of health care, reducing medical errors, reducing health disparities, and in improving the continuity of care among health care settings.

“(B) COLLABORATION.—The strategic plan shall be developed and updated through collaboration of public and private interests.

“(C) MEASURABLE OUTCOME GOALS.—The strategic plan shall include measurable outcome goals.

“(D) PUBLICATION.—The National Coordinator shall publish the strategic plan, including all updates.

“(4) WEBSITE.—The National Coordinator shall maintain and frequently update an Internet website on which there is posted information that includes the following:

“(A) The schedule developed by the HIT Standards Committee under section 3003(b)(3).
“(B) The recommendations of the HIT Policy Committee under section 3002.

“(C) Recommendations of the HIT Standards Committee under section 3003.

“(D) Sources of Federal grant funds and technical assistance that are available to facilitate the purchase of, or enhance the utilization of, health information technology systems.

“(E) The report prepared by the National Coordinator under paragraph (5).

“(F) The assessment by the National Coordinator under paragraph (6).

“(G) The evaluation by the National Coordinator under paragraph (7).

“(H) The annual estimate of resources required under paragraph (8).

“(5) IMPLEMENTATION REPORT.—The National Coordinator shall prepare a report that identifies lessons learned from major public and private health care systems in their implementation of health information technology systems, including information on whether the systems and practices developed by such systems may be applicable to and usable in whole or in part by other health care providers.
“(6) Assessment of impact of HIT on communities with health disparities and uninsured, underinsured, and medically underserved areas.—The National Coordinator shall assess and publish the impact of health information technology in communities with health disparities and in areas that serve uninsured, underinsured, and medically underserved individuals (including urban and rural areas) and identify practices to increase the adoption of such technology by health care providers in such communities.

“(7) Evaluation of benefits and costs of the electronic use and exchange of health information.—The National Coordinator shall evaluate and publish evidence on the benefits and costs of the electronic use and exchange of health information and assess to whom these benefits and costs accrue.

“(8) Resource requirements.—The National Coordinator shall estimate and publish resources required annually to reach the goal of utilization of an electronic health record for each person in the United States by 2014, including the required level of Federal funding, expectations for regional, State, and private investment, and the expected con-
tributions by volunteers to activities for the utilization of such records.

“(9) CERTIFICATION.—

“(A) IN GENERAL.—The National Coordinator, in consultation with the Director of the National Institute of Standards and Technology, shall develop a program (either directly or by contract) for the voluntary certification of health information technology as being in compliance with applicable certification criteria adopted under this subtitle. Such program shall include testing of the technology in accordance with section 201(b) of the PRO(TECH)T Act of 2008.

“(B) CERTIFICATION CRITERIA DESCRIBED.—In this title, the term ‘certification criteria’ means, with respect to standards and implementation specifications for health information technology, criteria to establish that the technology meets such standards and implementation specifications.

“(d) DETAIL OF FEDERAL EMPLOYEES.—

“(1) IN GENERAL.—Upon the request of the National Coordinator, the head of any Federal agency is authorized to detail, with or without reimburse-
ment from the Office, any of the personnel of such agency to the Office to assist it in carrying out its duties under this section.

“(2) **Effect of Detail.**—Any detail of personnel under paragraph (1) shall—

“(A) not interrupt or otherwise affect the civil service status or privileges of the Federal employee; and

“(B) be in addition to any other staff of the Department employed by the National Coordinator.

“(3) **Acceptance of Detachees.**—Notwithstanding any other provision of law, the Office may accept detailed personnel from other Federal agencies without regard to whether the agency described under paragraph (1) is reimbursed.

“(e) **Authorization of Appropriations.**—There are authorized to be appropriated to carry out this section $66,000,000 for fiscal year 2009.

**SEC. 3002. HIT POLICY COMMITTEE.**

“(a) **Establishment.**—There is established a HIT Policy Committee to make policy recommendations to the National Coordinator relating to the implementation of a nationwide health information technology infrastructure,
including implementation of the strategic plan described in section 3001(c)(3).

“(b) Duties.—

“(1) Recommendations on health information technology infrastructure.—Not later than 1 year after the date of the enactment of this title, the HIT Policy Committee shall recommend a policy framework for the development and adoption of a nationwide health information technology infrastructure that permits the electronic exchange and use of health information as is consistent with the strategic plan under section 3001(c)(3) and that includes the recommendations under paragraph (2). Annually thereafter the Committee shall update such recommendations and make new recommendations as appropriate.

“(2) Specific areas of standard development.—

“(A) In general.—The HIT Policy Committee shall recommend the areas in which standards, implementation specifications, and certification criteria are needed for the electronic exchange and use of health information for purposes of adoption under section 3004(b) and shall recommend an order of priority for
the development, harmonization, and recognition of such standards, specifications, and criteria among the areas so recommended. Such standards and implementation specifications shall include named standards, architectures, and software schemes for the authentication and security of individually identifiable health information and other information as needed to ensure the reproducible development of common solutions across disparate entities.

“(B) AREAS REQUIRED FOR CONSIDERATION.—In making recommendations under subparagraph (A), the HIT Policy Committee shall consider at least the following areas:

“(i) Technologies that protect the privacy of health information and promote security, including for the protection from disclosure of specific individually identifiable health information, in accordance with applicable law, and for the use and disclosure of limited data sets (as defined for purposes of regulations promulgated under section 264(c) of the Health Insurance Portability and Accountability Act of 1996) of such information.
“(ii) A nationwide interoperable health information technology infrastructure that permits the electronic exchange and use of health information.

“(C) OTHER AREAS FOR CONSIDERATION.—In making recommendations under subparagraph (A), the HIT Policy Committee may consider the following additional areas:

“(i) The appropriate uses of a nationwide health information infrastructure, including for purposes of—

“(I) the collection of quality data and public reporting;

“(II) biosurveillance and public health;

“(III) medical and clinical research; and

“(IV) drug safety.

“(ii) Self-service technologies that facilitate the use and exchange of patient information and reduce wait times.
“(iii) Telemedicine technologies, in order to reduce travel requirements for patients in remote areas.

“(iv) Technologies that facilitate home health care and the monitoring of patients recuperating at home.

“(v) Technologies that help reduce medical errors.

“(vi) Technologies that facilitate the continuity of care among health settings.

“(vii) Technologies that meet the needs of diverse populations.

“(viii) Any other technology that the HIT Policy Committee finds to be among the technologies with the greatest potential to improve the quality and efficiency of health care.

“(3) FORUM.—The HIT Policy Committee shall serve as a forum for broad stakeholder input with specific expertise in policies relating to the matters described in paragraphs (1) and (2).

“(4) WEBSITE.—The HIT Policy Committee shall develop and maintain an Internet website on which there is posted information that includes the following:
“(A) Established governance rules.

“(B) A business plan.

“(C) Meeting notices at least 14 days prior to each meeting.

“(D) Meeting agendas at least 7 days prior to each meeting.

“(E) Meeting materials at least 3 days prior to each meeting.

“(e) Membership.—

“(1) Appointments.—The HIT Policy Committee shall be composed of members to be appointed as follows:

“(A) 3 members shall be appointed by the Secretary, 1 of whom shall be appointed to represent the Department of Health and Human Services and 1 of whom shall be a public health official.

“(B) 1 member shall be appointed by the majority leader of the Senate.

“(C) 1 member shall be appointed by the minority leader of the Senate.

“(D) 1 member shall be appointed by the Speaker of the House of Representatives.
“(E) 1 member shall be appointed by the minority leader of the House of Representatives.

“(F) Such other members as shall be appointed by the President as representatives of other relevant Federal agencies.

“(G) 11 members shall be appointed by the Comptroller General of the United States of whom—

“(i) 1 member shall be an advocate for patients or consumers;

“(ii) 2 members shall represent health care providers, one of which shall be a physician;

“(iii) 1 member shall be from a labor organization representing health care workers;

“(iv) 1 member shall have expertise in privacy and security;

“(v) 1 member shall have expertise in improving the health of vulnerable populations;

“(vi) 1 member shall be from the research community;
“(vii) 1 member shall represent health plans or other third-party payers;

“(viii) 1 member shall represent information technology vendors;

“(ix) 1 member shall represent purchasers or employers; and

“(x) 1 member shall have expertise in health care quality measurement and reporting.

“(2) NATIONAL COORDINATOR.—The National Coordinator shall be a member of the HIT Policy Committee and act as a liaison among the HIT Policy Committee, the HIT Standards Committee, and the Federal Government.

“(3) CHAIRPERSON AND VICE CHAIRPERSON.—The HIT Policy Committee shall designate 1 member to serve as the chairperson and 1 member to serve as the vice chairperson of the HIT Policy Committee.

“(4) PARTICIPATION.—The members of the HIT Policy Committee appointed under paragraph (1) shall represent a balance among various sectors of the health care system so that no single sector unduly influences the recommendations of such Committee.
“(5) TERMS.—

“(A) IN GENERAL.—The terms of members of the HIT Policy Committee appointed under paragraph (1) shall be 3 years except that the Comptroller General of the United States shall designate staggered terms for the members first appointed under paragraph (1)(G).

