Any such motion in the Senate shall be debatable. In any case in which such point of order is sustained against a conference report (or Senate amendment derived from such conference report by operation of this subsection), no further amendment shall be in order.

(f) **INAPPLICABILITY.**—In the Senate, section 402 of S. Con. Res. 13 (111th Congress) shall no longer apply.

(a) **ADJUSTMENTS UNDER CURRENT LAW.**—If the enforcement procedures established under section 251A of the Balanced Budget and Emergency Deficit Control Act
of 1985 and section 901(e) of the American Taxpayer Relief Act of 2012 go into, or remain in effect, the Chairman of the Committee on the Budget of the Senate may adjust the allocation called for in section 302(a) of the Congressional Budget Act of 1974 (2 U.S.C. 633(a)) to the appropriate committee or committees of the Senate, and may adjust all other budgetary aggregates, allocations, levels, and limits contained in this resolution, as necessary, consistent with such enforcement.

SEC. 404. SENATE POINT OF ORDER AGAINST PROVISIONS OF APPROPRIATIONS LEGISLATION THAT CONSTITUTE CHANGES IN MANDATORY PROGRAMS AFFECTING THE CRIME VICTIMS FUND.

(a) In General.—In the Senate, it shall not be in order to consider any appropriations legislation, including any amendment thereto, motion in relation thereto, or conference report thereon, that includes any provision or provisions affecting the Crime Victims Fund (as established by section 1402 of Public Law 98–473 (42 U.S.C. 10601)) which constitutes a change in a mandatory program that would have been estimated as affecting direct spending or receipts under section 252 of the Balanced Budget and Emergency Deficit Control Act of 1985 (as in effect prior to September 30, 2002) were they included in legislation other than appropriations legislation. A point of order pursuant to this section shall be raised against such provision or provisions as described in subsections (d) and (e).

(b) Determination.—The determination of whether a provision is subject to a point of order pursuant to this section shall be made by the Committee on the Budget of the Senate.

(c) Supermajority Waiver and Appeal.—This section may be waived or suspended in the Senate only
by an affirmative vote of three-fifths of the Members, duly

the Members of the Senate, duly chosen and sworn, shall
be required to sustain an appeal of the ruling of the Chair
on a point of order raised under this section.

(d) GENERAL POINT OF ORDER.—It shall be in order
for a Senator to raise a single point of order that several
provisions of a bill, resolution, amendment, motion, or con-
ference report violate this section. The Presiding Officer
may sustain the point of order as to some or all of the
provisions against which the Senator raised the point of
order. If the Presiding Officer so sustains the point of
order as to some of the provisions (including provisions
of an amendment, motion, or conference report) against
which the Senator raised the point of order, then only
those provisions (including provision of an amendment,
motion, or conference report) against which the Presiding
Officer sustains the point of order shall be deemed strick-
en pursuant to this section. Before the Presiding Officer
rules on such a point of order, any Senator may move to
waive such a point of order as it applies to some or all
of the provisions against which the point of order was
raised. Such a motion to waive is amendable in accordance
with rules and precedents of the Senate. After the Pre-
siding Officer rules on such a point of order, any Senator
may appeal the ruling of the Presiding Officer on such
a point of order as it applies to some or all of the provi-
sions on which the Presiding Officer ruled.

(c) Form of the Point of Order.—When the
Senate is considering a conference report on, or an amend-
ment between the Houses in relation to, a bill, upon a
point of order being made by any Senator pursuant to this
section, and such point of order being sustained, such ma-

shall be deemed stricken, and the Senate shall proceed to
consider the question of whether the Senate shall recede
from its amendment and concur with a further amend-

amendment, as the case may be, which further amendment
shall consist of only that portion of the conference report
or House amendment, as the case may be, not so stricken.
Any such motion shall be debatable. In any case in which
such point of order is sustained against a conference re-
port (or Senate amendment derived from such conference
report by operation of this subsection), no further amend-
ment shall be in order.

