

<p><b>GRANDFATHER RULE IN INSURANCE MARKET REFORM PROVISIONS</b></p> <p><b>OF HEALTH CARE REFORM LEGISLATION (PPACA)</b></p>
--

- Individual & Group Health Plans (§ 1251(a)(2)) - Subtitles A & C do not apply to an individual or group health plan (insured or self-funded) in which an individual was enrolled on the date of enactment.
  - Family members will be permitted to enroll after the date of enactment if such enrollment otherwise is permitted under the terms of the plan.
  - "New" employees and their families also may be enrolled after date of enactment.
  - No restrictions on whether plan can make a "change" (bill is silent).
  
- Collectively Bargained Plans (§ 1251(d)) - Subtitles A & C do not apply to health insurance coverage maintained pursuant to a CBA that was ratified before date of enactment until the date on which the last of the CBAs relating to coverage terminates.
  - Appears that plan may allow family members and new employees to enroll (but somewhat unclear).
  - Any plan amendment made solely to conform with this bill not to be treated as a termination of the CBA.