“(B) VACANCIES.—Any member appointed to fill a vacancy in the membership of the HIT Policy Committee that occurs prior to the expiration of the term for which the member’s predecessor was appointed shall be appointed only for the remainder of that term. A member may serve after the expiration of that member’s term until a successor has been appointed. A vacancy in the HIT Policy Committee shall be filled in the manner in which the original appointment was made.

“(6) OUTSIDE INVOLVEMENT.—The HIT Policy Committee shall ensure an adequate opportunity for the participation in activities of the Committee of outside advisors, including individuals with expertise in the development of policies for the electronic ex-
change and use of health information, including in
the areas of health information privacy and security.

“(7) QUORUM.—Ten members of the HIT Pol-
icy Committee shall constitute a quorum for pur-
poses of voting, but a lesser number of members
may meet and hold hearings.

“(d) APPLICATION OF FACA.—The Federal Advisory
Committee Act (5 U.S.C. App.), other than section 14 of
such Act, shall apply to the HIT Policy Committee.

“(e) PUBLICATION.—The Secretary shall provide for
publication in the Federal Register and the posting on the
Internet website of the Office of the National Coordinator
for Health Information Technology of all policy rec-
ommendations made by the HIT Policy Committee under
this section.

“SEC. 3003. HIT STANDARDS COMMITTEE.

“(a) ESTABLISHMENT.—There is established a com-
mittee to be known as the HIT Standards Committee to
recommend to the National Coordinator standards, imple-
mentation specifications, and certification criteria for the
electronic exchange and use of health information for pur-
poses of adoption under section 3004(b), consistent with
the implementation of the strategic plan described in sec-
tion 3001(c)(3).

“(b) DUTIES.—
“(1) Standard development.—

“(A) In general.—Beginning not later than 1 year after the date of the enactment of this title, the HIT Standards Committee shall recommend to the National Coordinator standards, implementation specifications, and certification criteria described in subsection (a) that have been developed, harmonized, or recognized by the Committee. Annually thereafter the Committee shall update such recommendations and make new recommendations as appropriate, including in response to a notification sent under section 3004(b)(2). Such recommendations shall be consistent with the latest recommendations made by the HIT Policy Committee.

“(B) Pilot testing of standards and implementation specifications.—In the development, harmonization, or recognition of standards and implementation specifications, the HIT Standards Committee, as appropriate, shall provide for the testing of such standards and specifications by the National Institute for Standards and Technology under section 201 of the PRO(TECH)T Act of 2008.
“(C) CONSISTENCY.—The standards, implementation specifications, and certification criteria recommended under this subsection shall be consistent with the standards for information transactions and data elements adopted pursuant to section 1173 of the Social Security Act.

“(2) FORUM.—The HIT Standards Committee shall serve as a forum for the participation of a broad range of stakeholders to provide input on the development, harmonization, and recognition of standards, implementation specifications, and certification criteria necessary for the development and adoption of a nationwide interoperable health information technology infrastructure.

“(3) SCHEDULE.—Not later than 90 days after the date of the enactment of this title, the HIT Standards Committee shall develop a schedule for the assessment of policy recommendations developed by the HIT Policy Committee under section 3002. The HIT Standards Committee shall update such schedule annually. The Secretary shall publish such schedule in the Federal Register.

“(4) PUBLIC INPUT.—The HIT Standards Committee shall conduct open public meetings and
develop a process to allow for public comment on the
schedule described in paragraph (3) and rec-
ommendations described in this subsection. Under
such process comments shall be submitted in a time-
ly manner after the date of publication of a rec-
ommendation under this subsection.

“(5) WEBSITE.—The HIT Standards Com-
mittee shall develop and maintain an Internet
website on which there is posted information that in-
cludes the following:

“(A) Established governance rules.
“(B) A business plan.
“(C) Meeting notices at least 14 days prior
to each meeting.
“(D) Meeting agendas at least 7 days prior
to each meeting.
“(E) Meeting materials at least 3 days
prior to each meeting.

“(6) REQUIREMENT TO INTEGRATE REC-
ommendations.—In carrying out the activities
under this section, the HIT Standards Committee
shall integrate the recommendations of the HIT Pol-
icy Committee.

“(c) MEMBERSHIP.—
“(1) APPOINTMENTS.—The HIT Standards Committee shall be composed of members to be appointed as follows:

“(A) 2 members shall be appointed by the Secretary.

“(B) 1 member shall be appointed by the majority leader of the Senate.

“(C) 1 member shall be appointed by the minority leader of the Senate.

“(D) 1 member shall be appointed by the Speaker of the House of Representatives.

“(E) 1 member shall be appointed by the minority leader of the House of Representatives.

“(F) 9 members shall be appointed by the Comptroller General of the United States of whom—

“(i) 1 member shall be a representative of consumer or patient organizations;

“(ii) 1 member shall be a representative of organizations with expertise in privacy;

“(iii) 1 member shall be a representative of organizations with expertise in security;
“(iv) 2 members shall be a representative of health care providers, one of which shall be a physician;
“(v) 1 member shall be a representative of health plans or other third party payers;
“(vi) 1 member shall be a representative of information technology vendors;
“(vii) 1 member shall be a representative of purchasers or employers; and
“(viii) 1 member shall be a representative of the health research community.
“(G) 1 member shall be appointed by the Director of the National Institute for Standards and Technology.

“(2) NATIONAL COORDINATOR.—The National Coordinator shall be a member of the HIT Standards Committee and act as a liaison among the HIT Standards Committee, the HIT Policy Committee, and the Federal government.

“(3) CHAIRPERSON AND VICE CHAIRPERSON.—The HIT Standards Committee shall designate 1 member to serve as the chairperson and 1 member to serve as the vice chairperson of the Committee.
“(4) PARTICIPATION.—The members of the HIT Standards Committee appointed under paragraph (1) shall represent a balance among various sectors of the health care system so that no single sector unduly influences the recommendations of such Committee.

“(5) TERMS.—

“(A) IN GENERAL.—The terms of members of the HIT Standards Committee appointed under paragraph (1) shall be 3 years except that the Comptroller General of the United States shall designate staggered terms for the members first appointed under paragraph (1)(F).

“(B) VACANCIES.—Any member appointed to fill a vacancy in the membership of the HIT Standards Committee that occurs prior to the expiration of the term for which the member’s predecessor was appointed shall be appointed only for the remainder of that term. A member may serve after the expiration of that member’s term until a successor has been appointed. A vacancy in the HIT Standards Committee shall be filled in the manner in which the original appointment was made.
“(6) Outside involvement.—The HIT Standards Committee shall ensure an adequate opportunity for the participation in activities of the Committee of outside advisors, including individuals with expertise in the development of standards for the electronic exchange and use of health information, including in the areas of health information privacy and security.

“(7) Quorum.—Eight members of the HIT Standards Committee shall constitute a quorum for purposes of voting, but a lesser number of members may meet and hold hearings.

“(d) Application of FACA.—The Federal Advisory Committee Act (5 U.S.C. App.), other than section 14, shall apply to the HIT Standards Committee.

“(e) Publication.—The Secretary shall provide for publication in the Federal Register and the posting on the Internet website of the Office of the National Coordinator for Health Information Technology of all recommendations made by the HIT Standards Committee under this section.

“SEC. 3004. PROCESS FOR ADOPTION OF ENDORSED RECOMMENDATIONS.

“(a) Review of endorsed standards, specifications, and criteria.—Not later than 90 days after
the date of receipt of standards, implementation specifications, or certification criteria endorsed under section 3001(c), the Secretary, in consultation with representatives of other relevant Federal agencies, shall jointly review such standards, specifications, or criteria and shall determine whether or not to propose adoption of such standards, specifications, or criteria.

“(b) Determination to Adopt Standards, Specifications, and Criteria.—If the Secretary determines—

“(1) to propose adoption of any grouping of such standards, specifications, or criteria, the Secretary shall, through a rulemaking process, determine whether or not to adopt such grouping of standards, specifications, or criteria; or

“(2) not to propose adoption of any grouping of standards, specifications, or criteria, the Secretary shall notify the National Coordinator and the HIT Standards Committee in writing of such determination and the reasons for not proposing the adoption of such recommendation.

“(c) Publication.—The Secretary shall provide for publication in the Federal Register of all determinations made by the Secretary under subsection (a).
"SEC. 3005. APPLICATION AND USE OF ADOPTED STANDARDS AND IMPLEMENTATION SPECIFICATIONS BY FEDERAL AGENCIES.

"For requirements relating to the application and use by Federal agencies of the standards and implementation specifications adopted under section 3004(b), see section 111 of the PRO(TECH)T Act of 2008.

"SEC. 3006. VOLUNTARY APPLICATION AND USE OF ADOPTED STANDARDS AND IMPLEMENTATION SPECIFICATIONS BY PRIVATE ENTITIES.

"(a) In General.—Except as provided under section 112 of the PRO(TECH)T Act of 2008, any standard or implementation specification adopted under section 3004(b) shall be voluntary with respect to private entities.