SEC. 406. PROHIBITING THE USE OF GUARANTEE FEES AS AN OFFSET.

(a) PURPOSE.—The purpose of this section is to ensure that increases in guarantee fees charged by Fannie Mae and Freddie Mac shall not be used to offset provisions that increase the deficit.

(b) BUDGETARY RULE.—In the Senate, for purposes of determining budgetary impacts to evaluate points of order under this resolution and the Congressional Budget Act of 1974, this resolution, any previous resolution, and any subsequent budget resolution, provisions contained in any bill, resolution, amendment, motion, or conference report that increases any guarantee fees of Fannie Mae and Freddie Mac shall not be scored with respect to the level of budget authority, outlays, or revenues contained in such legislation.

purposes of this resolution the levels of new budget au-

olution in accordance with section 251(b) of the Balanced

SEC. 415. EXERCISE OF RULEMAKING POWERS.
Congress adopts the provisions of this title—
(1) as an exercise of the rulemaking power of
the Senate, and as such they shall be considered as
part of the rules of the Senate and such rules shall
supersede other rules only to the extent that they
are inconsistent with such other rules; and
(2) with full recognition of the constitutional
right of the Senate to change those rules at any
time, in the same manner, and to the same extent
as is the case of any other rule of the Senate.

SEC. 416. CONGRESSIONAL BUDGET OFFICE ESTIMATES.
(a) Request for Supplemental Estimates.—In
the case of any legislative provision to which this section
applies, the Congressional Budget Office, with the assist-
ance of the Joint Committee on Taxation, shall prepare,
to the extent practicable, as a supplement to the cost esti-
mate for legislation affecting revenues, an estimate of the
revenue changes in connection with such provision that in-
corporates the macroeconomic effects of the policy being
analyzed. Any macroeconomic impact statement under the
preceding sentence shall be accompanied by a written
statement fully disclosing the economic, technical, and behavioral assumptions that were made in producing—

(1) such estimate; and

(2) the conventional estimate in connection with such provision.

(b) LEGISLATIVE PROVISIONS TO WHICH THIS SECTION APPLIES.—This section shall apply to any legislative provision—

(2) with respect to which the chair or ranking member of the Committee on the Budget of either the Senate or the House of Representatives has requested an estimate described in subsection (a).

TITLE V—OTHER MATTERS

SEC. 501. TO REQUIRE TRANSPARENT REPORTING ON THE ONGOING COSTS TO TAXPAYERS OF OBAMACARE.

When the Congressional Budget Office releases its annual Update to the Budget and Economic Outlook, the Congressional Budget Office shall report changes in direct spending and revenue associated with the Patient Protec-
tion and Affordable Care Act (Public Law 111–148) and
the Health Care and Education Reconciliation Act of 2010
(Public Law 111–152), including the net impact on def-
cit, both with on-budget and off-budget effects. The infor-
mation shall be similar to that provided in Table 2 of the
Congressional Budget Office’s March 20, 2010 estimate
of the budgetary effects of the Health Care and Education
Reconciliation Act of 2010 and the Patient Protection and
Affordable Care Act (PPACA), as passed by the Senate.

SEC. 502. TO REQUIRE FULLER REPORTING ON POSSIBLE
COSTS TO TAXPAYERS OF OBAMACARE.

When the Congressional Budget Office releases its
annual update to the Budget and Economic Outlook, the
Congressional Budget Office shall provide an analysis of
the budgetary effects of 30 percent, 50 percent, and 100
percent of Americans losing employer sponsored health in-
surance and accessing coverage through Federal or State
exchanges.

SEC. 503. TO REQUIRE FULLER REPORTING ON POSSIBLE
COSTS TO TAXPAYERS OF ANY BUDGET SUB-
MITTED BY THE PRESIDENT.

When the Congressional Budget Office submits its re-
port to Congress relating to a budget submitted by the
President for a fiscal year under section 1105 of title 31,
United States Code, such report shall contain—
(1) an estimate of the pro rata cost for taxpayers who will file individual income tax returns for taxable years ending during such fiscal year of any deficit that would result from the budget; and

(2) an analysis of the budgetary effects described in paragraph (1).

