   (3) Additionally, tax expenditures can complicate the Internal Revenue Code of 1986 for taxpayers and complicate tax administration for the Internal Revenue Service.

   (4) To facilitate a better understanding of tax expenditures in the future, it is constructive for legislation extending these provisions to include a study of such provisions.

(6) An analysis of whether the tax expenditure is the most cost-effective method for achieving the purpose for which it was intended, and a description of any more cost-effective methods through which such purpose could be accomplished.

(7) A description of any unintended effects of the tax expenditure that are useful in understanding the tax expenditure’s overall value.

(8) An analysis of how the tax expenditure could be modified to better achieve its original purpose.

and analysis of the tax expenditure, and what must be done to make such information available.

(e) MINIMUM ANALYSIS BY DEADLINE.—In the event the Chief of Staff of the Joint Committee on Taxation concludes it will not be feasible to complete all reports by the date specified in subsection (a), at a minimum, the reports for each tax expenditure enacted in this subtitle (relating to business tax relief) and subtitle A (relating to energy) shall be completed by such date.