"(b) Rule of Construction.—Nothing in this sub-title shall be construed to require that a private entity that enters into a contract with the Federal Government apply or use the standards and implementation specifications adopted under section 3004(b) with respect to activities not related to the contract.

"SEC. 3007. HEALTH INFORMATION TECHNOLOGY RESOURCE CENTER.

"(a) Development.—

"(1) In General.—The National Coordinator shall develop a Health Information Technology Resource Center to provide technical assistance and de-
velop best practices to support and accelerate efforts
to adopt, implement, and effectively use health infor-
mation technology that allows for the electronic ex-
change and use of information in compliance with
standards, implementation specifications, and certifi-
cation criteria adopted under section 3004(b).

“(2) PURPOSES.—The purpose of the Center is
to—

“(A) provide a forum for the exchange of
knowledge and experience;

“(B) accelerate the transfer of lessons
learned from existing public and private sector
initiatives, including those currently receiving
Federal financial support;

“(C) assemble, analyze, and widely dis-
seminate evidence and experience related to the
adoption, implementation, and effective use of
health information technology that allows for
the electronic exchange and use of information;

“(D) provide technical assistance for the
establishment and evaluation of regional and
local health information networks to facilitate
the electronic exchange of information across
health care settings and improve the quality of
health care;
“(E) provide technical assistance for the development and dissemination of solutions to barriers to the exchange of electronic health information;

“(F) learn about effective strategies to adopt and utilize health information technology in medically underserved communities;

“(G) conduct other activities identified by the States, local or regional health information networks, or health care stakeholders as a focus for developing and sharing best practices; and

“(H) provide technical assistance to promote adoption and utilization of health information technology by health care providers, including in medically underserved communities.

“(b) Technical Assistance Telephone Number or Website.—The National Coordinator shall establish a toll-free telephone number or Internet website to provide health care providers with a single point of contact to—

“(1) learn about Federal grants and technical assistance services related to interoperable health information technology;

“(2) learn about standards, implementation specifications, and certification criteria adopted under section 3004(b);
“(3) learn about regional and local health information networks for assistance with health information technology; and

“(4) disseminate additional information determined by the National Coordinator.”.

SEC. 102. TRANSITIONS.

(a) ONCHIT.—To the extent consistent with section 3001 of the Public Health Service Act, as added by section 101, all functions, personnel, assets, liabilities, and administrative actions applicable to the National Coordinator for Health Information Technology appointed under Executive Order 13335 or the Office of such National Coordinator on the date before the date of the enactment of this Act shall be transferred to the National Coordinator appointed under section 3001(a) of such Act and the Office of such National Coordinator as of the date of the enactment of this Act.

(b) AHIC.—

(1) To the extent consistent with sections 3002 and 3003 of the Public Health Service Act, as added by section 101, all functions, personnel, assets, and liabilities applicable to the American Health Information Community created in response to Executive Order 13335 as of the day before the date of the enactment of this Act shall be transferred to the HIT
Policy Committee or the HIT Standards Committee, established under section 3002(a) or 3003(a) of such Act, as appropriate, as of the date of the enactment of this Act.

(2) In carrying out section 3003(b)(1)(A) of the Public Health Service Act, as so added, until recommendations are made by the HIT Policy Committee, recommendations of the HIT Standards Committee shall be consistent with the most recent recommendations made by the American Health Information Community.

(c) RULES OF CONSTRUCTION.—

(1) ONCHIT.—Nothing in section 3001 of the Public Health Service Act, as added by section 101, or subsection (a) shall be construed as requiring the creation of a new entity to the extent that the Office of the National Coordinator for Health Information Technology established pursuant to Executive Order 13335 is consistent with the provisions of such section 3001.

(2) AHIC.—Nothing in sections 3002 or 3003 of the Public Health Service Act, as added by section 101, or subsection (b) shall be construed as requiring the creation of a new entity to the extent that the American Health Information Community
created in response to Executive Order 13335 is
consistent with the provisions of such sections 3002
and 3003.

PART 2—APPLICATION AND USE OF ADOPTED
HEALTH INFORMATION TECHNOLOGY
STANDARDS; REPORTS

SEC. 111. COORDINATION OF FEDERAL ACTIVITIES WITH
ADOPTED STANDARDS AND IMPLEMENTATION SPECIFICATIONS.

(a) SPENDING ON HEALTH INFORMATION TECHNOLOGY SYSTEMS.—As each agency (as defined in the Ex-
cecutive Order issued on August 22, 2006, relating to pro-
moting quality and efficient health care in Federal govern-
ment administered or sponsored health care programs) im-
plements, acquires, or upgrades health information tech-
nology systems used for the direct exchange of individually
identifiable health information between agencies and with
non-Federal entities, it shall utilize, where available,
health information technology systems and products that
meet standards and implementation specifications adopted
under section 3004(b) of the Public Health Service Act,
as added by section 101.

(b) FEDERAL INFORMATION COLLECTION ACTIVI-
TIES.—With respect to a standard or implementation
specification adopted under section 3004(b) of the Public
Health Service Act, as added by section 101, the President shall take measures to ensure that Federal activities involving the broad collection and submission of health information are consistent with such standard or specification, respectively, within three years after the date of such adoption.

(e) Application of Definitions.—The definitions contained in section 3000 of the Public Health Service Act, as added by section 101, shall apply for purposes of this part.

SEC. 112. APPLICATION TO PRIVATE ENTITIES.

Each agency (as defined in such Executive Order issued on August 22, 2006, relating to promoting quality and efficient health care in Federal government administered or sponsored health care programs) shall require in contracts or agreements with health care providers, health plans, or health insurance issuers that as each provider, plan, or issuer implements, acquires, or upgrades health information technology systems, it shall utilize, where available, health information technology systems and products that meet standards and implementation specifications adopted under section 3004(b) of the Public Health Service Act, as added by section 101.
SEC. 113. REPORTS.

(a) IN GENERAL.—The Secretary of Health and Human Services shall submit to the Committee on Health, Education, Labor, and Pensions and the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Energy and Commerce and the Committee on Science and Technology of the House of Representatives, on an annual basis, a report that—

(1) describes the specific actions that have been taken by the Federal Government and private entities to facilitate the adoption of an interoperable nationwide system for the electronic exchange of health information;

(2) describes barriers to the adoption of such a nationwide system; and

(3) contains recommendations to achieve full implementation of such a nationwide system.

(b) REIMBURSEMENT INCENTIVE STUDY.—The Secretary of Health and Human Services shall carry out, or contract with a private entity to carry out, a study that examines methods to create efficient reimbursement incentives for improving health care quality in Federally qualified health centers, rural health clinics, and free clinics.
Subtitle B—Incentives for the Use of Health Information Technology

SEC. 121. GRANT, LOAN, AND DEMONSTRATION PROGRAMS.

Title XXX of the Public Health Service Act, as added by section 101, is amended by adding at the end the following new subtitle:

“Subtitle B—Incentives for the Use of Health Information Technology

“SEC. 3011. GRANTS AND LOANS TO FACILITATE THE WIDESPREAD ADOPTION OF QUALIFIED HEALTH INFORMATION TECHNOLOGY.

“(a) Competitive Grants to Facilitate the Widespread Adoption of Health Information Technology.—

“(1) In general.—The National Coordinator may award competitive grants to eligible entities to purchase qualified health information technology.

“(2) Qualified health information technology.—For purposes of this section, the term ‘qualified health information technology’ means health information technology that consists of hardware, software, or the provision of support services and that—

“(A) enables the protection of health information, in accordance with applicable law;
“(B) is (or is necessary for the operation of) an electronic health records system, including the provision of decision support and physician order entry for medications;

“(C) has the ability to allow timely and permissible access to patient information and to transmit and exchange health information among providers, patients, or insurers; and

“(D) is certified under the program developed under section 3001(c)(9) to be in compliance with any applicable standards and implementation specifications adopted under section 3004(b).

“(3) ELIGIBILITY.—To be eligible to receive a grant under paragraph (1) an entity shall—

“(A) submit to the National Coordinator an application at such time and in such manner as the National Coordinator may require, and containing—

“(i) a plan on how the entity intends to maintain and support the qualified health information technology that would be purchased with amounts under such grant, including the type of resources expected to be involved; and
“(ii) such other information as the National Coordinator may require;

“(B) submit to the National Coordinator a strategic plan for the electronic exchange and use of health information;

“(C) be—

“(i) a not for profit hospital or a Federally qualified health center (as defined in section 1861(aa)(4) of the Social Security Act);

“(ii) an individual or group practice;

or

“(iii) another health care provider not described in clause (i) or (ii);

“(D) demonstrate significant financial need;

“(E) agree to notify individuals in accordance with section 302 of the PRO(TECH)T Act of 2008 if their individually identifiable health information is accessed or acquired as a result of a breach; and

“(F) provide matching funds in accordance with paragraph (5).

“(4) USE OF FUNDS.—Amounts received under a grant under this subsection shall be used to facili-
tate the purchase of qualified health information
technology.

“(5) MATCHING REQUIREMENT.—To be eligible for a grant under this subsection an entity shall contribute non-Federal contributions to the costs of carrying out the activities for which the grant is awarded in an amount equal to $1 for each $3 of Federal funds provided under the grant.

“(6) PREFERENCE IN AWARDING GRANTS.—In awarding grants under this subsection the National Coordinator shall give preference to the following eligible entities:

“(A) Small health care providers.

“(B) Entities that are located in rural, frontier, and other areas that serve uninsured, underinsured, and medically underserved individuals (regardless of whether such area is urban, rural, or frontier).

“(C) Entities that will link, to the extent practicable, to local or regional health information plan or plans.

“(D) Nonprofit health care providers.

“(7) ADDITIONAL SOURCES OF FUNDING FOR HEALTH INFORMATION TECHNOLOGY.—Funding made available under this subsection is in addition
to funding which may be used toward the acquisition
and utilization of health information technology
under other law, which includes the following:

“(A) Medicaid transformation grants
under section 1903(z) of the Social Security
Act.

“(B) Grants or funding available through
the Agency for Healthcare Research and Qual-
ity.

“(C) Grants or funding that may be avail-
able through the Health Resources and Services
Administration for investment in health infor-
mation technologies or telehealth.

“(D) Grants or funding that may be avail-
able through the Department of Agriculture’s
Rural Development Telecommunications Pro-
gram for investment in telemedicine.

“(b) COMPETITIVE GRANTS TO STATES AND INDIAN
TRIBES FOR THE DEVELOPMENT OF LOAN PROGRAMS TO
FACILITATE THE WIDESPREAD ADOPTION OF QUALIFIED
HEALTH INFORMATION TECHNOLOGY.—

“(1) IN GENERAL.—The National Coordinator
may award competitive grants to eligible entities for
the establishment of programs for loans to health
care providers to purchase qualified health information technology.

“(2) ELIGIBLE ENTITY DEFINED.—For purposes of this subsection, the term ‘eligible entity’ means a State or Indian tribe (as defined in the Indian Self-Determination and Education Assistance Act) that—

“(A) submits to the National Coordinator an application at such time, in such manner, and containing such information as the National Coordinator may require;

“(B) submits to the National Coordinator a strategic plan in accordance with paragraph (4) and provides to the National Coordinator assurances that the entity will update such plan annually in accordance with such paragraph;

“(C) provides assurances to the National Coordinator that the entity will establish a Loan Fund in accordance with paragraph (3);

“(D) provides assurances to the National Coordinator that the entity will not provide a loan from the Loan Fund to a health care provider unless the provider meets each of the conditions described in paragraph (5); and
“(E) agrees to provide matching funds in accordance with paragraph (9).

“(3) Establishment of Fund.—For purposes of paragraph (3)(C), an eligible entity shall establish a qualified health information technology loan fund (referred to in this subsection as a ‘Loan Fund’) and comply with the other requirements contained in this section. A grant to an eligible entity under this subsection shall be deposited in the Loan Fund established by the eligible entity. No funds authorized by other provisions of this subtitle to be used for other purposes specified in this subtitle shall be deposited in any Loan Fund.

“(4) Strategic Plan.—

“(A) In general.—For purposes of paragraph (3)(B), a strategic plan of an eligible entity under this paragraph shall identify the intended uses of amounts available to the Loan Fund of such entity.

“(B) Contents.—A strategic plan under subparagraph (A), with respect to a Loan Fund of an eligible entity, shall include for a year the following:
“(i) A list of the projects to be assisted through the Loan Fund during such year.

“(ii) A description of the criteria and methods established for the distribution of funds from the Loan Fund during the year.

“(iii) A description of the financial status of the Loan Fund as of the date of submission of the plan.

“(iv) The short-term and long-term goals of the Loan Fund.

“(5) Health care provider conditions for receipt of loans.—For purposes of paragraph (2)(D), the conditions described in this paragraph, with respect to a health care provider that seeks a loan from a Loan Fund established under this subsection, are the following:

“(A) The health care provider links, to the extent practicable, to a local or regional health information network.

“(B) The health care provider consults with the Health Information Technology Resource Center established under section 3007 to access the knowledge and experience of existing
initiatives regarding the successful implementation and effective use of health information technology.

“(C) The health care provider agrees to notify individuals in accordance with section 302 of the PRO(TECH)T Act of 2008 if their individually identifiable health information is accessed or acquired as a result of a breach.

“(D) The health care provider submits to the State or Indian tribe involved a plan on how the health care provider intends to maintain and support the qualified health information technology that would be purchased with such loan, including the type of resources expected to be involved and any such other information as the State or Indian Tribe, respectively, may require.

“(6) USE OF FUNDS.—

“(A) IN GENERAL.—Amounts deposited in a Loan Fund, including loan repayments and interest earned on such amounts, shall be used only for awarding loans or loan guarantees, or as a source of reserve and security for leveraged loans, the proceeds of which are deposited in the Loan Fund established under paragraph
(1). Loans under this section may be used by a health care provider to purchase qualified health information technology.

“(B) LIMITATION.—Amounts received by an eligible entity under this subsection may not be used—

“(i) for the purchase or other acquisition of any health information technology system that is not a qualified health information technology;

“(ii) to conduct activities for which Federal funds are expended under this title; or

“(iii) for any purpose other than making loans to health care providers in accordance with this section.

“(7) TYPES OF ASSISTANCE.—Except as otherwise limited by applicable State law, amounts deposited into a Loan Fund under this subsection may only be used for the following:

“(A) To award loans that comply with the following:

“(i) The interest rate for each loan shall not exceed the market interest rate.
“(ii) The principal and interest payments on each loan shall commence not later than 1 year after the date the loan was awarded, and each loan shall be fully amortized not later than 10 years after the date of the loan.

“(iii) The Loan Fund shall be credited with all payments of principal and interest on each loan awarded from the Loan Fund.

“(B) To guarantee, or purchase insurance for, a local obligation (all of the proceeds of which finance a project eligible for assistance under this subsection) if the guarantee or purchase would improve credit market access or reduce the interest rate applicable to the obligation involved.

“(C) As a source of revenue or security for the payment of principal and interest on revenue or general obligation bonds issued by the eligible entity if the proceeds of the sale of the bonds will be deposited into the Loan Fund.

“(D) To earn interest on the amounts deposited into the Loan Fund.

“(8) ADMINISTRATION OF LOAN FUNDS.—
“(A) Combined financial administration.—An eligible entity may (as a convenience and to avoid unnecessary administrative costs) combine, in accordance with applicable State law, the financial administration of a Loan Fund established under this subsection with the financial administration of any other revolving fund established by the entity if otherwise not prohibited by the law under which the Loan Fund was established.

“(B) Cost of administering fund.—Each eligible entity may annually use not to exceed 4 percent of the funds provided to the entity under a grant under this subsection to pay the reasonable costs of the administration of the programs under this section, including the recovery of reasonable costs expended to establish a Loan Fund which are incurred after the date of the enactment of this title.

“(C) Guidance and regulations.—The National Coordinator shall publish guidance and promulgate regulations as may be necessary to carry out the provisions of this subsection, including—
“(i) provisions to ensure that each eligible entity commits and expends funds allotted to the entity under this subsection as efficiently as possible in accordance with this title and applicable State laws; and

“(ii) guidance to prevent waste, fraud, and abuse.

“(D) PRIVATE SECTOR CONTRIBUTIONS.—

“(i) IN GENERAL.—A Loan Fund established under this subsection may accept contributions from private sector entities, except that such entities may not specify the recipient or recipients of any loan issued under this subsection. An eligible entity may agree to reimburse a private sector entity for any contribution made under this subparagraph, except that the amount of such reimbursement may not be greater than the principal amount of the contribution made.

“(ii) AVAILABILITY OF INFORMATION.—An eligible entity shall make publicly available the identity of, and amount contributed by, any private sector entity under clause (i) and may issue letters of
commendation or make other awards (that
have no financial value) to any such entity.

“(9) MATCHING REQUIREMENTS.—

“(A) IN GENERAL.—The National Coordi-
nator may not make a grant under paragraph
(1) to an eligible entity unless the entity agrees
to make available (directly or through donations
from public or private entities) non-Federal
contributions in cash to the costs of carrying
out the activities for which the grant is awarded
in an amount equal to not less than $1 for each
$1 of Federal funds provided under the grant.

“(B) DETERMINATION OF AMOUNT OF
NON-FEDERAL CONTRIBUTION.—In determining
the amount of non-Federal contributions that
an eligible entity has provided pursuant to sub-
paragraph (A), the National Coordinator may
not include any amounts provided to the entity
by the Federal Government.

“(10) REPORTS.—The National Coordinator
shall annually submit to the Committee on Health,
Education, Labor, and Pensions and the Committee
on Finance of the Senate, and the Committee on
Energy and Commerce of the House of Representa-
tives, a report summarizing the reports received by
the National Coordinator from each eligible entity that receives a grant under this subsection.