SEC. 504. SENSE OF SENATE ON UNDERUTILIZED FACILITIES OF THE NATIONAL AERONAUTICS AND SPACE ADMINISTRATION AND THEIR POTENTIAL USE.

(a) FINDINGS.—The Senate finds the following:

(1) The National Aeronautics and Space Administration (NASA) is the ninth largest real property holder of the Federal Government, with more than 124,000 acres and more than 4,900 buildings and other structures with a replacement value of more than $30,000,000,000.

(2) The annual operation and maintenance costs of the National Aeronautics and Space Administration have increased steadily, and, as of 2012, the Administration has more than $2,300,000,000 in annual deferred maintenance costs.

(3) According to Office of Inspector General (OIG) of the National Aeronautics and Space Administration, the Administration continues to retain
real property that is underutilized, does not have identified future mission uses, or is duplicative of other assets in its real property inventory.

(4) The Office of Inspector General, the Government Accountability Office (GAO), and Congress have identified the aging and duplicative infrastructure of the National Aeronautics and Space Administration as a high priority and longstanding management challenge.

(5) In the NASA Authorization Act of 2010, Congress directed the National Aeronautics and Space Administration to examine its real property assets and downsize to fit current and future missions and expected funding levels, paying particular attention to identifying and removing unneeded or duplicative infrastructure.

(6) The Office of Inspector General found at least 33 facilities, including wind tunnels, test stands, airfields, and launch infrastructure, that were underutilized or for which National Aeronautics and Space Administration managers could not identify a future mission use and that the need for these facilities have declined in recent years as a result of changes in the mission focus of the Administration,
the condition and obsolescence of some facilities, and
the advent of alternative testing methods.

(7) The Office of Inspector General found that
the National Aeronautics and Space Administration
has taken steps to minimize the costs of continuing
to maintain some of these facilities by placing them
in an inactive state or leasing them to other parties.

(8) The National Aeronautics and Space Ad-
ministration has a series of initiatives underway
that, in the judgment of the Office of Inspector Gen-
eral, are “positive steps towards ‘rightsizing’ its real
property footprint”, and the Office of Inspector Gen-
eral has concluded that “it is imperative that NASA
move forward aggressively with its infrastructure re-
duction efforts”.

(9) Existing and emerging United States com-
mmercial launch and exploration capabilities are pro-
viding cargo transportation to the International
Space Station and offer the potential for providing
crew support, access to the International Space Sta-
tion, and missions to low Earth orbit while the Na-
tional Aeronautics and Space Administration focuses
its efforts on heavy-lift capabilities and deep space
missions.
(10) National Aeronautics and Space Administration facilities and property that are underutilized, duplicative, or no longer needed for Administration requirements could be utilized by commercial users and State and local entities, resulting in savings for the Administration and a reduction in the burden of the Federal Government to fund space operations.

(b) SENSE OF SENATE.—It is the sense of the Senate that the levels in this concurrent resolution assume—

(1) the National Aeronautics and Space Administration should move forward with plans to reduce its infrastructure and, to the greatest extent practicable, make property available for lease to a government or private tenant or report the property to the General Services Administration (GSA) for sale or transfer to another entity;

(2) the National Aeronautics and Space Administration should pursue opportunities for streamlined sale or lease of property and facilities, including for exclusive use, to a private entity, or expedited conveyance or transfer to a State or political subdivision, municipality, instrumentality of a State, or Department of Transportation-licensed launch site operators for the promotion of commercial or scientific
space activity and for developing and operating space launch facilities; and

(3) leasing or transferring underutilized facilities and properties to commercial space entities or State or local governments will reduce operation and maintenance costs for the National Aeronautics and Space Administration, save money for the Federal Government, and promote commercial space and the exploration goals of the Administration and the United States.

Passed the Senate March 23 (legislative day, March 22), 2013.

Attest:
