Subtitle B—Amendments to Internal Revenue Code of 1986

SEC. 111. MINIMUM FUNDING STANDARDS.

(a) NEW MINIMUM FUNDING STANDARDS.—Section 412 of the Internal Revenue Code of 1986 (relating to minimum funding standards) is amended to read as follows:

“SEC. 412. MINIMUM FUNDING STANDARDS.

“(a) REQUIREMENT TO MEET MINIMUM FUNDING STANDARD.—

“(1) IN GENERAL.—A plan to which this section applies shall satisfy the minimum funding standard applicable to the plan for any plan year.

“(2) MINIMUM FUNDING STANDARD.—For purposes of paragraph (1), a plan shall be treated as satisfying the minimum funding standard for a plan year if—

“(A) in the case of a defined benefit plan which is not a multiemployer plan, the employer

...
makes contributions to or under the plan for the plan year which, in the aggregate, are not less than the minimum required contribution determined under section 430 for the plan for the plan year,

“(B) in the case of a money purchase plan which is not a multiemployer plan, the employer makes contributions to or under the plan for the plan year which are required under the terms of the plan, and

“(C) in the case of a multiemployer plan, the employers make contributions to or under the plan for any plan year which, in the aggregate, are sufficient to ensure that the plan does not have an accumulated funding deficiency under section 431 as of the end of the plan year.

“(b) LIABILITY FOR CONTRIBUTIONS.—

“(1) IN GENERAL.—Except as provided in paragraph (2), the amount of any contribution required by this section (including any required installments under paragraphs (3) and (4) of section 430(j)) shall be paid by the employer responsible for making contributions to or under the plan.
(2) Joint and Several Liability Where Employer Member of Controlled Group.—In the case of a defined benefit plan which is not a multiemployer plan, if the employer referred to in paragraph (1) is a member of a controlled group, each member of such group shall be jointly and severally liable for payment of such contributions.

(c) Variance From Minimum Funding Standards.—

(1) Waiver in Case of Business Hardship.—

(A) In general.—If—

(i) an employer is (or in the case of a multiemployer plan, 10 percent or more of the number of employers contributing to or under the plan is) unable to satisfy the minimum funding standard for a plan year without temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan), and

(ii) application of the standard would be adverse to the interests of plan participants in the aggregate,

the Secretary may, subject to subparagraph (C), waive the requirements of subsection (a)
for such year with respect to all or any portion
of the minimum funding standard. The Sec-
retary shall not waive the minimum funding
standard with respect to a plan for more than
3 of any 15 (5 of any 15 in the case of a multi-
employer plan) consecutive plan years.

“(B) EFFECTS OF WAIVER.—If a waiver is
granted under subparagraph (A) for any plan
year—

“(i) in the case of a defined benefit
plan which is not a multiemployer plan,
the minimum required contribution under
section 430 for the plan year shall be re-
duced by the amount of the waived funding
deficiency and such amount shall be amor-
tized as required under section 430(e), and

“(ii) in the case of a multiemployer
plan, the funding standard account shall
be credited under section 431(b)(3)(C)
with the amount of the waived funding de-
ficiency and such amount shall be amor-
tized as required under section
431(b)(2)(C).

“(C) WAIVER OF AMORTIZED PORTION
NOT ALLOWED.—The Secretary may not waive
under subparagraph (A) any portion of the minimum funding standard under subsection (a) for a plan year which is attributable to any waived funding deficiency for any preceding plan year.

“(2) DETERMINATION OF BUSINESS HARDSHIP.—For purposes of this subsection, the factors taken into account in determining temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan) shall include (but shall not be limited to) whether or not—

“(A) the employer is operating at an economic loss,

“(B) there is substantial unemployment or underemployment in the trade or business and in the industry concerned,

“(C) the sales and profits of the industry concerned are depressed or declining, and

“(D) it is reasonable to expect that the plan will be continued only if the waiver is granted.

“(3) WAIVED FUNDING DEFICIENCY.—For purposes of this section and part III of this subchapter, the term ‘waived funding deficiency’ means the por-
tion of the minimum funding standard under subsection (a) (determined without regard to the waiver) for a plan year waived by the Secretary and not satisfied by employer contributions.

“(4) Security for waivers for single-employer plans, consultations.—

“(A) Security may be required.—

“(i) In general.—Except as provided in subparagraph (C), the Secretary may require an employer maintaining a defined benefit plan which is not a multiemployer plan to provide security to such plan as a condition for granting or modifying a waiver under paragraph (1).

“(ii) Special rules.—Any security provided under clause (i) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Corporation, by a contributing sponsor (within the meaning of section 4001(a)(13) of the Employee Retirement Income Security Act of 1974), or a member of such sponsor’s controlled group (within the meaning of section 4001(a)(14) of such Act).
“(B) CONSULTATION WITH THE PENSION BENEFIT GUARANTY CORPORATION.—Except as provided in subparagraph (C), the Secretary shall, before granting or modifying a waiver under this subsection with respect to a plan described in subparagraph (A)(i)—

“(i) provide the Pension Benefit Guaranty Corporation with—

“(I) notice of the completed application for any waiver or modification, and

“(II) an opportunity to comment on such application within 30 days after receipt of such notice, and

“(ii) consider—

“(I) any comments of the Corporation under clause (i)(II), and

“(II) any views of any employee organization (within the meaning of section 3(4) of the Employee Retirement Income Security Act of 1974) representing participants in the plan which are submitted in writing to the Secretary in connection with such application.
Information provided to the Corporation under this subparagraph shall be considered tax return information and subject to the safeguarding and reporting requirements of section 6103(p).

“(C) Exception for certain waivers.—

“(i) In general.—The preceding provisions of this paragraph shall not apply to any plan with respect to which the sum of—

“(I) the aggregate unpaid minimum required contribution (within the meaning of section 4971(c)(4)) for the plan year and all preceding plan years, and

“(II) the present value of all waiver amortization installments determined for the plan year and succeeding plan years under section 430(e)(2),

is less than $1,000,000.

“(ii) Treatment of waivers for which applications are pending.—The amount described in clause (i)(I) shall in-
clude any increase in such amount which
would result if all applications for waivers
of the minimum funding standard under
this subsection which are pending with re-
spect to such plan were denied.

“(5) SPECIAL RULES FOR SINGLE-EMPLOYER
PLANS.—

“(A) APPLICATION MUST BE SUBMITTED
BEFORE DATE 2½ MONTHS AFTER CLOSE OF
YEAR.—In the case of a defined benefit plan
which is not a multiemployer plan, no waiver
may be granted under this subsection with re-
spect to any plan for any plan year unless an
application therefor is submitted to the Sec-
retary not later than the 15th day of the 3rd
month beginning after the close of such plan
year.

“(B) SPECIAL RULE IF EMPLOYER IS MEM-
BER OF CONTROLLED GROUP.—In the case of a
defined benefit plan which is not a multiem-
ployer plan, if an employer is a member of a
controlled group, the temporary substantial
business hardship requirements of paragraph
(1) shall be treated as met only if such require-
ments are met—
“(i) with respect to such employer, and
“(ii) with respect to the controlled group of which such employer is a member (determined by treating all members of such group as a single employer).

The Secretary may provide that an analysis of a trade or business or industry of a member need not be conducted if the Secretary determines such analysis is not necessary because the taking into account of such member would not significantly affect the determination under this paragraph.

“(6) ADVANCE NOTICE.—
“(A) IN GENERAL.—The Secretary shall, before granting a waiver under this subsection, require each applicant to provide evidence satisfactory to the Secretary that the applicant has provided notice of the filing of the application for such waiver to to each affected party (as defined in section 4001(a)(21) of the Employee Retirement Income Security Act of 1974). Such notice shall include a description of the extent to which the plan is funded for benefits which
are guaranteed under title IV and for benefit li-
abilities.

“(B) CONSIDERATION OF RELEVANT IN-
FORMATION.—The Secretary shall consider any
relevant information provided by a person to
whom notice was given under subparagraph
(A).

“(7) RESTRICTION ON PLAN AMENDMENTS.—

“(A) IN GENERAL.—No amendment of a
plan which increases the liabilities of the plan
by reason of any increase in benefits, any
change in the accrual of benefits, or any change
in the rate at which benefits become nonforfeit-
able under the plan shall be adopted if a waiver
under this subsection or an extension of time
under section 431(d) is in effect with respect to
the plan, or if a plan amendment described in
subsection (d)(2) has been made at any time in
the preceding 12 months (24 months in the
case of a multiemployer plan). If a plan is
amended in violation of the preceding sentence,
any such waiver, or extension of time, shall not
apply to any plan year ending on or after the
date on which such amendment is adopted.
“(B) EXCEPTION.—Paragraph (1) shall not apply to any plan amendment which—

“(i) the Secretary determines to be reasonable and which provides for only de minimis increases in the liabilities of the plan,

“(ii) only repeals an amendment described in subsection (d)(2), or

“(iii) is required as a condition of qualification under part I of subchapter D, of chapter 1.

“(d) MISCELLANEOUS RULES.—

“(1) CHANGE IN METHOD OR YEAR.—If the funding method, the valuation date, or a plan year for a plan is changed, the change shall take effect only if approved by the Secretary.

“(2) CERTAIN RETROACTIVE PLAN AMENDMENTS.—For purposes of this section, any amendment applying to a plan year which—

“(A) is adopted after the close of such plan year but no later than 2 1⁄2 months after the close of the plan year (or, in the case of a multiemployer plan, no later than 2 years after the close of such plan year),
“(B) does not reduce the accrued benefit of any participant determined as of the beginning of the first plan year to which the amendment applies, and

“(C) does not reduce the accrued benefit of any participant determined as of the time of adoption except to the extent required by the circumstances,

shall, at the election of the plan administrator, be deemed to have been made on the first day of such plan year. No amendment described in this paragraph which reduces the accrued benefits of any participant shall take effect unless the plan administrator files a notice with the Secretary notifying him of such amendment and the Secretary has approved such amendment, or within 90 days after the date on which such notice was filed, failed to disapprove such amendment. No amendment described in this subsection shall be approved by the Secretary unless the Secretary determines that such amendment is necessary because of a substantial business hardship (as determined under subsection (c)(2)) and that a waiver under subsection (e) (or, in the case of a multiemployer plan, any extension of the amortiza-
tion period under section 431(d) is unavailable or inadequate.

“(3) CONTROLLED GROUP.—For purposes of this section, the term ‘controlled group’ means any group treated as a single employer under subsection (b), (c), (m), or (o) of section 414.

“(e) PLANS TO WHICH SECTION APPLIES.—

“(1) IN GENERAL.—Except as provided in paragraph (2), this section applies to a plan if, for any plan year beginning after December 31, 2006—

“(A) such plan included a trust which qualified (or was determined by the Secretary to have qualified) under section 401(a), or

“(B) such plan satisfied (or was determined by the Secretary to have satisfied) the requirements of section 403(a).

“(2) EXCEPTIONS.—This section shall not apply to—

“(A) any profit-sharing or stock bonus plan,

“(B) any insurance contract plan described in paragraph (3),

“(C) any governmental plan (within the meaning of section 414(d)),

“(D) any church plan (within the meaning of section 414(e)) with respect to which the election provided by section 410(d) has not been made,

“(E) any plan which has not, at any time after September 2, 1974, provided for employer contributions, or

“(F) any plan established and maintained by a society, order, or association described in section 501(c)(8) or (9), if no part of the contributions to or under such plan are made by employers of participants in such plan.

No plan described in subparagraph (C), (D), or (F) shall be treated as a qualified plan for purposes of section 401(a) unless such plan meets the requirements of section 401(a)(7) as in effect on September 1, 1974.

“(3) CERTAIN INSURANCE CONTRACT PLANS.—A plan is described in this paragraph if—

“(A) the plan is funded exclusively by the purchase of individual insurance contracts,

“(B) such contracts provide for level annual premium payments to be paid extending not later than the retirement age for each individual participating in the plan, and com-
mencing with the date the individual became a participant in the plan (or, in the case of an increase in benefits, commencing at the time such increase becomes effective),

“(C) benefits provided by the plan are equal to the benefits provided under each contract at normal retirement age under the plan and are guaranteed by an insurance carrier (licensed under the laws of a State to do business with the plan) to the extent premiums have been paid,

“(D) premiums payable for the plan year, and all prior plan years, under such contracts have been paid before lapse or there is reinstatement of the policy,

“(E) no rights under such contracts have been subject to a security interest at any time during the plan year, and

“(F) no policy loans are outstanding at any time during the plan year.

A plan funded exclusively by the purchase of group insurance contracts which is determined under regulations prescribed by the Secretary to have the same characteristics as contracts described in the pre-
ceding sentence shall be treated as a plan described
in this paragraph.”.

(b) Effective Date.—The amendments made by
this section shall apply to plan years beginning after De-

SEC. 112. FUNDING RULES FOR SINGLE-EMPLOYER DE-
FINED BENEFIT PENSION PLANS.

(a) In General.—Subchapter D of chapter 1 of the
Internal Revenue Code of 1986 (relating to deferred com-
pensation, etc.) is amended by adding at the end the fol-
lowing new part:

“PART III—MINIMUM FUNDING STANDARDS FOR
SINGLE-EMPLOYER DEFINED BENEFIT PENSION
PLANS

“SEC. 430. MINIMUM FUNDING STANDARDS FOR SINGLE-
EMPLOYER DEFINED BENEFIT PENSION
PLANS.

“(a) Minimum Required Contribution.—For
purposes of this section and section 412(a)(2)(A), except
as provided in subsection (f), the term ‘minimum required
contribution’ means, with respect to any plan year of a
defined benefit plan which is not a multiemployer plan—
“(1) in any case in which the value of plan as-
sets of the plan (as reduced under subsection
(f)(4)(B)) is less than the funding target of the plan for the plan year, the sum of—

“(A) the target normal cost of the plan for the plan year,

“(B) the shortfall amortization charge (if any) for the plan for the plan year determined under subsection (c), and

“(C) the waiver amortization charge (if any) for the plan for the plan year as determined under subsection (e);

“(2) in any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) exceeds the funding target of the plan for the plan year, the target normal cost of the plan for the plan year reduced by such excess; or

“(3) in any other case, the target normal cost of the plan for the plan year.

“(b) TARGET NORMAL COST.—For purposes of this section, except as provided in subsection (i)(2) with respect to plans in at-risk status, the term ‘target normal cost’ means, for any plan year, the present value of all benefits which are expected to accrue or to be earned under the plan during the plan year. For purposes of this subsection, if any benefit attributable to services performed in a preceding plan year is increased by reason
of any increase in compensation during the current plan year, the increase in such benefit shall be treated as having accrued during the current plan year.

“(c) Shortfall Amortization Charge.—

“(1) In General.—For purposes of this section, the shortfall amortization charge for a plan for any plan year is the aggregate total of the shortfall amortization installments for such plan year with respect to the shortfall amortization bases for such plan year and each of the 6 preceding plan years.

“(2) Shortfall Amortization Installment.—The plan sponsor shall determine, with respect to the shortfall amortization base of the plan for any plan year, the amounts necessary to amortize such shortfall amortization base, in level annual installments over a period of 7 plan years beginning with such plan year. For purposes of paragraph (1), the annual installment of such amortization for each plan year in such 7-plan-year period is the shortfall amortization installment for such plan year with respect to such shortfall amortization base. In determining any shortfall amortization installment under this paragraph, the plan sponsor shall use the segment rates determined under subparagraph (C) of
subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

“(3) SHORTFALL AMORTIZATION BASE.—For purposes of this section, the shortfall amortization base of a plan for a plan year is the excess (if any) of—

“(A) the funding shortfall of such plan for such plan year, over

“(B) the sum of—

“(i) the present value (determined using the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2)) of the aggregate total of the shortfall amortization installments, for such plan year and the 5 succeeding plan years, which have been determined with respect to the shortfall amortization bases of the plan for each of the 6 plan years preceding such plan year, and

“(ii) the present value (as so determined) of the aggregate total of the waiver amortization installments for such plan year and the 5 succeeding plan years,
which have been determined with respect
to the waiver amortization bases of the
plan for each of the 5 plan years preceding
such plan year.

In any case in which the value of plan assets
of the plan (as reduced under subsection
(f)(4)(A)) is equal to or greater than the fund-
ing target of the plan for the plan year, the
shortfall amortization base of the plan for such
plan year shall be zero.

“(4) FUNDING SHORTFALL.—

“(A) IN GENERAL.—For purposes of this
section, except as provided in subparagraph
(B), the funding shortfall of a plan for any plan
year is the excess (if any) of—

“(i) the funding target of the plan for
the plan year, over

“(ii) the value of plan assets of the
plan (as reduced under subsection
(f)(4)(B)) for the plan year which are held
by the plan on the valuation date.

“(B) TRANSITION RULE.—

“(i) IN GENERAL.—For purposes of
paragraph (3), in the case of a non-deficit
reduction plan, subparagraph (A) shall be
applied to plan years beginning after 2006 and before 2011 by substituting for the amount described in subparagraph (A)(i) the applicable percentage of the funding target of the plan for the plan year determined under the following table:

<table>
<thead>
<tr>
<th>Calendar Year</th>
<th>Applicable Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>2007</td>
<td>92 percent</td>
</tr>
<tr>
<td>2008</td>
<td>94 percent</td>
</tr>
<tr>
<td>2009</td>
<td>96 percent</td>
</tr>
<tr>
<td>2010</td>
<td>98 percent</td>
</tr>
</tbody>
</table>

(ii) NON-DEFICIT REDUCTION PLAN.—For purposes of clause (i), the term ‘non-deficit reduction plan’ means any plan—

‘‘(I) to which section 412 (as in effect on the day before the date of the enactment of the Pension Protection Act of 2005) applied for the plan year beginning in 2006, and

‘‘(II) to which subsection (l) of such section (as so in effect) did not apply for such plan year.

(5) EARLY DEEMED AMORTIZATION UPON ATTAINMENT OF FUNDING TARGET.—In any case in which the funding shortfall of a plan for a plan year
is zero, for purposes of determining the shortfall amortization charge for such plan year and succeeding plan years, the shortfall amortization bases for all preceding plan years (and all shortfall amortization installments determined with respect to such bases) shall be reduced to zero.

“(d) RULES RELATING TO FUNDING TARGET.—For purposes of this section—

“(1) FUNDING TARGET.—Except as provided in subsection (i)(1) with respect to plans in at-risk status, the funding target of a plan for a plan year is the present value of all liabilities to participants and their beneficiaries under the plan for the plan year.

“(2) FUNDING TARGET ATTAINMENT PERCENTAGE.—The ‘funding target attainment percentage’ of a plan for a plan year is the ratio (expressed as a percentage) which—

“(A) the value of plan assets for the plan year (as reduced under subsection (f)(4)(B)), bears to

“(B) the funding target of the plan for the plan year (determined without regard to subsection (i)(1)).

“(e) WAIVER AMORTIZATION CHARGE.—
“(1) Determination of waiver amortization charge.—The waiver amortization charge (if any) for a plan for any plan year is the aggregate total of the waiver amortization installments for such plan year with respect to the waiver amortization bases for each of the 5 preceding plan years.

“(2) Waiver amortization installment.—

The plan sponsor shall determine, with respect to the waiver amortization base of the plan for any plan year, the amounts necessary to amortize such waiver amortization base, in level annual installments over a period of 5 plan years beginning with the succeeding plan year. For purposes of paragraph (1), the annual installment of such amortization for each plan year in such 5-plan year period is the waiver amortization installment for such plan year with respect to such waiver amortization base.

“(3) Interest rate.—In determining any waiver amortization installment under this subsection, the plan sponsor shall use the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

“(4) Waiver amortization base.—The waiver amortization base of a plan for a plan year is the
amount of the waived funding deficiency (if any) for such plan year under section 412(e).

“(5) Early deemed amortization upon attainment of funding target.—In any case in which the funding shortfall of a plan for a plan year is zero, for purposes of determining the waiver amortization charge for such plan year and succeeding plan years, the waiver amortization base for all preceding plan years shall be reduced to zero.

“(f) Reduction of minimum required contribution by pre-funding balance and funding standard carryover balance.—

“(1) Election to maintain balances.—

“(A) Pre-funding balance.—The plan sponsor of a defined benefit plan which is not a multiemployer plan may elect to maintain a pre-funding balance.

“(B) Funding standard carryover balance.—

“(i) In general.—In the case of a defined benefit plan (other than a multiemployer plan) described in clause (ii), the plan sponsor may elect to maintain a funding standard carryover balance, until such balance is reduced to zero.
“(ii) Plans maintaining funding standard account in 2006.—A plan is described in this clause if the plan—

“(I) was in effect for a plan year beginning in 2006, and

“(II) had a positive balance in the funding standard account under section 412(b) as in effect for such plan year and determined as of the end of such plan year.

“(2) Application of balances.—A pre-funding balance and a funding standard carryover balance maintained pursuant to this paragraph—

“(A) shall be available for crediting against the minimum required contribution, pursuant to an election under paragraph (3),

“(B) shall be applied as a reduction in the amount treated as the value of plan assets for purposes of this section, to the extent provided in paragraph (4), and

“(C) may be reduced at any time, pursuant to an election under paragraph (5).

“(3) Election to apply balances against minimum required contribution.—
“(A) IN GENERAL.—Except as provided in
subparagraphs (B) and (C), in the case of any
plan year in which the plan sponsor elects to
credit against the minimum required contribu-
tion for the current plan year all or a portion
of the pre-funding balance or the funding
standard carryover balance for the current plan
year (not in excess of such minimum required
contribution), the minimum required contribu-
tion for the plan year shall be reduced by the
amount so credited by the plan sponsor. For
purposes of the preceding sentence, the min-
imum required contribution shall be determined
after taking into account any waiver under sec-
section 412(c).

“(B) COORDINATION WITH FUNDING
STANDARD CARRYOVER BALANCE.—To the ex-
tent that any plan has a funding standard car-
ryover balance greater than zero, no amount of
the pre-funding balance of such plan may be
credited under this paragraph in reducing the
minimum required contribution.

“(C) LIMITATION FOR UNDERFUNDED
PLANS.—The preceding provisions of this para-
31

...graph shall not apply for any plan year if the ratio (expressed as a percentage) which—

“(i) the value of plan assets for the preceding plan year (as reduced under paragraph (4)(C)), bears to

“(ii) the funding target of the plan for the preceding plan year (determined without regard to subsection (i)(1)),

is less than 80 percent.

“(4) EFFECT OF BALANCES ON AMOUNTS TREATED AS VALUE OF PLAN ASSETS.—In the case of any plan maintaining a pre-funding balance or a funding standard carryover balance pursuant to this subsection, the amount treated as the value of plan assets shall be deemed to be such amount, reduced as provided in the following subparagraphs:

“(A) APPLICABILITY OF SHORTFALL AMORTIZATION BASE.—For purposes of subsection (c)(3), the value of plan assets is deemed to be such amount, reduced by the amount of the pre-funding balance, but only if an election under paragraph (2) applying any portion of the pre-funding balance in reducing the minimum required contribution is in effect for the plan year.
“(B) Determination of excess assets, funding shortfall, and funding target attainment percentage.—For purposes of subsections (a), (c)(4)(A)(ii), and (d)(2)(A), the value of plan assets is deemed to be such amount, reduced by the amount of the pre-funding balance and the funding standard carryover balance.

“(C) Availability of balances in plan year for crediting against minimum required contribution.—For purposes of paragraph (3)(C)(i) of this subsection, the value of plan assets is deemed to be such amount, reduced by the amount of the pre-funding balance.

“(5) Election to reduce balance prior to determinations of value of plan assets and crediting against minimum required contribution.—

“(A) In general.—The plan sponsor may elect to reduce by any amount the balance of the pre-funding balance and the funding standard carryover balance for any plan year (but not below zero). Such reduction shall be effective prior to any determination of the value of
plan assets for such plan year under this section and application of the balance in reducing the minimum required contribution for such plan for such plan year pursuant to an election under paragraph (2).

“(B) COORDINATION BETWEEN PRE-FUNDING BALANCE AND FUNDING STANDARD CARRY-OVER BALANCE.—To the extent that any plan has a funding standard carryover balance greater than zero, no election may be made under subparagraph (A) with respect to the pre-funding balance.

“(6) PRE-FUNDING BALANCE.—

“(A) IN GENERAL.—A pre-funding balance maintained by a plan shall consist of a beginning balance of zero, increased and decreased to the extent provided in subparagraphs (B) and (C), and adjusted further as provided in paragraph (8).

“(B) INCREASES.—As of the valuation date for each plan year beginning after 2007, the pre-funding balance of a plan shall be increased by the amount elected by the plan sponsor for the plan year. Such amount shall not exceed the excess (if any) of—
“(i) the aggregate total of employer contributions to the plan for the preceding plan year, over

“(ii) the minimum required contribution for such preceding plan year (increased by interest on any portion of such minimum required contribution remaining unpaid as of the valuation date for the current plan year, at the effective interest rate for the plan for the preceding plan year, for the period beginning with the first day of such preceding plan year and ending on the date that payment of such portion is made).

“(C) DECREASES.—As of the valuation date for each plan year after 2007, the prefunding balance of a plan shall be decreased (but not below zero) by the sum of—

“(i) the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

“(ii) any reduction in such balance elected under paragraph (5).
“(7) **FUNDING STANDARD CARRYOVER BALANCE.**—

“(A) **IN GENERAL.**—A funding standard carryover balance maintained by a plan shall consist of a beginning balance determined under subparagraph (B), decreased to the extent provided in subparagraph (C), and adjusted further as provided in paragraph (8).

“(B) **BEGINNING BALANCE.**—The beginning balance of the funding standard carryover balance shall be the positive balance described in paragraph (1)(B)(ii)(II).

“(C) **DECREASES.**—As of the valuation date for each plan year after 2007, the funding standard carryover balance of a plan shall be decreased (but not below zero) by the sum of—

“(i) the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

“(ii) any reduction in such balance elected under paragraph (5).

“(8) **ADJUSTMENTS TO BALANCES.**—In determining the pre-funding balance or the funding standard carryover balance of a plan as of the valu-
ation date (before applying any increase or decrease under paragraph (6) or (7)), the plan sponsor shall, in accordance with regulations which shall be pre-
scribed by the Secretary, adjust such balance so as to reflect the rate of net gain or loss (determined, notwithstanding subsection (g)(3), on the basis of fair market value) experienced by all plan assets for the period beginning with the valuation date for the preceding plan year and ending with the date pre-
ceeding the valuation date for the current plan year, properly taking into account, in accordance with such regulations, all contributions, distributions, and other plan payments made during such period.

“(9) ELECTIONS.—Elections under this sub-
section shall be made at such times, and in such form and manner, as shall be prescribed in regula-
tions of the Secretary.

“(g) VALUATION OF PLAN ASSETS AND LIABIL-
ITIES.—

“(1) TIMING OF DETERMINATIONS.—Except as otherwise provided under this subsection, all deter-
minations under this section for a plan year shall be made as of the valuation date of the plan for such plan year.
“(2) Valuation Date.—For purposes of this section—

“(A) In General.—Except as provided in subparagraph (B), the valuation date of a plan for any plan year shall be the first day of the plan year.

“(B) Exception for Small Plans.—If, on each day during the preceding plan year, a plan had 500 or fewer participants, the plan may designate any day during the plan year as its valuation date for such plan year and succeeding plan years. For purposes of this subparagraph, all defined benefit plans (other than multiemployer plans) maintained by the same employer (or any member of such employer’s controlled group) shall be treated as 1 plan, but only participants with respect to such employer or member shall be taken into account.

“(C) Application of Certain Rules in Determination of Plan Size.—For purposes of this paragraph—

“(i) Plans Not in Existence in Preceding Year.—In the case of the first plan year of any plan, subparagraph (B) shall apply to such plan by taking into ac-
count the number of participants that the
plan is reasonably expected to have on
days during such first plan year.

“(ii) PREDECESSORS.—Any reference
in subparagraph (B) to an employer shall
include a reference to any predecessor of
such employer.

“(3) AUTHORIZATION OF USE OF ACTUARIAL
VALUE.—For purposes of this section, the value of
plan assets shall be determined on the basis of any
reasonable actuarial method of valuation which takes
into account fair market value and which is per-
mitted under regulations prescribed by the Sec-
retary, except that—

“(A) any such method providing for aver-
ing of fair market values may not provide for
averaging of such values over more than the 3
most recent plan years (including the current
plan year), and

“(B) any such method may not result in a
determination of the value of plan assets which,
at any time, is lower than 90 percent or greater
than 110 percent of the fair market value of
such assets at such time.
“(4) ACCOUNTING FOR CONTRIBUTION RECEIPTS.—For purposes of this section—

“(A) CONTRIBUTIONS FOR PRIOR PLAN YEARS TAKEN INTO ACCOUNT.—For purposes of determining the value of plan assets for any current plan year, in any case in which a contribution properly allocable to amounts owed for a preceding plan year is made on or after the valuation date of the plan for such current plan year, such contribution shall be taken into account, except that any such contribution made during any such current plan year beginning after 2007 shall be taken into account only in an amount equal to its present value (determined using the effective rate of interest for the plan for the preceding plan year) as of the valuation date of the plan for such current plan year.

“(B) CONTRIBUTIONS FOR CURRENT PLAN YEAR DISREGARDED.—For purposes of determining the value of plan assets for any current plan year, contributions which are properly allocable to amounts owed for such plan year shall not be taken into account, and, in the case of any such contribution made before the valuation
date of the plan for such plan year, such value
of plan assets shall be reduced for interest on
such amount determined using the effective rate
of interest of the plan for the current plan year
for the period beginning when such payment
was made and ending on the valuation date of
the plan.

“(5) ACCOUNTING FOR PLAN LIABILITIES.—

For purposes of this section—

“(A) LIABILITIES TAKEN INTO ACCOUNT
FOR CURRENT PLAN YEAR.—In determining the
value of liabilities under a plan for a plan year,
liabilities shall be taken into account to the ex-
tent attributable to benefits (including any early
retirement or similar benefit) accrued or earned
as of the beginning of the plan year.

“(B) ACCRUALS DURING CURRENT PLAN
YEAR DISREGARDED.—For purposes of sub-
paragraph (A), benefits accrued or earned dur-
ing such plan year shall not be taken into ac-
count, irrespective of whether the valuation date
of the plan for such plan year is later than the
first day of such plan year.

“(h) ACTUARIAL ASSUMPTIONS AND METHODS.—
“(1) IN GENERAL.—Subject to this subsection, the determination of any present value or other computation under this section shall be made on the basis of actuarial assumptions and methods—

“(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and

“(B) which, in combination, offer the actuary’s best estimate of anticipated experience under the plan.

“(2) INTEREST RATES.—

“(A) EFFECTIVE INTEREST RATE.—For purposes of this section, the term ‘effective interest rate’ means, with respect to any plan for any plan year, the single rate of interest which, if used to determine the present value of the plan’s liabilities referred to in subsection (d)(1), would result in an amount equal to the funding target of the plan for such plan year.

“(B) INTEREST RATES FOR DETERMINING FUNDING TARGET.—For purposes of determining the funding target of a plan for any plan year, the interest rate used in determining the present value of the liabilities of the plan shall be—
“(i) in the case of liabilities reasonably determined to be payable during the 5-year period beginning on the first day of the plan year, the first segment rate with respect to the applicable month,

“(ii) in the case of liabilities reasonably determined to be payable during the 15-year period beginning at the end of the period described in clause (i), the second segment rate with respect to the applicable month, and

“(iii) in the case of liabilities reasonably determined to be payable after the period described in clause (ii), the third segment rate with respect to the applicable month.

“(C) SEGMENT RATES.—For purposes of this paragraph—

“(i) FIRST SEGMENT RATE.—The term ‘first segment rate’ means, with respect to any month, the single rate of interest which shall be determined by the Secretary for such month on the basis of the corporate bond yield curve for such month, taking into account only that por-
tion of such yield curve which is based on bonds maturing during the 5-year period commencing with such month.

“(ii) SECOND SEGMENT RATE.—The term ‘second segment rate’ means, with respect to any month, the single rate of interest which shall be determined by the Secretary for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 15-year period beginning at the end of the period described in clause (i).

“(iii) THIRD SEGMENT RATE.—The term ‘third segment rate’ means, with respect to any month, the single rate of interest which shall be determined by the Secretary for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during periods beginning after the period described in clause (ii).
“(D) CORPORATE BOND YIELD CURVE.—

For purposes of this paragraph—

“(i) IN GENERAL.—The term ‘corporate bond yield curve’ means, with respect to any month, a yield curve which is prescribed by the Secretary for such month and which reflects a 3-year weighted average of yields on investment grade corporate bonds with varying maturities.

“(ii) 3-YEAR WEIGHTED AVERAGE.—

The term ‘3-year weighted average’ means an average determined by using a methodology under which the most recent year is weighted 50 percent, the year preceding such year is weighted 35 percent, and the second year preceding such year is weighted 15 percent.

“(E) APPLICABLE MONTH.—For purposes of this paragraph, the term ‘applicable month’ means, with respect to any plan for any plan year, the month which includes the valuation date of such plan for such plan year or, at the election of the plan sponsor, any of the 4 months which precede such month. Any election made under this subparagraph shall apply to
the plan year for which the election is made and
all succeeding plan years, unless the election is
revoked with the consent of the Secretary.

“(F) PUBLICATION REQUIREMENTS.—The
Secretary shall publish for each month the cor-
porate bond yield curve (and the corporate bond
yield curve reflecting the modification described
in section 417(e)(3)(A)(iv)(I)) for such month
and each of the rates determined under sub-
paragraph (B) for such month. The Secretary
shall also publish a description of the method-
ology used to determine such yield curve and
such rates which is sufficiently detailed to en-
able plans to make reasonable projections re-
garding the yield curve and such rates for fu-
ture months based on the plan’s projection of
future interest rates.

“(G) TRANSITION RULE.—

“(i) IN GENERAL.—Notwithstanding
the preceding provisions of this paragraph,
for plan years beginning in 2007 or 2008,
the first, second, or third segment rate for
a plan with respect to any month shall be
equal to the sum of—
“(I) the product of such rate for such month determined without regard to this subparagraph, multiplied by the applicable percentage, and

“(II) the product of the rate determined under the rules of section 412(b)(5)(B)(ii)(II) (as in effect for plan years beginning in 2006), multiplied by a percentage equal to 100 percent minus the applicable percentage.

“(ii) Applicable Percentage.—For purposes of clause (i), the applicable percentage is 33 1/3 percent for plan years beginning in 2007 and 66 2/3 percent for plan years beginning in 2008.

“(iii) New Plans Ineligible.—Clause (i) shall not apply to any plan if the first plan year of the plan begins after December 31, 2006.

“(3) Mortality Table.—

“(A) In General.—Except as provided in subparagraph (C), the mortality table used in determining any present value or making any computation under this section shall be the
RP–2000 Combined Mortality Table, using Scale AA, as published by the Society of Actuaries, as in effect on the date of the enactment of the Pension Protection Act of 2005 and as revised from time to time under subparagraph (B).

“(B) PERIODIC REVISION.—The Secretary shall (at least every 10 years) make revisions in any table in effect under subparagraph (A) to reflect the actual experience of pension plans and projected trends in such experience.

“(C) SUBSTITUTE MORTALITY TABLE.—

“(i) IN GENERAL.—Upon request by the plan sponsor and approval by the Secretary for a period not to exceed 10 years, a mortality table which meets the requirements of clause (ii) shall be used in determining any present value or making any computation under this section. A mortality table described in this clause shall cease to be in effect if the plan actuary determines at any time that such table does not meet the requirements of subclauses (I) and (II) of clause (ii).
“(ii) **Requirements.**—A mortality table meets the requirements of this clause if the Secretary determines that—

“(I) such table reflects the actual experience of the pension plan and projected trends in such experience, and

“(II) such table is significantly different from the table described in subparagraph (A).

“(iii) **Deadline for Disposition of Application.**—Any mortality table submitted to the Secretary for approval under this subparagraph shall be treated as in effect for the succeeding plan year unless the Secretary, during the 180-day period beginning on the date of such submission, disapproves of such table and provides the reasons that such table fails to meet the requirements of clause (ii).

“(D) **Transition Rule.**—Under regulations of the Secretary, any difference in assumptions as set forth in the mortality table specified in subparagraph (A) and assumptions as set forth in the mortality table described in
section 412(l)(7)(C)(ii) (as in effect for plan years beginning in 2006) shall be phased in rat-
ably over the first period of 5 plan years begin-
ning in or after 2007 so as to be fully effective for the fifth plan year. The preceding sentence shall not apply to any plan if the first plan year of the plan begins after December 31, 2006.

“(4) Probability of benefit payments in the form of lump sums or other optional forms.—For purposes of determining any present value or making any computation under this section, there shall be taken into account—

“(A) the probability that future benefit payments under the plan will be made in the form of optional forms of benefits provided under the plan (including lump sum distributions, determined on the basis of the plan’s experience and other related assumptions), and

“(B) any difference in the present value of such future benefit payments resulting from the use of actuarial assumptions, in determining benefit payments in any such optional form of benefits, which are different from those speci-

fied in this subsection.
“(5) APPROVAL OF LARGE CHANGES IN ACTUARIAL ASSUMPTIONS.—

“(A) IN GENERAL.—No actuarial assumption used to determine the funding target for a plan to which this paragraph applies may be changed without the approval of the Secretary.

“(B) PLANS TO WHICH PARAGRAPH APPLIES.—This paragraph shall apply to a plan only if—

“(i) the plan is a defined benefit plan (other than a multiemployer plan) to which title IV of the Employee Retirement Income Security Act of 1974 applies,

“(ii) the aggregate unfunded vested benefits as of the close of the preceding plan year (as determined under section 4006(a)(3)(E)(iii) of the Employee Retirement Income Security Act of 1974) of such plan and all other plans maintained by the contributing sponsors (as defined in section 4001(a)(13) of such Act) and members of such sponsors’ controlled groups (as defined in section 4001(a)(14) of such Act) which are covered by title IV (dis-
regarding plans with no unfunded vested benefits) exceed $50,000,000, and

“(iii) the change in assumptions (determined after taking into account any changes in interest rate and mortality table) results in a decrease in the funding shortfall of the plan for the current plan year that exceeds $50,000,000, or that exceeds $5,000,000 and that is 5 percent or more of the funding target of the plan before such change.

“(i) SPECIAL RULES FOR AT-RISK PLANS.—

“(1) FUNDING TARGET FOR PLANS IN AT-RISK STATUS.—

“(A) IN GENERAL.—In any case in which a plan is in at-risk status for a plan year, the funding target of the plan for the plan year is the sum of—

“(i) the present value of all liabilities to participants and their beneficiaries under the plan for the plan year, as determined by using, in addition to the actuarial assumptions described in subsection (g), the supplemental actuarial assumptions described in subparagraph (B), plus
“(ii) a loading factor determined under subparagraph (C).

“(B) Supplemental actuarial assumptions.—The actuarial assumptions used in determining the valuation of the funding target shall include, in addition to the actuarial assumptions described in subsection (h), an assumption that all participants will elect benefits at such times and in such forms as will result in the highest present value of liabilities under subparagraph (A)(i).

“(C) Loading factor.—The loading factor applied with respect to a plan under this paragraph for any plan year is the sum of—

“(i) $700, times the number of participants in the plan, plus

“(ii) 4 percent of the funding target (determined without regard to this paragraph) of the plan for the plan year.

“(2) Target normal cost of at-risk plans.—In any case in which a plan is in at-risk status for a plan year, the target normal cost of the plan for such plan year shall be the sum of—

“(A) the present value of all benefits which are expected to accrue or be earned under the
plan during the plan year, determined under
the actuarial assumptions used under para-
graph (1), plus

“(B) the loading factor under paragraph
(1)(C), excluding the portion of the loading fac-
tor described in paragraph (1)(C)(i).

“(3) Determination of at-risk status.—
For purposes of this subsection, a plan is in ‘at-risk
status’ for a plan year if the funding target attain-
ment percentage of the plan for the preceding plan
year was less than 60 percent.

“(4) Transition between applicable fund-
ing targets and between applicable target
normal costs.—

“(A) In general.—In any case in which
a plan which is in at-risk status for a plan year
has been in such status for a consecutive period
of fewer than 5 plan years, the applicable
amount of the funding target and of the target
normal cost shall be, in lieu of the amount de-
termined without regard to this paragraph, the
sum of—

“(i) the amount determined under this
section without regard to this subsection,
plus
“(ii) the transition percentage for such plan year of the excess of the amount determined under this subsection (without regard to this paragraph) over the amount determined under this section without regard to this subsection.

“(B) Transition Percentage.—For purposes of this paragraph, the ‘transition percentage’ for a plan year is the product derived by multiplying—

“(i) 20 percent, by

“(ii) the number of plan years during the period described in subparagraph (A).

“(j) Payment of Minimum Required Contributions.—

“(1) In General.—For purposes of this section, the due date for any payment of any minimum required contribution for any plan year shall be 8½ months after the close of the plan year.

“(2) Interest.—Any payment required under paragraph (1) for a plan year that is made on a date other than the valuation date for such plan year shall be adjusted for interest accruing for the period between the valuation date and the payment date, at
the effective rate of interest for the plan for such plan year.

“(3) ACCELERATED QUARTERLY CONTRIBUTION SCHEDULE FOR UNDERFUNDED PLANS.—

“(A) INTEREST PENALTY FOR FAILURE TO MEET ACCELERATED QUARTERLY PAYMENT SCHEDULE.—In any case in which the plan has a funding shortfall for the preceding plan year, if the required installment is not paid in full, then the minimum required contribution for the plan year (as increased under paragraph (2)) shall be further increased by an amount equal to the interest on the amount of the underpayment for the period of the underpayment, using an interest rate equal to the excess of—

“(i) 175 percent of the Federal mid-term rate (as in effect under section 1274 for the 1st month of such plan year), over

“(ii) the effective rate of interest for the plan for the plan year.

“(B) AMOUNT OF UNDERPAYMENT, PERIOD OF UNDERPAYMENT.—For purposes of subparagraph (A)—

“(i) AMOUNT.—The amount of the underpayment shall be the excess of—
“(I) the required installment,

over

“(II) the amount (if any) of the

installment contributed to or under

the plan on or before the due date for

the installment.

“(ii) Period of Underpayment.—

The period for which any interest is

charged under this paragraph with respect

to any portion of the underpayment shall

run from the due date for the installment
to the date on which such portion is con-

tributed to or under the plan.

“(iii) Order of Crediting Con-

tributions.—For purposes of clause

(i)(II), contributions shall be credited

against unpaid required installments in the

order in which such installments are re-

quired to be paid.

“(C) Number of Required Install-

ments; Due Dates.—For purposes of this

paragraph—

“(i) Payable in 4 Installments.—

There shall be 4 required installments for
each plan year.
“(ii) Time for payment of installments.—The due dates for required installments are set forth in the following table:

<table>
<thead>
<tr>
<th>The due date is:</th>
<th>In the case of the following required installment:</th>
</tr>
</thead>
<tbody>
<tr>
<td>April 15</td>
<td>1st .....................................................................</td>
</tr>
<tr>
<td>July 15</td>
<td>2nd .....................................................................</td>
</tr>
<tr>
<td>October 15</td>
<td>3rd .....................................................................</td>
</tr>
<tr>
<td>January 15 of the following year</td>
<td>4th .....................................................................</td>
</tr>
</tbody>
</table>

“(D) Amount of required installment.—For purposes of this paragraph—

“(i) In general.—The amount of any required installment shall be 25 percent of the required annual payment.

“(ii) Required annual payment.—For purposes of clause (i), the term ‘required annual payment’ means the lesser of—

“(I) 90 percent of the minimum required contribution (without regard to any waiver under section 412(c)) to the plan for the plan year under this section, or

“(II) in the case of a plan year beginning after 2007, 100 percent of
the minimum required contribution
(without regard to any waiver under
section 412(c)) to the plan for the
preceding plan year.

Subclause (II) shall not apply if the pre-
ceeding plan year referred to in such clause
was not a year of 12 months.

“(E) Fiscal years and short years.—
“(i) Fiscal years.—In applying this
paragraph to a plan year beginning on any
date other than January 1, there shall be
substituted for the months specified in this
paragraph, the months which correspond
thereto.

“(ii) Short plan year.—This sub-
paragraph shall be applied to plan years of
less than 12 months in accordance with
regulations prescribed by the Secretary.

“(4) Liquidity requirement in connection
with quarterly contributions.—
“(A) In general.—A plan to which this
paragraph applies shall be treated as failing to
pay the full amount of any required installment
under paragraph (3) to the extent that the
value of the liquid assets paid in such install-
ment is less than the liquidity shortfall (whether or not such liquidity shortfall exceeds the amount of such installment required to be paid but for this paragraph).

“(B) Plans to which paragraph applies.—This paragraph shall apply to a plan (other than a plan that would be described in subsection (f)(2)(B) if ‘100’ were substituted for ‘500’ therein) which—

“(i) is required to pay installments under paragraph (3) for a plan year, and

“(ii) has a liquidity shortfall for any quarter during such plan year.

“(C) Period of underpayment.—For purposes of paragraph (3)(A), any portion of an installment that is treated as not paid under subparagraph (A) shall continue to be treated as unpaid until the close of the quarter in which the due date for such installment occurs.

“(D) Limitation on increase.—If the amount of any required installment is increased by reason of subparagraph (A), in no event shall such increase exceed the amount which, when added to prior installments for the plan year, is necessary to increase the funding target
attainment percentage of the plan for the plan year (taking into account the expected increase in funding target due to benefits accruing or earned during the plan year) to 100 percent.

“(E) DEFINITIONS.—For purposes of this subparagraph:

“(i) LIQUIDITY SHORTFALL.—The term ‘liquidity shortfall’ means, with respect to any required installment, an amount equal to the excess (as of the last day of the quarter for which such installment is made) of—

“(I) the base amount with respect to such quarter, over

“(II) the value (as of such last day) of the plan’s liquid assets.

“(ii) BASE AMOUNT.—

“(I) IN GENERAL.—The term ‘base amount’ means, with respect to any quarter, an amount equal to 3 times the sum of the adjusted disbursements from the plan for the 12 months ending on the last day of such quarter.
“(II) SPECIAL RULE.—If the amount determined under subclause (I) exceeds an amount equal to 2 times the sum of the adjusted disbursements from the plan for the 36 months ending on the last day of the quarter and an enrolled actuary certifies to the satisfaction of the Secretary that such excess is the result of nonrecurring circumstances, the base amount with respect to such quarter shall be determined without regard to amounts related to those nonrecurring circumstances.

“(iii) DISBURSEMENTS FROM THE PLAN.—The term ‘disbursements from the plan’ means all disbursements from the trust, including purchases of annuities, payments of single sums and other benefits, and administrative expenses.

“(iv) ADJUSTED DISBURSEMENTS.— The term ‘adjusted disbursements’ means disbursements from the plan reduced by the product of—
“(I) the plan’s funding target attainment percentage for the plan year, and

“(II) the sum of the purchases of annuities, payments of single sums, and such other disbursements as the Secretary shall provide in regulations.

“(v) LIQUID ASSETS.—The term ‘liquid assets’ means cash, marketable securities, and such other assets as specified by the Secretary in regulations.

“(vi) QUARTER.—The term ‘quarter’ means, with respect to any required installment, the 3-month period preceding the month in which the due date for such installment occurs.

“(F) REGULATIONS.—The Secretary may prescribe such regulations as are necessary to carry out this paragraph.

“(k) IMPOSITION OF LIEN WHERE FAILURE TO MAKE REQUIRED CONTRIBUTIONS.—

“(1) IN GENERAL.—In the case of a plan to which this subsection applies, if—

“(A) any person fails to make a contribution payment required by section 412 and this
section before the due date for such payment, and

“(B) the unpaid balance of such payment (including interest), when added to the aggregate unpaid balance of all preceding such payments for which payment was not made before the due date (including interest), exceeds $1,000,000,

then there shall be a lien in favor of the plan in the amount determined under paragraph (3) upon all property and rights to property, whether real or personal, belonging to such person and any other person who is a member of the same controlled group of which such person is a member.

“(2) PLANS TO WHICH SUBSECTION APPLIES.—

This subsection shall apply to a defined benefit plan (other than a multiemployer plan) for any plan year for which the funding target attainment percentage (as defined in subsection (d)(2)) of such plan is less than 100 percent. This subsection shall not apply to any plan to which section 4021 of the Employee Retirement Income Security Act of 1974 does not apply (as such section is in effect on the date of the enactment of the Pension Protection Act of 2005).
“(3) Amount of Lien.—For purposes of paragraph (1), the amount of the lien shall be equal to the aggregate unpaid balance of contribution payments required under this section and section 412 for which payment has not been made before the due date.

“(4) Notice of Failure; Lien.—

“(A) Notice of Failure.—A person committing a failure described in paragraph (1) shall notify the Pension Benefit Guaranty Corporation of such failure within 10 days of the due date for the required contribution payment.

“(B) Period of Lien.—The lien imposed by paragraph (1) shall arise on the due date for the required contribution payment and shall continue until the last day of the first plan year in which the plan ceases to be described in paragraph (1)(B). Such lien shall continue to run without regard to whether such plan continues to be described in paragraph (2) during the period referred to in the preceding sentence.

“(C) Certain Rules to Apply.—Any amount with respect to which a lien is imposed under paragraph (1) shall be treated as taxes due and owing the United States and rules
similar to the rules of subsections (c), (d), and (e) of section 4068 of the Employee Retirement Income Security Act of 1974 shall apply with respect to a lien imposed by subsection (a) and the amount with respect to such lien.

“(5) ENFORCEMENT.—Any lien created under paragraph (1) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Pension Benefit Guaranty Corporation, by the contributing sponsor (or any member of the controlled group of the contributing sponsor).

“(6) DEFINITIONS.—For purposes of this subsection—

“(A) CONTRIBUTION PAYMENT.—The term ‘contribution payment’ means, in connection with a plan, a contribution payment required to be made to the plan, including any required installment under paragraphs (3) and (4) of subsection (i).

“(B) DUE DATE; REQUIRED INSTALLMENT.—The terms ‘due date’ and ‘required installment’ have the meanings given such terms by subsection (j), except that in the case of a payment other than a required installment, the
due date shall be the date such payment is required to be made under section 430.

“(C) CONTROLLED GROUP.—The term ‘controlled group’ means any group treated as a single employer under subsections (b), (c), (m), and (o) of section 414.

“(l) QUALIFIED TRANSFERS TO HEALTH BENEFIT ACCOUNTS.—In the case of a qualified transfer (as defined in section 420), any assets so transferred shall not, for purposes of this section, be treated as assets in the plan.”.

(b) EFFECTIVE DATE.—The amendments made by this section shall apply with respect to plan years beginning after December 31, 2006.

SEC. 113. BENEFIT LIMITATIONS UNDER SINGLE-EMPLOYER PLANS.

(a) PROHIBITION OF SHUTDOWN BENEFITS AND OTHER UNPREDICTABLE CONTINGENT EVENT BENEFITS UNDER SINGLE-EMPLOYER PLANS.—Part III of subchapter D of chapter 1 of the Internal Revenue Code of 1986 (relating to deferred compensation, etc.) is amended—

(1) by striking the heading and inserting the following:
“PART III—RULES RELATING TO MINIMUM FUNDING STANDARDS AND BENEFIT LIMITATIONS

Subpart A. Minimum funding standards for pension plans.
Subpart B. Benefit limitations under single-employer plans.

“Subpart A—Minimum Funding Standards for Pension Plans

(2) by adding at the end the following new subpart:

“Subpart B—Benefit Limitations Under Single-employer Plans

“Sec. 436. Prohibition of shutdown benefits and other unpredictable contingent event benefits.

“SEC. 436. PROHIBITION OF SHUTDOWN BENEFITS AND OTHER UNPREDICTABLE CONTINGENT EVENT BENEFITS UNDER SINGLE-EMPLOYER PLANS.

“(a) IN GENERAL.—No pension plan which is defined benefit plan (other than a multiemployer plan) may provide benefits to which participants are entitled solely by reason of the occurrence of—

“(1) a plant shutdown, or
“(2) any other unpredictable contingent event.
“(b) UNPREDICTABLE CONTINGENT EVENT.—For purposes of this subsection, the term ‘unpredictable contingent event’ means an event other than—

“(1) attainment of any age, performance of any service, receipt or derivation of any compensation, or the occurrence of death or disability, or

“(2) an event which is reasonably and reliably predictable (as determined by the Secretary).”.

(b) OTHER LIMITS ON BENEFITS AND BENEFIT ACCRUALS.—

(1) IN GENERAL.—Subpart B of part III of subchapter D of chapter 1 of such Code is amended by adding at the end the following:

“SEC. 437. FUNDING-BASED LIMITS ON BENEFITS AND BENEFIT ACCRUALS UNDER SINGLE-EMPLOYER PLANS.

“(a) LIMITATIONS ON PLAN AMENDMENTS INCREASING LIABILITY FOR BENEFITS.—

“(1) IN GENERAL.—No amendment to a defined benefit plan (other than a multiemployer plan) which has the effect of increasing liabilities of the plan by reason of increases in benefits, establishment of new benefits, changing the rate of benefit accrual, or changing the rate at which benefits become nonforfeitable to the plan may take effect dur-
ing any plan year if the funding target attainment percentage as of the valuation date of the plan for such plan year is—

“(A) less than 80 percent, or

“(B) would be less than 80 percent taking into account such amendment.

For purposes of this subparagraph, any increase in benefits under the plan by reason of an increase in the benefit rate provided under the plan or on the basis of an increase in compensation shall be treated as effected by plan amendment.

“(2) EXEMPTION.—Paragraph (1) shall cease to apply with respect to any plan year, effective as of the first date of the plan year (or if later, the effective date of the amendment), upon payment by the plan sponsor of a contribution (in addition to any minimum required contribution under section 430) equal to—

“(A) in the case of paragraph (1)(A), the amount of the increase in the funding target of the plan (under section 430) for the plan year attributable to the amendment, and

“(B) in the case of paragraph (1)(B), the amount sufficient to result in a funding target attainment percentage of 80 percent.
“(b) Funding-Based Limitation on Certain Forms of Distribution.—

“(1) In General.—A defined benefit plan (other than a multiemployer plan) shall provide that, in any case in which the plan’s funding target attainment percentage as of the valuation date of the plan for a plan year is less than 80 percent, the plan may not after such date pay any payment described in section 401(a)(32)(B).

“(2) Exception.—Paragraph (1) shall not apply to any plan for any plan year if the terms of such plan (as in effect for the period beginning on June 29, 2005, and ending with such plan year) provide for no benefit accruals with respect to any participant during such period.

“(c) Limitations on Benefit Accruals for Plans With Severe Funding Shortfalls.—A defined benefit plan (other than a multiemployer plan) shall provide that, in any case in which the plan’s funding target attainment percentage as of the valuation date of the plan for a plan year is less than 60 percent, all future benefit accruals under the plan shall cease as of such date.

“(d) New Plans.—Subsections (a) and (e) shall not apply to a plan for the first 5 plan years of the plan. For purposes of this subsection, the reference in this sub-
section to a plan shall include a reference to any predecessor plan.

“(e) Presumed Underfunding for Purposes of Benefit Limitations Based on Prior Year’s Funding Status.—

“(1) Presumption of continued underfunding.—In any case in which a benefit limitation under subsection (a), (b), or (c) has been applied to a plan with respect to the plan year preceding the current plan year, the funding target attainment percentage of the plan as of the valuation date of the plan for the current plan year shall be presumed to be equal to the funding target attainment percentage of the plan as of the valuation date of the plan for the preceding plan year until the enrolled actuary of the plan certifies the actual funding target attainment percentage of the plan as of the valuation date of the plan for the current plan year.

“(2) Presumption of underfunding after 10th month.—In any case in which no such certification is made with respect to the plan before the first day of the 10th month of the current plan year, for purposes of subsections (a), (b), and (c), the plan’s funding target attainment percentage shall be conclusively presumed to be less than 60 percent as
of the first day of such 10th month, and such day
shall be deemed, for purposes of such subsections, to
be the valuation date of the plan for the current
plan year.

“(3) Presumption of underfunding after
4th month for nearly underfunded plans.—
In any case in which—

“(A) a benefit limitation under subsection
(a), (b), or (e) did not apply to a plan with re-
spect to the plan year preceding the current
plan year, but the funding target attainment
percentage of the plan for such preceding plan
year was not more than 10 percentage points
greater than the percentage which would have
caused such subsection to apply to the plan
with respect to such preceding plan year, and

“(B) as of the first day of the 4th month
of the current plan year, the enrolled actuary of
the plan has not certified the actual funding
target attainment percentage of the plan as of
the valuation date of the plan for the current
plan year,

until the enrolled actuary so certifies, such first day
shall be deemed, for purposes of such subsection, to
be the valuation date of the plan for the current
plan year and the funding target attainment percentage of the plan as of such first day shall, for purposes of such subsection, be presumed to be equal to 10 percentage points less than the funding target attainment percentage of the plan as of the valuation date of the plan for such preceding plan year.

“(f) Restoration by Plan Amendment of Benefits or Benefit Accrual.—In any case in which a prohibition under subsection (b) of the payment of lump sum distributions or benefits in any other accelerated form or a cessation of benefit accruals under subsection (c) is applied to a plan with respect to any plan year and such prohibition or cessation, as the case may be, ceases to apply to any subsequent plan year, the plan may provide for the resumption of such benefit payment or such benefit accrual only by means of the adoption of a plan amendment after the valuation date of the plan for such subsequent plan year. The preceding sentence shall not apply to a prohibition or cessation required by reason of subsection (e).

“(g) Funding Target Attainment Percentage.—

“(1) In general.—For purposes of this section, the term ‘funding target attainment percent-
age’ means, with respect to any plan for any plan year, the ratio (expressed as a percentage) which—

“(A) the value of plan assets for the plan year (as determined under section 430(g)) reduced by the pre-funding balance and the funding standard carryover balance (within the meaning of section 430(f)), bears to

“(B) the funding target of the plan for the plan year (as determined under section 430(d)(1), but without regard to section 430(i)(1)).

“(2) APPLICATION TO PLANS WHICH ARE FULLY FUNDED WITHOUT REGARD TO REDUCTIONS FOR FUNDING BALANCES.—In the case of a plan for any plan year, if the funding target attainment percentage is 100 percent or more (determined without regard to this paragraph and without regard to the reduction under paragraph (1)(A) for the pre-funding balance and the funding standard carryover balance), paragraph (1) shall be applied without regard to such reduction.”.

(2) CLERICAL AMENDMENT.—The table of sections for such subpart is amended by adding at the end the following new item:

“Sec. 437. Funding-based limits on benefits and benefit accruals under single-employer plans.”.
(c) **Special Rule for Plan Amendments.**—A plan shall not fail to meet the requirements of section 411(d)(6) of the Internal Revenue Code of 1986 or section 204(g) of the Employee Retirement Income Security Act of 1974 solely by reason of the adoption by the plan of an amendment necessary to meet the requirements of the amendments made by this section.

(d) **Effective Date.**—

(1) **Shutdown Benefits.**—Except as provided in paragraph (3), the amendments made by subsection (a) shall apply with respect to plant shutdowns, or other unpredictable contingent events, occurring after December 31, 2006.

(2) **Other Benefits.**—Except as provided in paragraph (3), the amendments made by subsection (b) shall apply with respect to plan years beginning after December 31, 2006.

(3) **Collective Bargaining Exception.**—In the case of a plan maintained pursuant to 1 or more collective bargaining agreements between employee representatives and 1 or more employers ratified before the date of the enactment of this Act, the amendments made by this subsection shall not apply to plan years beginning before the earlier of—

(A) the later of—
(i) the date on which the last collective bargaining agreement relating to the plan terminates (determined without regard to any extension thereof agreed to after the date of the enactment of this Act), or

(ii) the first day of the first plan year to which the amendments made by this subsection would (but for this subparagraph) apply, or

(B) January 1, 2009.

For purposes of clause (i), any plan amendment made pursuant to a collective bargaining agreement relating to the plan which amends the plan solely to conform to any requirement added by this subsection shall not be treated as a termination of such collective bargaining agreement.

(e) Special Rule for 2007.—For purposes of applying subsection (e) of section 437 of such Code (as added by this section) to current plan years (within the meaning of such subsection) beginning in 2007, the modified funded current liability percentage of the plan for the preceding year shall be substituted for the funding target attainment percentage of the plan for the preceding year.

For purposes of the preceding sentence, the term “modi-
funded current liability percentage” means the funded current liability percentage (as defined in section 412(l)(8) of such Code), reduced as described in subparagraph (E) thereof in the case of a plan with a funded current liability percentage (as so defined and before such reduction) which is less than 100 percent.

“(5) COMBINING AND OFFSETTING AMOUNTS TO BE AMORTIZED.—Under regulations prescribed by the Secretary, amounts required to be amortized under paragraph (2) or paragraph (3), as the case may be—

“(A) may be combined into one amount under such paragraph to be amortized over a period determined on the basis of the remaining amortization period for all items entering into such combined amount, and

“(B) may be offset against amounts required to be amortized under the other such paragraph, with the resulting amount to be amortized over a period determined on the basis of the remaining amortization periods for all items entering into whichever of the two amounts being offset is the greater.

“(6) INTEREST.—Except as provided in subsection (c)(9), the funding standard account (and items therein) shall be charged or credited (as determined under regulations prescribed by the Secretary) with interest at the appropriate rate con-
sistent with the rate or rates of interest used under
the plan to determine costs.

“(7) CERTAIN AMORTIZATION CHARGES AND
CREDITS.—In the case of a plan which, immediately
before the date of the enactment of the Multiem-
ployer Pension Plan Amendments Act of 1980, was
a multiemployer plan (within the meaning of section
414(f) as in effect immediately before such date)—

“(A) any amount described in paragraph
(2)(B)(ii), (2)(B)(iii), or (3)(B)(i) of this sub-
section which arose in a plan year beginning be-
fore such date shall be amortized in equal an-
nual installments (until fully amortized) over 40
plan years, beginning with the plan year in
which the amount arose,

“(B) any amount described in paragraph
(2)(B)(iv) or (3)(B)(ii) of this subsection which
arose in a plan year beginning before such date
shall be amortized in equal annual installments
(until fully amortized) over 20 plan years, be-
ginning with the plan year in which the amount
arose,

“(C) any change in past service liability
which arises during the period of 3 plan years
beginning on or after such date, and results
from a plan amendment adopted before such date, shall be amortized in equal annual installments (until fully amortized) over 40 plan years, beginning with the plan year in which the change arises, and

“(D) any change in past service liability which arises during the period of 2 plan years beginning on or after such date, and results from the changing of a group of participants from one benefit level to another benefit level under a schedule of plan benefits which—

“(i) was adopted before such date, and

“(ii) was effective for any plan participant before the beginning of the first plan year beginning on or after such date, shall be amortized in equal annual installments (until fully amortized) over 40 plan years, beginning with the plan year in which the change arises.

“(8) SPECIAL RULES RELATING TO CHARGES AND CREDITS TO FUNDING STANDARD ACCOUNT.—

For purposes of this section—

“(A) WITHDRAWAL LIABILITY.—Any amount received by a multiemployer plan in
payment of all or part of an employer’s withdrawal liability under part 1 of subtitle E of title IV of the Employee Retirement Income Security Act of 1974 shall be considered an amount contributed by the employer to or under the plan. The Secretary may prescribe by regulation additional charges and credits to a multiemployer plan’s funding standard account to the extent necessary to prevent withdrawal liability payments from being unduly reflected as advance funding for plan liabilities.

“(B) ADJUSTMENTS WHEN A MULTIEMPLOYER PLAN LEAVES REORGANIZATION.—If a multiemployer plan is not in reorganization in the plan year but was in reorganization in the immediately preceding plan year, any balance in the funding standard account at the close of such immediately preceding plan year—

“(i) shall be eliminated by an offsetting credit or charge (as the case may be), but

“(ii) shall be taken into account in subsequent plan years by being amortized in equal annual installments (until fully amortized) over 30 plan years.
The preceding sentence shall not apply to the extent of any accumulated funding deficiency under section 418B(a) as of the end of the last plan year that the plan was in reorganization.

“(C) PLAN PAYMENTS TO SUPPLEMENTAL PROGRAM OR WITHDRAWAL LIABILITY PAYMENT FUND.—Any amount paid by a plan during a plan year to the Pension Benefit Guaranty Corporation pursuant to section 4222 of the Employee Retirement Income Security Act of 1974 or to a fund exempt under section 501(c)(22) pursuant to section 4223 of such Act shall reduce the amount of contributions considered received by the plan for the plan year.

“(D) INTERIM WITHDRAWAL LIABILITY PAYMENTS.—Any amount paid by an employer pending a final determination of the employer’s withdrawal liability under part 1 of subtitle E of title IV of such Act and subsequently refunded to the employer by the plan shall be charged to the funding standard account in accordance with regulations prescribed by the Secretary.

“(E) ELECTION FOR DEFERRAL OF CHARGE FOR PORTION OF NET EXPERIENCE
LOSS.—If an election is in effect under section 412(b)(7)(F) (as in effect on the day before the date of the enactment of the Pension Protection Act of 2005) for any plan year, the funding standard account shall be charged in the plan year to which the portion of the net experience loss deferred by such election was deferred with the amount so deferred (and paragraph (2)(B)(iv) shall not apply to the amount so charged).

“(F) Financial Assistance.—Any amount of any financial assistance from the Pension Benefit Guaranty Corporation to any plan, and any repayment of such amount, shall be taken into account under this section and section 412 in such manner as is determined by the Secretary.

“(G) Short-Term Benefits.—To the extent that any plan amendment increases the unfunded past service liability under the plan by reason of an increase in benefits which are payable under the plan during a period that does not exceed 14 years, paragraph (2)(B)(iii) shall be applied separately with respect to such increase in unfunded past service liability by sub-
stituting the number of years of the period during which such benefits are payable for ‘15’.

“(c) Additional Rules.—

“(1) Determinations to be Made under Funding Method.—For purposes of this section, normal costs, accrued liability, past service liabilities, and experience gains and losses shall be determined under the funding method used to determine costs under the plan.

“(2) Valuation of Assets.—

“(A) In General.—For purposes of this section, the value of the plan’s assets shall be determined on the basis of any reasonable actuarial method of valuation which takes into account fair market value and which is permitted under regulations prescribed by the Secretary.

“(B) Election with Respect to Bonds.—The value of a bond or other evidence of indebtedness which is not in default as to principal or interest may, at the election of the plan administrator, be determined on an amortized basis running from initial cost at purchase to par value at maturity or earliest call date. Any election under this subparagraph shall be made at such time and in such manner as the
Secretary shall by regulations provide, shall apply to all such evidences of indebtedness, and may be revoked only with the consent of the Secretary.

“(3) Actuarial assumptions must be reasonable.—For purposes of this section, all costs, liabilities, rates of interest, and other factors under the plan shall be determined on the basis of actuarial assumptions and methods—

“(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and

“(B) which, in combination, offer the actuary’s best estimate of anticipated experience under the plan.

“(4) Treatment of certain changes as experience gain or loss.—For purposes of this section, if—

“(A) a change in benefits under the Social Security Act or in other retirement benefits created under Federal or State law, or

“(B) a change in the definition of the term ‘wages’ under section 3121, or a change in the amount of such wages taken into account under
104 regulations prescribed for purposes of section 401(a)(5), results in an increase or decrease in accrued liability under a plan, such increase or decrease shall be treated as an experience loss or gain.

“(5) Full Funding.—If, as of the close of a plan year, a plan would (without regard to this paragraph) have an accumulated funding deficiency in excess of the full funding limitation—

“(A) the funding standard account shall be credited with the amount of such excess, and

“(B) all amounts described in subparagraphs (B), (C), and (D) of subsection (b)(2) and subparagraph (B) of subsection (b)(3) which are required to be amortized shall be considered fully amortized for purposes of such subparagraphs.

“(6) Full-Funding Limitation.—

“(A) In General.—For purposes of paragraph (5), the term ‘full-funding limitation’ means the excess (if any) of—

“(i) the accrued liability (including normal cost) under the plan (determined under the entry age normal funding method if such accrued liability cannot be di-
rectly calculated under the funding method used for the plan), over

“(ii) the lesser of—

“(I) the fair market value of the plan’s assets, or

“(II) the value of such assets determined under paragraph (2).

“(B) MINIMUM AMOUNT.—

“(i) IN GENERAL.—In no event shall the full-funding limitation determined under subparagraph (A) be less than the excess (if any) of—

“(I) 90 percent of the current liability of the plan (including the expected increase in current liability due to benefits accruing during the plan year), over

“(II) the value of the plan’s assets determined under paragraph (2).

“(ii) ASSETS.—For purposes of clause (i), assets shall not be reduced by any credit balance in the funding standard account.

“(C) FULL FUNDING LIMITATION.—For purposes of this paragraph, unless otherwise
provided by the plan, the accrued liability under
a multiemployer plan shall not include benefits
which are not nonforfeitable under the plan
after the termination of the plan (taking into
consideration section 411(d)(3)).

“(D) CURRENT LIABILITY.—For purposes
of this paragraph—

“(i) IN GENERAL.—The term ‘current
liability’ means all liabilities to employees
and their beneficiaries under the plan.

“(ii) TREATMENT OF UNPREDICTABLE
CONTINGENT EVENT BENEFITS.—For pur-
poses of clause (i), any benefit contingent
on an event other than—

“(I) age, service, compensation,
death, or disability, or

“(II) an event which is reason-
ably and reliably predictable (as deter-
mined by the Secretary),
shall not be taken into account until the
event on which the benefit is contingent oc-
curs.

“(iii) INTEREST RATE USED.—The
rate of interest used to determine current
liability under this paragraph shall be the
rate of interest determined under subpara-
graph (E).

“(iv) MORTALITY TABLES.—

“(I) COMMISSIONERS’ STANDARD
TABLE.—In the case of plan years be-
ingning before the first plan year to
which the first tables prescribed under
subclause (II) apply, the mortality
table used in determining current li-
ability under this paragraph shall be
the table prescribed by the Secretary
which is based on the prevailing com-
missioners’ standard table (described
in section 807(d)(5)(A)) used to de-
termine reserves for group annuity
contracts issued on January 1, 1993.

“(II) SECRETARIAL AUTHOR-
ITY.—The Secretary may by regula-
tion prescribe for plan years beginning
after December 31, 1999, mortality
tables to be used in determining cur-
rent liability under this subsection.
Such tables shall be based upon the
actual experience of pension plans and
projected trends in such experience.
In prescribing such tables, the Secretary shall take into account results of available independent studies of mortality of individuals covered by pension plans.

"(v) SEPARATE MORTALITY TABLES FOR THE DISABLED.—Notwithstanding clause (iv)—

"(I) IN GENERAL.—In the case of plan years beginning after December 31, 1995, the Secretary shall establish mortality tables which may be used (in lieu of the tables under clause (iv)) to determine current liability under this subsection for individuals who are entitled to benefits under the plan on account of disability. The Secretary shall establish separate tables for individuals whose disabilities occur in plan years beginning before January 1, 1995, and for individuals whose disabilities occur in plan years beginning on or after such date.
“(II) Special rule for disabilities occurring after 1994.—
In the case of disabilities occurring in plan years beginning after December 31, 1994, the tables under subclause (I) shall apply only with respect to individuals described in such subclause who are disabled within the meaning of title II of the Social Security Act and the regulations thereunder.

“(vi) Periodic review.—The Secretary shall periodically (at least every 5 years) review any tables in effect under this subparagraph and shall, to the extent the Secretary determines necessary, by regulation update the tables to reflect the actual experience of pension plans and projected trends in such experience.

“(E) Required change of interest rate.—For purposes of determining a plan’s current liability for purposes of this paragraph—

“(i) In general.—If any rate of interest used under the plan under subsection (b)(6) to determine cost is not
within the permissible range, the plan shall
establish a new rate of interest within the
permissible range.

“(ii) PERMISSIBLE RANGE.—For pur-
poses of this subparagraph—

“(I) IN GENERAL.—Except as
provided in subclause (II), the term
‘permissible range’ means a rate of in-
terest which is not more than 5 per-
cent above, and not more than 10 per-
cent below, the weighted average of
the rates of interest on 30-year Treas-
ury securities during the 4-year period
ending on the last day before the be-
ginning of the plan year.

“(II) SECRETARIAL AUTHOR-
ITY.—If the Secretary finds that the
lowest rate of interest permissible
under subclause (I) is unreasonably
high, the Secretary may prescribe a
lower rate of interest, except that
such rate may not be less than 80
percent of the average rate deter-
mined under such subclause.
“(iii) **Assumptions.**—Notwithstanding paragraph (3)(A), the interest rate used under the plan shall be—

“(I) determined without taking into account the experience of the plan and reasonable expectations, but

“(II) consistent with the assumptions which reflect the purchase rates which would be used by insurance companies to satisfy the liabilities under the plan.

“(7) **Annual Valuation.**—

“(A) **In General.**—For purposes of this section, a determination of experience gains and losses and a valuation of the plan’s liability shall be made not less frequently than once every year, except that such determination shall be made more frequently to the extent required in particular cases under regulations prescribed by the Secretary.

“(B) **Valuation Date.**—

“(i) **Current Year.**—Except as provided in clause (ii), the valuation referred to in subparagraph (A) shall be made as of a date within the plan year to which the
valuation refers or within one month prior
to the beginning of such year.

“(ii) Use of Prior Year Valuation.—The valuation referred to in sub-
paragraph (A) may be made as of a date
within the plan year prior to the year to
which the valuation refers if, as of such
date, the value of the assets of the plan are
not less than 100 percent of the plan’s cur-
rent liability (as defined in paragraph
(6)(D) without regard to clause (iv) there-
of).

“(iii) Adjustments.—Information
under clause (ii) shall, in accordance with
regulations, be actuarially adjusted to re-
fect significant differences in participants.

“(iv) Limitation.—A change in fund-
ing method to use a prior year valuation,
as provided in clause (ii), may not be made
unless as of the valuation date within the
prior plan year, the value of the assets of
the plan are not less than 125 percent of
the plan’s current liability (as defined in
paragraph (6)(D) without regard to clause
(iv) thereof).
“(8) Time when certain contributions deemed made.—For purposes of this section, any contributions for a plan year made by an employer after the last day of such plan year, but not later than two and one-half months after such day, shall be deemed to have been made on such last day. For purposes of this subparagraph, such two and one-half month period may be extended for not more than six months under regulations prescribed by the Secretary.

“(9) Interest rule for waivers and extensions.—The interest rate applicable for any plan year for purposes of computing the amortization charge described in subsection (b)(2)(C) and in connection with an extension granted under subsection (d) shall be the greater of—

“(A) 150 percent of the Federal mid-term rate (as in effect under section 1274 for the 1st month of such plan year), or

“(B) the rate of interest used under the plan for determining costs.

“(d) Extension of amortization periods for multiemployer plans.—In the case of a multiemployer plan—
“(1) EXTENSION.—The period of years required to amortize any unfunded liability (described in any clause of subsection (b)(2)(B)) of any multiemployer plan shall be extended by the Secretary for a period of time (not in excess of 5 years) if the Secretary determines that—

“(A) absent the extension, the plan would have an accumulated funding deficiency in any of the next 10 plan years,

“(B) the plan sponsor has adopted a plan to improve the plan’s funding status, and

“(C) taking into account the extension, the plan is projected to have sufficient assets to timely pay its expected benefit liabilities and other anticipated expenditures

“(2) ADDITIONAL EXTENSION.—The period of years required to amortize any unfunded liability (described in any clause of subsection (b)(2)(B)) of any multiemployer plan may be extended (in addition to any extension under paragraph (1)) by the Secretary for a period of time (not in excess of 5 years) if the Secretary determines that such extension would carry out the purposes of the Employee Retirement Income Security Act of 1974 and would provide adequate protection for participants under
the plan and their beneficiaries and if the Secretary
determines that the failure to permit such extension
would—

“(A) result in—

“(i) a substantial risk to the voluntary
continuation of the plan, or

“(ii) a substantial curtailment of pen-
sion benefit levels or employee compensa-
tion, and

“(B) be adverse to the interests of plan
participants in the aggregate.

“(3) ADVANCE NOTICE.—

“(A) IN GENERAL.—The Secretary shall,
before granting an extension under this section,
require each applicant to provide evidence satis-
factory to the Secretary that the applicant has
provided notice of the filing of the application
for such extension to each affected party (as de-
defined in section 4001(a)(21) of the Employee
Retirement Income Security Act of 1974) with
respect to the affected plan. Such notice shall
include a description of the extent to which the
plan is funded for benefits which are guaran-
teed under title IV of such Act and for benefit
liabilities.
“(B) CONSIDERATION OF RELEVANT INFORMATION.—The Secretary shall consider any relevant information provided by a person to whom notice was given under paragraph (1).”.

(b) CONFORMING AMENDMENTS.—

(1) Section 418(b)(2) of such Code is amended—

(A) by striking “section 412(b)(2)” in subparagraph (A) and inserting “section 431(b)(2)”, and

“Sec. 431. Minimum funding standards for multiemployer plans.”.

(d) Effective Date.—The amendments made by this section shall apply to plan years beginning after December 31, 2006.

SEC. 212. ADDITIONAL FUNDING RULES FOR MULTIEMPLOYER PLANS IN ENDANGERED OR CRITICAL STATUS.

(a) In General.—Subpart A of part III of subchapter D of chapter 1 of the Internal Revenue Code of 1986 is amended by inserting after section 431 the following new section:

“Sec. 432. Additional funding rules for multiemployer plans in endangered or critical status.

“(a) Annual Certification by Plan Actuary.—

“(1) In General.—During the 90-day period beginning on first day of each plan year of a multiemployer plan, the plan actuary shall certify to the
Secretary whether or not the plan is in endangered status for such plan year and whether or not the plan is in critical status for such plan year.

“(2) Actuarial projections of assets and liabilities.—

“(A) In general.—In making the determinations under paragraph (1), the plan actuary shall make projections under subsections (b)(2) and (c)(2) for the current and succeeding plan years, using reasonable actuarial assumptions and methods, of the current value of the assets of the plan and the present value of all liabilities to participants and beneficiaries under the plan for the current plan year as of the beginning of such year, as based on the actuarial statement prepared for the preceding plan year under section 103(d) of the Employee Retirement Income Security Act of 1974.

“(B) Determinations of future contributions.—Any such actuarial projection of plan assets shall assume—

“(i) reasonably anticipated employer and employee contributions for the current and succeeding plan years, assuming that the terms of the one or more collective bar-
gaining agreements pursuant to which the plan is maintained for the current plan year continue in effect for succeeding plan years, or

“(ii) that employer and employee contributions for the most recent plan year will continue indefinitely, but only if the plan actuary determines there have been no significant demographic changes that would make continued application of such terms unreasonable.

“(3) Presumed status in absence of timely actuarial certification.—If certification under this subsection is not made before the end of the 90-day period specified in paragraph (1), the plan shall be presumed to be in critical status for such plan year until such time as the plan actuary makes a contrary certification.

“(4) Notice.—In any case in which a multiemployer plan is certified to be in endangered status under paragraph (1) or enters into critical status, the plan sponsor shall, not later than 30 days after the date of the certification or entry, provide notification of the endangered or critical status to the participants and beneficiaries, the bargaining par-
ties, the Pension Benefit Guaranty Corporation, the Secretary of the Treasury, and the Secretary of Labor.

“(b) FUNDING RULES FOR MULTIEMPLOYER PLANS IN ENDANGERED STATUS.—

“(1) IN GENERAL.—In any case in which a multiemployer plan is in endangered status for a plan year and no funding improvement plan under this subsection with respect to such multiemployer plan is in effect for the plan year, the plan sponsor shall, in accordance with this subsection, amend the multiemployer plan to include a funding improvement plan upon approval thereof by the bargaining parties under this subsection. The amendment shall be adopted not later than 240 days after the date on which the plan is certified to be in endangered status under subsection (a)(1).

“(2) ENDANGERED STATUS.—A multiemployer plan is in endangered status for a plan year if, as determined by the plan actuary under subsection (a)—

“(A) the plan’s funded percentage for such plan year is less than 80 percent, or

“(B) the plan has an accumulated funding deficiency for such plan year under section 431
or is projected to have such an accumulated funding deficiency for any of the 6 succeeding plan years, taking into account any extension of amortization periods under section 431(d).

“(3) FUNDING IMPROVEMENT PLAN.—

“(A) BENCHMARKS.—A funding improvement plan shall consist of amendments to the plan formulated to provide, under reasonable actuarial assumptions, for the attainment, during the funding improvement period under the funding improvement plan, of the following benchmarks:

“(i) INCREASE IN FUNDED PERCENTAGE.—An increase in the plan’s funded percentage such that—

“(I) the difference between 100 percent and the plan’s funded percentage for the last year of the funding improvement period, is not more than

“(II) \( \frac{2}{3} \) of the difference between 100 percent and the plan’s funded percentage for the first year of the funding improvement period.
“(ii) AVOIDANCE OF ACCUMULATED FUNDING DEFICIENCIES.—No accumulated funding deficiency for any plan year during the funding improvement period (taking into account any extension of amortization periods under section 431(d)).

“(B) FUNDING IMPROVEMENT PERIOD.—
The funding improvement period for any funding improvement plan adopted pursuant to this subsection is the 10-year period beginning on the earlier of—

“(i) the second anniversary of the date of the adoption of the funding improvement plan, or

“(ii) the first day of the first plan year of the multiemployer plan following the plan year in which occurs the first date after the day of the certification as of which collective bargaining agreements covering on the day of such certification at least 75 percent of active participants in such multiemployer plan have expired.

“(C) SPECIAL RULES FOR CERTAIN SERIOUSLY UNDERFUNDED PLANS.—
“(i) In the case of a plan in which the funded percentage of a plan for the plan year is 70 percent or less, subparagraph (A)(i)(II) shall be applied by substituting ‘4⁄5’ for ‘2⁄3’ and subparagraph (B) shall be applied by substituting ‘the 15-year period’ for ‘the 10-year period’.

“(ii) In the case of a plan in which the funded percentage of a plan for the plan year is more than 70 percent but less than 80 percent, and—

“(I) the plan actuary certifies within 30 days after certification under subsection (a)(1) that the plan is not able to attain the increase described in subparagraph (A)(i) over the period described in subparagraph (B), and

“(II) the plan year is prior to the day described in subparagraph (B)(ii), subparagraph (A)(i)(II) shall be applied by substituting ‘4⁄5’ for ‘2⁄3’ and subparagraph (B) shall be applied by substituting ‘the 15-year period’ for ‘the 10-year period’.
“(iii) For any plan year following the year described in clause (ii)(II), subparagraph (A)(i)(II) and subparagraph (B) shall apply, except that for each plan year ending after such date for which the plan actuary certifies (at the time of the annual certification under subsection (a)(1) for such plan year) that the plan is not able to attain the increase described in subparagraph (A)(i) over the period described in subparagraph (B), subparagraph (B) shall be applied by substituting ‘the 15-year period’ for ‘the 10-year period’.

“(D) REPORTING.—A summary of any funding improvement plan or modification thereto adopted during any plan year, together with annual updates regarding the funding ratio of the plan, shall be included in the annual report for such plan year under section 104(a) of the Employee Retirement Income Security Act of 1974 and in the summary annual report described in section 104(b)(3) of such Act.

“(4) DEVELOPMENT OF FUNDING IMPROVEMENT PLAN.—
“(A) Actions by plan sponsor pending approval.—Pending the approval of a funding improvement plan under this paragraph, the plan sponsor shall take all reasonable actions, consistent with the terms of the plan and applicable law, necessary to ensure—

“(i) an increase in the plan’s funded percentage, and

“(ii) postponement of an accumulated funding deficiency for at least 1 additional plan year.

Such actions include applications for extensions of amortization periods under section 431(d), use of the shortfall funding method in making funding standard account computations, amendments to the plan’s benefit structure, reductions in future benefit accruals, and other reasonable actions consistent with the terms of the plan and applicable law.

“(B) Recommendations by plan sponsor.—

“(i) In general.—During the period of 90 days following the date on which a multiemployer plan is certified to be in endangered status, the plan sponsor shall de-
velop and provide to the bargaining parties alternative proposals for revised benefit structures, contribution structures, or both, which, if adopted as amendments to the plan, may be reasonably expected to meet the benchmarks described in paragraph (3)(A). Such proposals shall include—

“(I) at least one proposal for reductions in the amount of future benefit accruals necessary to achieve the benchmarks, assuming no amendments increasing contributions under the plan (other than amendments increasing contributions necessary to achieve the benchmarks after amendments have reduced future benefit accruals to the maximum extent permitted by law), and

“(II) at least one proposal for increases in contributions under the plan necessary to achieve the benchmarks, assuming no amendments reducing future benefit accruals under the plan.
“(ii) Requests by Bargaining Parties.—Upon the request of any bargaining party who—

“(I) employs at least 5 percent of the active participants, or

“(II) represents as an employee organization, for purposes of collective bargaining, at least 5 percent of the active participants,

the plan sponsor shall provide all such parties information as to other combinations of increases in contributions and reductions in future benefit accruals which would result in achieving the benchmarks.

“(iii) Other Information.—The plan sponsor may, as it deems appropriate, prepare and provide the bargaining parties with additional information relating to contribution structures or benefit structures or other information relevant to the funding improvement plan.

“(5) Maintenance of Contributions Pending Approval of Funding Improvement Plan.— Pending approval of a funding improvement plan by the bargaining parties with respect to a multiem-
ployer plan, the multiemployer plan may not be amended so as to provide—

“(A) a reduction in the level of contributions for participants who are not in pay status,

“(B) a suspension of contributions with respect to any period of service, or

“(C) any new direct or indirect exclusion of younger or newly hired employees from plan participation.

“(6) BENEFIT RESTRICTIONS PENDING APPROVAL OF FUNDING IMPROVEMENT PLAN.—Pending approval of a funding improvement plan by the bargaining parties with respect to a multiemployer plan—

“(A) Restrictions on lump sum and similar distributions.—In any case in which the present value of a participant’s accrued benefit under the plan exceeds $5,000, such benefit may not be distributed as an immediate distribution or in any other accelerated form.

“(B) Prohibition on benefit increases.—

“(i) In general.—No amendment of the plan which increases the liabilities of the plan by reason of any increase in bene-
fits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan may be adopted.

“(ii) EXCEPTION.—Clause (i) shall not apply to any plan amendment which is required as a condition of qualification under part I of subchapter D of chapter 1 of subtitle A.

“(7) DEFAULT CRITICAL STATUS IF NO FUNDING IMPROVEMENT PLAN ADOPTED.—If no plan amendment adopting a funding improvement plan has been adopted by the end of the 240-day period referred to in subsection (b)(1), the plan enters into critical status as of the first day of the succeeding plan year.

“(8) RESTRICTIONS UPON APPROVAL OF FUNDING IMPROVEMENT PLAN.—Upon adoption of a funding improvement plan with respect to a multi-employer plan, the plan may not be amended—

“(A) so as to be inconsistent with the funding improvement plan, or

“(B) so as to increase future benefit accruals, unless the plan actuary certifies in advance that, after taking into account the proposed in-
crease, the plan is reasonably expected to meet
the benchmarks described in paragraph
(3)(A).

“(c) Funding Rules for Multiemployer Plans
in Critical Status.—

“(1) In general.—In any case in which a
multiemployer plan is in critical status for a plan
year as described in paragraph (2) (or otherwise en-
ters into critical status under this section) and no
rehabilitation plan under this subsection with respect
to such multiemployer plan is in effect for the plan
year, the plan sponsor shall, in accordance with this
subsection, amend the multiemployer plan to include
a rehabilitation plan under this subsection. The
amendment shall be adopted not later than 240 days
after the date on which the plan enters into critical
status.

“(2) Critical status.—A multiemployer plan
is in critical status for a plan year if—

“(A) the plan is in endangered status for
the preceding plan year and the requirements of
subsection (b)(1) were not met with respect to
the plan for such preceding plan year, or
“(B) as determined by the plan actuary under subsection (a), the plan is described in paragraph (3).

“(3) CRITICALITY DESCRIPTION.—For purposes of paragraph (2)(B), a plan is described in this paragraph if the plan is described in at least one of the following subparagraphs:

“(A) A plan is described in this subparagraph if, as of the beginning of the current plan year—

“(i) the funded percentage of the plan is less than 65 percent, and

“(ii) the sum of—

“(I) the market value of plan assets, plus

“(i) amendments to the plan providing (under reasonable actuarial assumptions) for measures, agreed to by the bargaining parties, to increase contributions, reduce plan expenditures (including plan mergers and consolidations), or reduce future benefit accruals, or to take any combination of such actions, determined necessary to cause the plan to cease, during the rehabilitation period, to be in critical status, or

“(ii) reasonable measures to forestall possible insolvency (within the meaning of section 418E) if the plan sponsor determines that, upon exhaustion of all reasonable measures, the plan would not cease during the rehabilitation period to be in critical status.

adopted pursuant to this subsection is the 10-year period beginning on the earlier of—

“(i) the second anniversary of the date of the adoption of the rehabilitation plan, or

“(ii) Proposal assuming no contribution increases.—Such proposals shall include, as one of the proposed schedules, a schedule of those reductions in future benefit accruals that would be necessary to cause the plan to cease to be in critical status if there were no further increases in rates of contribution to the plan.

“(iii) Proposal where contributions are necessary.—If the plan sponsor determines that the plan will not cease to be in critical status during the rehabilitation period unless the plan is amended to provide for an increase in contributions,
the plan sponsor’s proposals shall include a schedule of those increases in contribution rates that would be necessary to cause the plan to cease to be in critical status if future benefit accruals were reduced to the maximum extent permitted by law.

“(B) Requests for additional schedules.—Upon the request of any bargaining party who—

“(i) employs at least 5 percent of the active participants, or

“(ii) represents as an employee organization, for purposes of collective bargaining, at least 5 percent of active participants,

“(C) Subsequent amendments.—Upon the adoption of a schedule of increases in contributions or reductions in future benefit accruals as part of the rehabilitation plan, the plan sponsor may amend the plan thereafter to up-

“(D) Allocation of reductions in future benefit accruals.—Any schedule containing reductions in future benefit accruals forming a part of a rehabilitation plan shall be applicable with respect to any group of active participants who are employed by any bargaining party (as an employer obligated to contribute under the plan) in proportion to the extent to which increases in contributions under such schedule apply to such bargaining party.

“(E) Limitation on reduction in rates of future accruals.—Any schedule proposed under this paragraph shall not reduce the rate of future accruals below the lower of—

“(i) a monthly benefit equal to 1 percent of the contributions required to be made with respect to a participant or the equivalent standard accrual rate for a participant or group of participants under the collective bargaining agreements in effect
as of the first day of the plan year in
which the plan enters critical status, or
“(ii) if lower, the accrual rate under
the plan on such date.

to be relevant.

that, after taking into account the proposed in-
crease, the plan is reasonably expected to cease
to be in critical status.

“(8) Implementation of Default Schedule Upon Failure to Adopt Rehabilitation Plan.—If the plan is not amended by the end of the 240-day period after entry into critical status to include a rehabilitation plan, the plan sponsor shall amend the plan to implement the schedule required by paragraph (5)(A)(ii).

“(9) Deemed Withdrawal.—Upon the failure of any employer who has an obligation to contribute under the plan to make contributions in compliance with the schedule adopted under paragraph (4) as part of the rehabilitation plan, the failure of the employer may, at the discretion of the plan sponsor, be treated as a withdrawal by the employer from the plan under section 4203 of the Employee Retirement Income Security Act of 1974 or a partial withdrawal by the employer under section 4205 of such Act.

TITLE VII—BENEFIT ACCRUAL
STANDARDS

SEC. 701. IMPROVEMENTS IN BENEFIT ACCRUAL STAND-
ARDS.

(a) Amendments to the Employee Retirement
Income Security Act of 1974.—[See section 701(a) of
the bill as reported by the Committee on Education and
the Workforce.]

(b) Amendments to the Internal Revenue
Code of 1986.—

(1) Rules relating to reduction in ac-
crued benefits because of attainment of any
age.—Subparagraph (H) of section 411(b)(1) of the
Internal Revenue Code of 1986 is amended by add-
ing at the end the following new clauses:

“(vi) Comparison to similarly sit-
uated younger individual.—

“(I) In general.—A plan shall
not be treated as failing to meet the
requirements of clause (i) if a participant’s entire accrued benefit, as determined as of any date under the formula for determining benefits as set forth in the text of the plan documents, would be equal to or greater than that of any similarly situated, younger individual.

“(II) SIMILARLY SITUATED.—

For purposes of this clause, an individual is similarly situated to a participant if such individual is identical to such participant in every respect (including period of service, compensation, position, date of hire, work history, and any other respect) except for age.

“(III) DISREGARD OF SUBSIDIZED EARLY RETIREMENT BENEFITS.—In determining the entire accrued benefit for purposes of this clause, the subsidized portion of any early retirement benefit (including any early retirement subsidy that is fully or partially included or reflected in an
employee’s opening balance or other
transition benefits) shall be dis-
regarded.

“(vii) INTEREST ON HYPOTHETICAL
ACCOUNTS.—A plan under which the ac-
crued benefit payable under the plan upon
distribution (or any portion thereof) is ex-
pressed as the balance of a hypothetical ac-
count maintained for the participant shall
not be treated as failing to meet the re-
quirements of clause (i) solely because in-
terest accruing on such balance is taken
into account.

“(viii) CERTAIN OFFSETS PER-
MITTED.—A plan shall not be treated as
failing to meet the requirements of this
subparagraph solely because the plan pro-
vides allowable offsets against those bene-
fits under the plan which are attributable
to employer contributions, based on bene-
fits which are provided under title II of the
Social Security Act, the Railroad Retire-
ment Act of 1974, another plan described
in section 401(a) maintained by the same
employer, or under any retirement pro-
gram for officers or employees of the Federal Government or of the government of any State or political subdivision thereof. For purposes of this clause, allowable offsets based on such benefits consist of offsets equal to all or part of the actual benefit payment amounts, reasonable projections or estimations of such benefit payment amounts, or actuarial equivalents of such actual benefit payment amounts, projections, or estimations (determined on the basis of reasonable actuarial assumptions).

“(ix) Permitted disparities in plan contributions or benefits.—A plan shall not be treated as failing to meet the requirements of this subparagraph solely because the plan provides a disparity in contributions or benefits with respect to which the requirements of section 401(l) are met.

“(x) Pre-retirement indexing permitted.—

“(I) In general.—A plan shall not be treated as failing to meet the requirements of this subparagraph
solely because the plan provides for pre-retirement indexing of accrued benefits under the plan.

“(II) Pre-retirement indexing.—For purposes of this clause, the term ‘pre-retirement indexing’ means, in connection with an accrued benefit, the periodic adjustment of the accrued benefit by means of the application of a recognized index or methodology so as to protect the economic value of the benefit against inflation prior to distribution.”.

(2) Determinations of accrued benefit as balance of benefit account.—Subsection (a) of section 411 of such Code is amended by adding at the end the following new paragraph:

“(13) Determinations of accrued benefit as balance of benefit account.—

“(A) In general.—A defined benefit plan under which the accrued benefit payable under the plan upon distribution (or any portion thereof) is expressed as the balance of a hypothetical account maintained for the participant shall not be treated as failing to meet the re-
quirements of subsection (a)(2) and section 417(e) solely because of the amount actually made available for such distribution under the terms of the plan, in any case in which the applicable interest rate that would be used under the terms of the plan to project the amount of the participant’s account balance to normal retirement age is not greater than a market rate of return.

“(B) REGULATIONS.—The Secretary may provide by regulation for rules governing the calculation of a market rate of return for purposes of subparagraph (A) and for permissible methods of crediting interest to the account (including variable interest rates) resulting in effective rates of return meeting the requirements of subparagraph (A).”.

(c) EFFECTIVE DATE.—The amendments made by this section shall apply to periods beginning on or after June 29, 2005.

‘unfunded current liability’ means the excess (if any) of—

“(I) 140 percent of the current liability of the plan determined under section 431(c)(6)(D), over

“(II) the value of the plan’s assets determined under section 431(c)(2).”.