“(c) COMPETITIVE GRANTS FOR THE IMPLEMENTATION OF REGIONAL OR LOCAL HEALTH INFORMATION TECHNOLOGY PLANS.—

“(1) IN GENERAL.—The National Coordinator may award competitive grants to eligible entities to implement regional or local health information plans to improve health care quality and efficiency through the electronic exchange and use of health information.

“(2) ELIGIBILITY.—To be eligible to receive a grant under paragraph (1) an entity shall—

“(A) facilitate the electronic exchange and use of health information within the local or regional area and among local and regional areas;

“(B) demonstrate financial need to the National Coordinator;

“(C) demonstrate that one of its principal missions or purposes is to use information technology to improve health care quality and efficiency;

“(D) adopt bylaws, memoranda of understanding, or other charter documents that demonstrate that the governance structure and de-
cisionmaking processes of such entity allow for participation on an ongoing basis by multiple stakeholders within a community, including—

“(i) physicians (as defined in section 1861(r) of the Social Security Act), including physicians that provide services to low income populations and populations that are uninsured, underinsured, and medically underserved (including such populations in urban and rural areas);

“(ii) hospitals (including hospitals that provide services to low income and underserved populations);

“(iii) pharmacists and pharmacies;

“(iv) health plans;

“(v) health centers (as defined in section 330(b)) and Federally qualified health centers (as defined in section 1861(aa)(4) of the Social Security Act);

“(vi) rural health clinics (as defined in section 1861(aa) of the Social Security Act);

“(vii) patient or consumer organizations that reflect the population to be served;
“(viii) employers;
“(ix) public health agencies; and
“(x) such other health care providers
or other entities, as determined appro-
priate by the National Coordinator;
“(E) demonstrate the participation, to the
extent practicable, of stakeholders in the elec-
tronic exchange and use of health information
within the local or regional health information
plan pursuant to subparagraph (D);
“(F) adopt nondiscrimination and conflict
of interest policies that demonstrate a commit-
ment to open, fair, and nondiscriminatory par-
ticipation in the regional or local health infor-
mation plan by all stakeholders;
“(G) comply with applicable standards and
implementation specifications adopted under
subtitle A of this title;
“(H) prepare and submit to the National
Coordinator an application in accordance with
paragraph (3); and
“(I) agree to provide matching funds in ac-
cordance with paragraph (6).
“(3) APPLICATION.—
“(A) IN GENERAL.—To be eligible to receive a grant under paragraph (1), an entity shall submit to the National Coordinator an application at such time, in such manner, and containing such information (in addition to information required under subparagraph (B), as the National Coordinator may require.

“(B) REQUIRED INFORMATION.—At a minimum, an application submitted under this paragraph shall include—

“(i) clearly identified short-term and long-term objectives of the regional or local health information plan;

“(ii) an estimate of costs of the hardware, software, training, and other services necessary to implement the regional or local health information plan;

“(iii) a strategy that includes initiatives to improve health care quality and efficiency;

“(iv) a plan that describes provisions to encourage the electronic exchange and use of health information by all physicians, including single physician practices and
small physician groups, participating in the health information plan;

“(v) a plan to ensure the privacy and security of individually identifiable health information that is consistent with applicable Federal and State law;

“(vi) a governance plan that defines the manner in which the stakeholders shall jointly make policy and operational decisions on an ongoing basis;

“(vii) a financial or business plan that describes—

“(I) the sustainability of the plan;

“(II) the financial costs and benefits of the plan; and

“(III) the entities to which such costs and benefits will accrue;

“(viii) a plan on how the entity involved intends to maintain and support the regional or local health information plan, including the type of resources expected to be involved; and

“(ix) in the case of an applicant that is unable to demonstrate the participation
of all stakeholders pursuant to paragraph (2)(D), the justification from the entity for any such nonparticipation.

“(4) USE OF FUNDS.—Amounts received under a grant under paragraph (1) shall be used to establish and implement a regional or local health information plan in accordance with this subsection.

“(5) PREFERENCE.—In awarding grants under paragraph (1), the Secretary shall give preference to eligible entities that intend to use amounts received under a grant to establish or implement a regional or local health information plan that encompasses communities with health disparities or areas that serve uninsured, underinsured, and medically underserved individuals (including urban and rural areas).

“(6) MATCHING REQUIREMENT.—

“(A) IN GENERAL.—The National Coordinator may not make a grant under this subsection to an entity unless the entity agrees that, with respect to the costs of carrying out the activities for which the grant is awarded, the entity will make available (directly or through donations from public or private entities) non-Federal contributions toward such costs in an amount equal to not less than 50
percent of such costs ($1 for each $2 of Federal funds provided under the grant).

“(B) DETERMINATION OF AMOUNT CONTRIBUTED.—Non-Federal contributions required under subparagraph (A) may be in cash or in kind, fairly evaluated, including equipment, technology, or services. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such non-Federal contributions.

“(d) REPORTS.—Not later than 1 year after the date on which the first grant is awarded under this section, and annually thereafter during the grant period, an entity that receives a grant under this section shall submit to the National Coordinator a report on the activities carried out under the grant involved. Each such report shall include—

“(1) a description of the financial costs and benefits of the project involved and of the entities to which such costs and benefits accrue;

“(2) an analysis of the impact of the project on health care quality and safety;
“(3) a description of any reduction in duplicative or unnecessary care as a result of the project involved;

“(4) a description of the efforts of recipients under this section to facilitate secure patient access to health information;

“(5) an analysis of the effectiveness of the project involved on ensuring the privacy and security of individually identifiable health information in accordance with applicable Federal and State law; and

“(6) other information as required by the National Coordinator.

“(e) REQUIREMENT TO IMPROVE QUALITY OF CARE AND DECREASE IN COSTS.—The National Coordinator shall annually evaluate the activities conducted under this section and shall, in awarding grants, implement the lessons learned from such evaluation in a manner so that awards made subsequent to each such evaluation are made in a manner that, in the determination of the National Coordinator, will result in the greatest improvement in quality of care and decrease in costs.

“(f) LIMITATION.—An eligible entity may only receive one non-renewable grant under subsection (a), one non-renewable grant under subsection (b), and one non-renewable grant under subsection (c).
“(g) SMALL HEALTH CARE PROVIDER.—For purposes of this section, the term ‘small health care provider’ means a health care provider that has an average of 10 or fewer full-time equivalent employees during the period involved.

“(h) AUTHORIZATION OF APPROPRIATIONS.—

“(1) IN GENERAL.—For the purpose of carrying out subsections (a) through (d), there is authorized to be appropriated $115,000,000 for each of the fiscal years 2009 through 2013.

“(2) AVAILABILITY.—Amounts appropriated under paragraph (1) shall remain available through fiscal year 2013.

“SEC. 3012. DEMONSTRATION PROGRAM TO INTEGRATE INFORMATION TECHNOLOGY INTO CLINICAL EDUCATION.

“(a) IN GENERAL.—The Secretary may award grants under this section to carry out demonstration projects to develop academic curricula integrating qualified health information technology in the clinical education of health professionals. Such awards shall be made on a competitive basis and pursuant to peer review.

“(b) ELIGIBILITY.—To be eligible to receive a grant under subsection (a), an entity shall—
“(1) submit to the Secretary an application at such time, in such manner, and containing such information as the Secretary may require;

“(2) submit to the Secretary a strategic plan for integrating qualified health information technology in the clinical education of health professionals to reduce medical errors and enhance health care quality;

“(3) be—

“(A) a school of medicine, osteopathic medicine, dentistry, or pharmacy, or a graduate program in behavioral or mental health;

“(B) a graduate school of nursing or physician assistant studies;

“(C) a consortium of two or more schools described in subparagraph (A) or (B); or

“(D) an institution with a graduate medical education program in medicine, osteopathic medicine, dentistry, pharmacy, nursing, or physician assistance studies.

“(4) provide for the collection of data regarding the effectiveness of the demonstration project to be funded under the grant in improving the safety of patients, the efficiency of health care delivery, and in increasing the likelihood that graduates of the
grantee will adopt and incorporate qualified health
information technology, in the delivery of health care
services; and

“(5) provide matching funds in accordance with
subsection (d).

“(c) USE OF FUNDS.—

“(1) IN GENERAL.—With respect to a grant
under subsection (a), an eligible entity shall—

“(A) use grant funds in collaboration with
2 or more disciplines; and

“(B) use grant funds to integrate qualified
health information technology into community-
based clinical education.

“(2) LIMITATION.—An eligible entity shall not
use amounts received under a grant under sub-
section (a) to purchase hardware, software, or serv-
ices.

“(d) MATCHING FUNDS.—

“(1) IN GENERAL.—The Secretary may award
a grant to an entity under this section only if the
entity agrees to make available non-Federal con-
tributions toward the costs of the program to be
funded under the grant in an amount that is not
less than $1 for each $2 of Federal funds provided
under the grant.
“(2) DETERMINATION OF AMOUNT CONTRIBUTED.—Non-Federal contributions under paragraph (1) may be in cash or in kind, fairly evaluated, including equipment or services. Amounts provided by the Federal Government, or services assisted or subsidized to any significant extent by the Federal Government, may not be included in determining the amount of such contributions.

“(e) EVALUATION.—The Secretary shall take such action as may be necessary to evaluate the projects funded under this section and publish, make available, and disseminate the results of such evaluations on as wide a basis as is practicable.

“(f) REPORTS.—Not later than 1 year after the date of enactment of this title, and annually thereafter, the Secretary shall submit to the Committee on Health, Education, Labor, and Pensions and the Committee on Finance of the Senate, and the Committee on Energy and Commerce of the House of Representatives a report that—

“(1) describes the specific projects established under this section; and

“(2) contains recommendations for Congress based on the evaluation conducted under subsection (e).
“(g) Authorization of Appropriations.—There is authorized to be appropriated to carry out this section, $10,000,000 for each of fiscal years 2009 through 2011.

“(h) Sunset.—This section shall not apply after September 30, 2011.”

TITLE II—TESTING OF HEALTH INFORMATION TECHNOLOGY

SEC. 201. NATIONAL INSTITUTE FOR STANDARDS AND TECHNOLOGY TESTING.

(a) Pilot Testing of Standards and Implementation Specifications.—In coordination with the HIT Standards Committee established under section 3003 of the Public Health Service Act, as added by section 101, with respect to the development of standards and implementation specifications under such section, the Director of the National Institute for Standards and Technology shall test such standards and specifications in order to assure the efficient implementation and use of such standards and specifications.

(b) Voluntary Testing Program.—In coordination with the HIT Standards Committee established under section 3003 of the Public Health Service Act, as added by section 101, with respect to the development of standards and implementation specifications under such section, the Director of the National Institute of Standards
and Technology shall support the establishment of a convergence testing infrastructure, including the development of technical test beds. The development of this convergence testing infrastructure may include a program to accredit independent, non-Federal laboratories to perform testing.

SEC. 202. RESEARCH AND DEVELOPMENT PROGRAMS.

(a) Health Care Information Enterprise Integration Research Centers.—

(1) In general.—The Director of the National Institute of Standards and Technology, in consultation the Director of the National Science Foundation and other appropriate Federal agencies, shall establish a program of assistance to institutions of higher education (or consortia thereof which may include nonprofit entities and Federal Government laboratories) to establish multidisciplinary Centers for Health Care Information Enterprise Integration.

(2) Review; competition.—Grants shall be awarded under this subsection on a merit-reviewed, competitive basis.

(3) Purpose.—The purposes of the Centers described in paragraph (1) shall be—

(A) to generate innovative approaches to health care information enterprise integration
by conducting cutting-edge, multidisciplinary research on the systems challenges to health care delivery; and

(B) the development and use of health information technologies and other complementary fields.

(4) RESEARCH AREAS.—Research areas may include—

(A) interfaces between human information and communications technology systems;

(B) voice-recognition systems;

(C) software that improves interoperability and connectivity among health information systems;

(D) software dependability in systems critical to health care delivery;

(E) measurement of the impact of information technologies on the quality and productivity of health care;

(F) health information enterprise management;

(G) health information technology security and integrity; and

(H) relevant health information technology to reduce medical errors.
(5) APPLICATIONS.—An institution of higher education (or a consortium thereof) seeking funding under this subsection shall submit an application to the Director of the National Institute of Standards and Technology at such time, in such manner, and containing such information as the Director may require. The application shall include, at a minimum, a description of—

(A) the research projects that will be undertaken by the Center established pursuant to assistance under paragraph (1) and the respective contributions of the participating entities;

(B) how the Center will promote active collaboration among scientists and engineers from different disciplines, such as information technology, biologic sciences, management, social sciences, and other appropriate disciplines;

(C) technology transfer activities to demonstrate and diffuse the research results, technologies, and knowledge; and

(D) how the Center will contribute to the education and training of researchers and other professionals in fields relevant to health information enterprise integration.
(b) National Information Technology Research and Development Program.—The National High-Performance Computing Program established by section 101 of the High-Performance Computing Act of 1991 (15 U.S.C. 5511) shall coordinate Federal research and development programs related to the development and deployment of health information technology, including activities related to—

(1) computer infrastructure;
(2) data security;
(3) development of large-scale, distributed, reliable computing systems;
(4) wired, wireless, and hybrid high-speed networking;
(5) development of software and software-intensive systems;
(6) human-computer interaction and information management technologies; and
(7) the social and economic implications of information technology.

TITLE III—PRIVACY AND SECURITY PROVISIONS

SEC. 300. DEFINITIONS.

In this title, except as specified otherwise:
(1) **Breachment.**—The term “breach” means the unauthorized acquisition or disclosure of protected health information which compromises the security, privacy, or integrity of protected health information maintained by or on behalf of a person. Such term does not include any unintentional acquisition of such information by an employee or agent of the covered entity or business associate involved if such acquisition was made in good faith and within the course and scope of the employment or other contractual relationship of such employee or agent, respectively, with the covered entity or business associate and if such information is not further acquired, used, or disclosed by such employee or agent.

(2) **Business Associate.**—The term “business associate” has the meaning given such term in section 160.103 of title 45, Code of Federal Regulations.

(3) **Covered Entity.**—The term “covered entity” has the meaning given such term in section 160.103 of title 45, Code of Federal Regulations.

(4) **Disclose.**—The terms “disclose” and “disclosure” have the meaning given the term “disclosure” in section 160.103 of title 45, Code of Federal Regulations.
(5) **Encryption.**—The term “encryption” has the meaning given such term in section 164.304 of title 45, Code of Federal Regulations.

(6) **Health Care Operations.**—The term “health care operation” has the meaning given such term in section 164.501 of title 45, Code of Federal Regulations.

(7) **Health Care Provider.**—The term “health care provider” has the meaning given such term in section 160.103 of title 45, Code of Federal Regulations.

(8) **Personal Health Record.**—The term “personal health record” means an electronic record of individually identifiable health information on an individual that is drawn from multiple sources and that is managed, shared, and controlled by or for the individual.

(9) **Protected Health Information.**—The term “protected health information” has the meaning given such term under section 160.103 of title 45, Code of Federal Regulations.

(10) **Secretary.**—The term “Secretary” means the Secretary of Health and Human Services.
(11) Security.—The term “security” has the meaning given such term in section 164.304 of title 45, Code of Federal Regulations.

(12) State.—The term “State” means each of the several States, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Northern Mariana Islands.

(13) Use.—The term “use” has the meaning given such term in section 160.103 of title 45, Code of Federal Regulations.

(14) Vendor of personal health records.—The term “vendor” means an entity that offers or maintains a personal health record and that is not a covered entity.

SEC. 301. APPLICATION OF SECURITY PROVISIONS AND PENALTIES TO BUSINESS ASSOCIATES OF COVERED ENTITIES; ANNUAL GUIDANCE ON SECURITY PROVISIONS.

(a) Application of Security Provisions.—Sections 164.308, 164.310, and 164.312 of title 45, Code of Federal Regulations, shall apply to a business associate of a covered entity in the same manner that such sections apply to the covered entity.
(b) APPLICATION OF CIVIL AND CRIMINAL PENALTIES.—Sections 1176 and 1177 of the Social Security Act (42 U.S.C. 1320d–5, 1320d–6) shall apply to a business associate of a covered entity with respect to a section applied under subsection (a) to such business associate in the same manner that such sections apply to a covered entity with respect to such section.

(c) ANNUAL GUIDANCE.—For the first year beginning after the date of the enactment of this Act and annually thereafter, the Secretary of Health and Human Services shall, in consultation with industry stakeholders, annually issue guidance on the latest safeguard technologies for use in carrying out the sections described in subsection (a).

SEC. 302. NOTIFICATION IN THE CASE OF BREACH.

(a) IN GENERAL.—A covered entity that accesses, maintains, retains, modifies, records, stores, destroys, or otherwise holds, uses, or discloses unencrypted protected health information (as defined in subsection (h)) shall, in the case of a breach of such information that is discovered by the covered entity, notify each individual whose unencrypted protected health information has been, or is reasonably believed by the covered entity to have been, accessed or acquired as a result of such breach.
(b) Notification of Covered Entity by Business Associate.—A business associate of a covered entity that accesses, maintains, retains, modifies, records, stores, destroys, or otherwise holds, uses, or discloses unencrypted protected health information shall, following the discovery of a breach of such information, notify the covered entity of such breach. Such notice shall include the identification of each individual whose unencrypted protected health information has been, or is reasonably believed to have been, accessed or acquired during such breach.

(c) Breaches Treated as Discovered.—For purposes of this section, a breach shall be treated as discovered by a covered entity or by a business associate as of the first day on which such breach is known to such entity or associate, respectively, (including any person that is an employee, officer, or other agent of such entity or associate, respectively) or should reasonably have been known to such entity or associate (or person) to have occurred.

(d) Timeliness of Notification.—

(1) In General.—All notifications required under this section shall be made without unreasonable delay and in no case later than 60 calendar days after the discovery of a breach by the covered
entity involved (or business associate involved in the
case of a notification required under subsection (b)).

(2) Burden of proof.—The covered entity in-
volved (or business associate involved in the case of
a notification required under subsection (b)), shall
have the burden of demonstrating that all notifica-
tions were made as required under this subtitle, in-
cluding evidence demonstrating the necessity of any
delay.

(e) Methods of notice.—

(1) Individual notice.—Notice required
under this section to be provided to an individual,
with respect to a breach, shall be provided promptly
and in the following form:

(A) Written notification by first-class mail
to the individual (or the next of kin of the indi-
vidual if the individual is deceased) at the last
known address of the individual or the next of
kin, respectively, or, if specified as a preference
by the individual, by electronic mail. The notifi-
cation may be provided in one or more mailings
as information is available.

(B) In the case where there is insufficient,
or out-of-date contact information that pre-
cludes direct written (or, if specified by the in-
individual under subparagraph (A), electronic) notification to the individual, a substitute form of notice shall be provided, including a conspicuous posting on the home page of the Web site of the covered entity involved or notice in major print or broadcast media, including major media in geographic areas where the individuals affected by the breach likely reside. Such a notice in media will include a toll-free phone number where an individual can learn whether or not the individual’s unencrypted protected health information is possibly included in the breach.

(C) In any case deemed by the covered entity involved to require urgency because of possible imminent misuse of unencrypted protected health information, the covered entity, in addition to notice provided under subparagraph (A), may provide information to individuals by telephone or other means, as appropriate.

(2) MEDIA NOTICE.—Notice shall be provided to prominent media outlets serving a State or jurisdiction, following the discovery of a breach described in subsection (a), if the unencrypted protected health information of more than 500 residents of
such State or jurisdiction is, or is reasonably believed to have been, accessed or acquired during such breach.

(3) NOTICE TO SECRETARY.—Notice shall be provided to the Secretary by covered entities of unencrypted protected health information that has been acquired or disclosed in a breach.

(4) POSTING ON HHS PUBLIC WEBSITE.—The Secretary shall make available to the public on the Internet website of the Department of Health and Human Services a list that identifies each covered entity involved in a breach described in subsection (a) in which the unencrypted protected health information of more than 1,000 individuals is acquired or disclosed.

(f) CONTENT OF NOTIFICATION.—Regardless of the method by which notice is provided to individuals under this section, notice of a breach shall include, to the extent possible, the following:

(1) A brief description of what happened, including the date of the breach and the date of the discovery of the breach, if known.

(2) A description of the types of unencrypted protected health information that were involved in the breach (such as full name, Social Security num-
ber, date of birth, home address, account number, or
disability code).

(3) The steps individuals should take to protect
themselves from potential harm resulting from the
breach.

(4) A brief description of what the covered enti-
ty involved is doing to investigate the breach, to
mitigate losses, and to protect against any further
breaches.

(5) Contact procedures for individuals to ask
questions or learn additional information, which
shall include a toll-free telephone number, an e-mail
address, Web site, or postal address.

(g) DELAY OF NOTIFICATION AUTHORIZED FOR LAW
ENFORCEMENT PURPOSES.—If a law enforcement official
determines that a notification, notice, or posting required
under this section would impede a criminal investigation
or cause damage to national security, such notification,
notice, or posting shall be delayed in the same manner
as provided under section 164.528(a)(2) of title 45, Code
of Federal Regulations, in the case of a disclosure covered
under such section.

(h) UNENCRYPTED PROTECTED HEALTH INFORMA-
TION DEFINED.—For purposes of this section, the term
“unencrypted protected health information” means protected health information that is not protected—

(1) through the use of encryption; or

(2) through the use of a technology specified by the Secretary as being at least as effective as encryption for purposes of rendering protected health information indecipherable without authorization.

SEC. 303. EDUCATION ON HEALTH INFORMATION PRIVACY AND REPORT ON COMPLIANCE.

(a) Regional Office Privacy Advisors.—Not later than 6 months after the date of the enactment of this Act, the Secretary shall designate an individual in each regional office of the Department of Health and Human Services to offer guidance and education to covered entities, business associates, and individuals on their rights and responsibilities related to Federal privacy requirements for protected health information.

(b) Report on Compliance.—

(1) In general.—For the first year beginning after the date of the enactment of this Act and annually thereafter, the Secretary shall prepare and submit to Congress a report concerning complaints of alleged violations of the provisions of sections 301 and 302, the provisions of subtitle B, and the provi-
sions of subparts C and E of title 45, Code of Fed-
eral Regulations that are received by the Secretary
during the year for which the report is being pre-
pared. Each such report shall include, with respect
to such complaints received during the year—

(A) the number of such complaints;

(B) the resolution or disposition of such
complaints;

(C) the amount of civil money penalties
imposed with respect to such complaints, as ap-
licable;

(D) the number of compliance reviews con-
ducted and the outcome of each such review;

(E) the number of subpoenas or inquiries
issued; and

(F) the Secretary’s plan for improving
compliance with and enforcement of such provi-
sions for the following year.

(2) Availability to public.—Each report
under paragraph (1) shall be made available to the
public on the Internet website of the Department of
Health and Human Services.

(e) Education initiative on uses of health in-
formation.—
(1) IN GENERAL.—The Office for Civil Rights within the Department of Health and Human Services shall develop and maintain a multi-faceted national education initiative to enhance public transparency regarding the uses of protected health information, including programs to educate individuals about the potential uses of their health information and effects of such uses. Such programs shall be conducted in a variety of languages and present information in a clear and understandable manner.

(2) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to carry out paragraph (1), $10,000,000 for the period of fiscal years 2009 through 2013.

SEC. 311. APPLICATION OF PENALTIES TO BUSINESS ASSOCIATES OF COVERED ENTITIES FOR VIOLATIONS OF PRIVACY CONTRACT REQUIREMENTS.

(a) APPLICATION OF CONTRACT REQUIREMENTS.—In the case of a business associate of a covered entity that obtains or creates protected health information pursuant to a written contract (or other written arrangement) de-
scribed in section 164.502(e)(2) of title 45, Code of Federal Regulations, with such covered entity, the business associate may use and disclose such protected health information only if such use or disclosure, respectively, is in compliance with each applicable requirement of section 164.504(e) of such title.

(b) APPLICATION OF KNOWLEDGE ELEMENTS ASSOCIATED WITH CONTRACTS.—Section 164.504(e)(1)(ii) of title 45, Code of Federal Regulations, shall apply to a business associate described in subsection (a), with respect to compliance with such subsection, in the same manner that such section applies to a covered entity, with respect to compliance with the standards in sections 164.502(e) and 164.504(e) of such title, except that in applying such section 164.504(e)(1)(ii) each reference to the business associate, with respect to a contract, shall be treated as a reference to the covered entity involved in such contract.

(c) APPLICATION OF CIVIL AND CRIMINAL PENALTIES.—In the case of a business associate that violates any provision of subsection (a) or (b), the provisions of sections 1176 and 1177 of the Social Security Act shall apply to the business associate with respect to such violation in the same manner as such provisions apply to a person who violates a provision of part C of title XI of such Act.
SEC. 312. RESTRICTIONS ON CERTAIN DISCLOSURES OF
HEALTH INFORMATION; ACCOUNTING OF
CERTAIN PROTECTED HEALTH INFORMATION

(a) Requested Restrictions on Certain Disclosures of Health Information.—In the case that
an individual requests under paragraph (a)(1)(i)(A) of
section 164.522 of title 45, Code of Federal Regulations,
that a covered entity restrict the disclosure of the pro-
tected health information of the individual, notwith-
standing paragraph (a)(1)(ii) of such section, the covered
disclosure entity must comply with the requested restriction if—

(1) except as otherwise required by law, the dis-
closure is to a health plan for purposes of carrying
out payment or health care operations (and is not
for purposes of carrying out treatment); and

(2) the protected health information pertains
solely to a health care item or service for which the
health care provider involved has been paid out of
pocket in full.

(b) Disclosures Required to Be Limited to
the Limited Data Set or the Minimum Nec-
essary.—

(1) In general.—A covered entity shall be
treated as being in compliance with section
164.502(b)(1) of title 45, Code of Federal Regula-
tions, with respect to the use, disclosure, or request
of protected health information described in such
section, only if the covered entity makes reasonable
efforts to limit such protected health information to
the limited data set (as defined in section
164.514(e)(2) of such title) or, if needed by such en-
tity, to the minimum necessary to accomplish the in-
tended purpose of such use, disclosure, or request,
respectively.

(2) APPLICATION OF EXCEPTIONS.—The excep-
tions described in section 164.502(b)(2) of title 45,
Code of Federal Regulations, shall apply to the re-
quirement under paragraph (1) as of the effective
date described in section 322 in the same manner
that such exceptions apply to section 164.502(b)(1)
of such title before such date.

(c) ACCOUNTING OF CERTAIN PROTECTED HEALTH
INFORMATION DISCLOSURES REQUIRED IF COVERED EN-
TITY USES ELECTRONIC MEDICAL RECORD.—

(1) IN GENERAL.—In the case that a covered
entity uses or maintains an electronic medical record
with respect to protected health information, the ex-
ception under section 164.528(a)(1)(i) of title 45,
Code of Federal Regulations, shall not apply to dis-
closures (other than oral disclosures) made by such
entity of such information.

(2) **Electronic medical record defined.**—
For purposes of paragraph (1), the term “electronic
medical record” means an electronic record of indi-
vidually identifiable health information on an indi-
vidual that is created, gathered, managed, and con-
sulted by authorized clinicians and staff within a
single organization.

(3) **Effective date.**—The provisions of this
subsection shall apply to disclosures made by a cov-
ered entity on or after the date specified under sec-
tion 322.

(d) **Application of consent requirements for certain uses and disclosures by health care providers with electronic medical records.**—

(1) **In general.**—In applying section 164.506
of title 45, Code of Federal Regulations, in the case
of a covered entity that is a health care provider,
with respect to protected health information of an
individual that is used or maintained by such entity
in an electronic medical record (as defined in sub-
section (c)(2)), such covered entity may not use or
disclose such protected health information for pur-
poses of health care operations unless the covered
entity obtains the consent of the individual to disclose such information for such purposes and any such consent shall be revocable by the individual at any time.

(2) EFFECTIVE DATE.—The provisions of this subsection shall apply to disclosures made by a covered entity on or after the date specified under section 322.

SEC. 313. CONDITIONS ON CERTAIN CONTACTS AS PART OF HEALTH CARE OPERATIONS.

(a) IN GENERAL.—A communication by a covered entity or business associate that is about a product or service and that encourages recipients of the communication to purchase or use the product or service shall not be considered a health care operation for purposes of subpart E of part 164 of title 45, Code of Federal Regulations, unless the communication is made as described in subparagraph (i), (ii), or (iii) of paragraph (1) of the definition of marketing in section 164.501 of such title. A covered entity or business associate may not receive direct payment for any such communication made as described in such subparagraph (i), (ii), or (iii).

(b) EFFECTIVE DATE.—Subsection (a) shall apply to contracting occurring on or after the effective date specified under section 322.
SEC. 314. STUDY ON APPLICATION OF PRIVACY AND SECURITY REQUIREMENTS TO VENDORS OF PERSONAL HEALTH RECORDS.

Not later than one year after the date of the enactment of this Act, the Secretary, in consultation with the Federal Trade Commission, shall submit to Congress recommendations—

(1) to identify requirements relating to security, privacy, and notification in the case of a breach of security or privacy (including the applicability of an exemption to notification in the case of protected health information which has been rendered indecipherable through the use of encryption or alternative technologies) that should be applied to vendors of personal health records and to third party service providers that such vendors make available to individuals with personal health records offered or maintained by such vendor, with respect to information in such a record so offered or maintained; and

(2) to determine which Federal government agency is best equipped to enforce such requirements recommended to be applied to such vendors of personal health records and such third party service providers.
SEC. 315. TEMPORARY BREACH NOTIFICATION REQUIREMENT FOR VENDORS OF PERSONAL HEALTH RECORDS.

(a) IN GENERAL.—In accordance with subsection (c), each vendor of personal health records shall, following the discovery of a breach of security of unencrypted individually identifiable health information in such records maintained or offered by such vendor—

(1) notify each individual who is a citizen or resident of the United States whose unencrypted individually identifiable health information was acquired by an unauthorized person as a result of such a breach of security; and

(2) notify the Federal Trade Commission.

(b) NOTIFICATION OF VENDORS OF PERSONAL HEALTH RECORDS BY THIRD PARTY SERVICE PROVIDERS.—A third party service provider that is made available by a vendor of personal health records to individuals with such records maintained or offered by such vendor and that accesses, maintains, retains, modifies, records, stores, destroys, or otherwise holds, uses, or discloses unencrypted individually identifiable health information in such records shall, following the discovery of a breach of security of such information, notify such vendor of such breach. Such notice shall include the identification of each individual whose unencrypted individually
identifiable health information has been, or is reasonably believed to have been, accessed or acquired during such breach.

(c) Application of Requirements for Timeliness, Method, and Content of Notifications.—Subsections (c), (d), (e), and (f) of section 302 shall apply to a notification required under subsection (a) and a vendor of personal health records and a third party service provider described in subsection (b), with respect to a breach of security under subsection (a) of unencrypted individually identifiable health information in such records maintained or offered by such vendor, in the same manner that such subsections apply to a notification required under such section and a covered entity and a business associate of such covered entity, with respect to a breach under such section of unencrypted protected health information held, used, or disclosed by such covered entity.

(d) Notification of the Secretary.—Upon receipt of a notification of a breach of security under subsection (a)(2), the Federal Trade Commission shall notify the Secretary of such breach.

(e) Enforcement.—A violation of subsection (a) or (b) shall be treated as an unfair and deceptive act or practice in violation of a regulation under section 18(a)(1)(B) of the Federal Trade Commission Act (15 U.S.C.
57a(a)(1)(B)) regarding unfair or deceptive acts or prac-
tices.

(f) DEFINITIONS.—For purposes of this section:

(1) Breach of security.—The term “breach
of security” means, with respect to unencrypted in-
dividually identifiable health information of an indi-
vidual in a personal health record, acquisition of
such information without the authorization of the in-
dividual.

(2) Individually identifiable health in-
formation.—The term “individually identifiable
health information” has the meaning given such
term in section 1171(6) of the Social Security Act
(42 U.S.C. 1320d(6)).

(3) Unencrypted individually identifi-
able health information.—The term
“unencrypted individually identifiable health infor-
mation” means individually identifiable health infor-
mation that is not protected—

(A) through the use of encryption; or

(B) through the use of a technology speci-
fied by the Secretary as being at least as effec-
tive as encryption for purposes of rendering in-
dividually identifiable health information indeci-
pherable without authorization.
(g) **EFFECTIVE DATE.**—The provisions of this section shall apply to breaches of security occurring during the 2-year period beginning on the date of the enactment of this Act.

**SEC. 316. BUSINESS ASSOCIATE CONTRACTS REQUIRED FOR CERTAIN ENTITIES.**

Each organization, with respect to a covered entity, that provides data transmission of protected health information to such entity and that requires access on a routine basis to such protected health information, such as a Health Information Exchange, Regional Health Information Organization, or E-prescribing Gateway, is required to enter into a written contract (or other written arrangement) described in section 164.502(e)(2) of title 45, Code of Federal Regulations, with such entity and shall be treated as a business associate of the covered entity for purposes of section 311.

**SEC. 317. GUIDANCE ON IMPLEMENTATION SPECIFICATION TO DE-IDENTIFY PROTECTED HEALTH INFORMATION.**

Not later than 12 months after the date of the enactment of this Act, the Secretary shall, in consultation with stakeholders, issue guidance on how best to implement the requirements for the de-identification of protected health
information under section 164.514(b) of title 45, Code of Federal Regulations.

SEC. 318. GAO REPORT ON TREATMENT DISCLOSURES.

Not later than one year after the date of the enactment of this Act, the Comptroller General of the United States shall submit to Congress a report on the best practices related to the disclosure among health care providers of protected health information of an individual for purposes of treatment of such individual. Such report shall include an examination of the best practices implemented by States and by other entities, such as health information exchanges and regional health information organizations, including an examination of the extent to which such best practices are successful with respect to the quality of the resulting health care provided to the individual and with respect to the ability of the health care provider to manage such best practices.

SEC. 319. CLARIFICATION OF APPLICATION OF WRONGFUL DISCLOSURES CRIMINAL PENALTIES.

Section 1177(a) of the Social Security Act (42 U.S.C. 1320d-6(a)) is amended by adding at the end the following new sentence: “For purposes of the previous sentence, a person (including an employee or other individual) shall be considered to have obtained or disclosed individually identifiable health information in violation of this part if
the information is maintained by a covered entity (as de-
defined in the HIPAA privacy regulation described in section
1180(b)(3)) and the individual obtained or disclosed such
information without authorization.”.

Subtitle C—Relationship to Other
Laws; Clarification; Effective Date

SEC. 321. RELATIONSHIP TO OTHER LAWS.

(a) Application of HIPAA State Preemption.—
Section 1178 of the Social Security Act (42 U.S.C. 1320d-
7) shall apply to a provision or requirement under this
title in the same manner that such section applies to a
provision or requirement under part C of title XI of such
Act or a standard or implementation specification adopted
or established under sections 1172 through 1174 of such
Act.

(b) Health Insurance Portability and Ac-
countability Act.—The standards governing the pri-
vacy and security of individually identifiable health infor-
mation promulgated by the Secretary under sections
262(a) and 264 of the Health Insurance Portability and
Accountability Act of 1996 shall remain in effect to the
extent that they are consistent with this title. The Sec-
cretary shall by rule amend such Federal regulations as re-
quired to make such regulations consistent with this title.
SEC. 322. EFFECTIVE DATE.

The provisions of this title (other than sections 301(c), 303, 314, 315, 317, 318, and 319) shall take effect on the date that is 12 months after the date of the enactment of this Act.
