## A BILL

To improve patient access to health care services and provide improved medical care by reducing the excessive burden the liability system places on the health care delivery system.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; TABLE OF CONTENTS.**

4 (a) SHORT TITLE.—This Act may be cited as the  
5 “Help Efficient, Accessible, Low-cost, Timely Healthcare  
6 (HEALTH) Act of 2011”.

1 (b) TABLE OF CONTENTS.—The table of contents of  
2 this Act is as follows:

- Sec. 1. Short title; table of contents.
- Sec. 2. Findings and purpose.
- Sec. 3. Encouraging speedy resolution of claims.
- Sec. 4. Compensating patient injury.
- Sec. 5. Maximizing patient recovery.

- Sec. 7. Punitive damages.
- Sec. 8. Authorization of payment of future damages to claimants in HEALTH  
care lawsuits.
- Sec. 9. Definitions.
- Sec. 10. Effect on other laws.
- Sec. 11. State flexibility and protection of States' rights.
- Sec. 12. Applicability; effective date.

3 **SEC. 2. FINDINGS AND PURPOSE.**

4 (a) FINDINGS.—

5 (1) EFFECT ON HEALTH CARE ACCESS AND  
6 COSTS.—Congress finds that our current civil justice  
7 system is adversely affecting patient access to health  
8 care services, better patient care, and cost-efficient  
9 health care, in that the health care liability system  
10 is a costly and ineffective mechanism for resolving  
11 claims of health care liability and compensating in-  
12 jured patients, and is a deterrent to the sharing of  
13 information among health care professionals which  
14 impedes efforts to improve patient safety and quality  
15 of care.

16 (2) EFFECT ON INTERSTATE COMMERCE.—  
17 Congress finds that the health care and insurance  
18 industries are industries affecting interstate com-  
19 merce and the health care liability litigation systems

1 existing throughout the United States are activities  
2 that affect interstate commerce by contributing to  
3 the high costs of health care and premiums for  
4 health care liability insurance purchased by health  
5 care system providers.

6 (3) EFFECT ON FEDERAL SPENDING.—Con-  
7 gress finds that the health care liability litigation  
8 systems existing throughout the United States have  
9 a significant effect on the amount, distribution, and  
10 use of Federal funds because of—

11 (A) the large number of individuals who  
12 receive health care benefits under programs op-  
13 erated or financed by the Federal Government;

14 (B) the large number of individuals who  
15 benefit because of the exclusion from Federal  
16 taxes of the amounts spent to provide them  
17 with health insurance benefits; and

18 (C) the large number of health care pro-  
19 viders who provide items or services for which  
20 the Federal Government makes payments.

21 (b) PURPOSE.—It is the purpose of this Act to imple-  
22 ment reasonable, comprehensive, and effective health care  
23 liability reforms designed to—

24 (1) improve the availability of health care serv-  
25 ices in cases in which health care liability actions

1 have been shown to be a factor in the decreased  
2 availability of services;

3 (2) reduce the incidence of “defensive medi-  
4 cine” and lower the cost of health care liability in-  
5 surance, all of which contribute to the escalation of  
6 health care costs;

7 (3) ensure that persons with meritorious health  
8 care injury claims receive fair and adequate com-  
9 pensation, including reasonable noneconomic dam-  
10 ages;

11 (4) improve the fairness and cost-effectiveness  
12 of our current health care liability system to resolve  
13 disputes over, and provide compensation for, health  
14 care liability by reducing uncertainty in the amount  
15 of compensation provided to injured individuals; and

16 (5) provide an increased sharing of information  
17 in the health care system which will reduce unin-  
18 tended injury and improve patient care.

19 **SEC. 3. ENCOURAGING SPEEDY RESOLUTION OF CLAIMS.**

20 The time for the commencement of a health care law-  
21 suit shall be 3 years after the date of manifestation of  
22 injury or 1 year after the claimant discovers, or through  
23 the use of reasonable diligence should have discovered, the  
24 injury, whichever occurs first. In no event shall the time  
25 for commencement of a health care lawsuit exceed 3 years

1 after the date of manifestation of injury unless tolled for  
2 any of the following—

3 (1) upon proof of fraud;

4 (2) intentional concealment; or

5 (3) the presence of a foreign body, which has no  
6 therapeutic or diagnostic purpose or effect, in the  
7 person of the injured person.

8 Actions by a minor shall be commenced within 3 years  
9 from the date of the alleged manifestation of injury except  
10 that actions by a minor under the full age of 6 years shall  
11 be commenced within 3 years of manifestation of injury  
12 or prior to the minor's 8th birthday, whichever provides  
13 a longer period. Such time limitation shall be tolled for  
14 minors for any period during which a parent or guardian  
15 and a health care provider or health care organization  
16 have committed fraud or collusion in the failure to bring  
17 an action on behalf of the injured minor.

18 **SEC. 4. COMPENSATING PATIENT INJURY.**

19 (a) UNLIMITED AMOUNT OF DAMAGES FOR ACTUAL  
20 ECONOMIC LOSSES IN HEALTH CARE LAWSUITS.—In any  
21 health care lawsuit, nothing in this Act shall limit a claim-  
22 ant's recovery of the full amount of the available economic  
23 damages, notwithstanding the limitation in subsection (b).

24 (b) ADDITIONAL NONECONOMIC DAMAGES.—In any  
25 health care lawsuit, the amount of noneconomic damages,

1 if available, may be as much as \$250,000, regardless of  
2 the number of parties against whom the action is brought  
3 or the number of separate claims or actions brought with  
4 respect to the same injury.

5 (c) NO DISCOUNT OF AWARD FOR NONECONOMIC  
6 DAMAGES.—For purposes of applying the limitation in  
7 subsection (b), future noneconomic damages shall not be  
8 discounted to present value. The jury shall not be in-  
9 formed about the maximum award for noneconomic dam-  
10 ages. An award for noneconomic damages in excess of  
11 \$250,000 shall be reduced either before the entry of judg-  
12 ment, or by amendment of the judgment after entry of  
13 judgment, and such reduction shall be made before ac-  
14 counting for any other reduction in damages required by  
15 law. If separate awards are rendered for past and future  
16 noneconomic damages and the combined awards exceed  
17 \$250,000, the future noneconomic damages shall be re-  
18 duced first.

19 (d) FAIR SHARE RULE.—In any health care lawsuit,  
20 each party shall be liable for that party's several share  
21 of any damages only and not for the share of any other  
22 person. Each party shall be liable only for the amount of  
23 damages allocated to such party in direct proportion to  
24 such party's percentage of responsibility. Whenever a  
25 judgment of liability is rendered as to any party, a sepa-

1 rate judgment shall be rendered against each such party  
2 for the amount allocated to such party. For purposes of  
3 this section, the trier of fact shall determine the propor-  
4 tion of responsibility of each party for the claimant's  
5 harm.

6 **SEC. 5. MAXIMIZING PATIENT RECOVERY.**

7 (a) COURT SUPERVISION OF SHARE OF DAMAGES  
8 ACTUALLY PAID TO CLAIMANTS.—In any health care law-  
9 suit, the court shall supervise the arrangements for pay-  
10 ment of damages to protect against conflicts of interest  
11 that may have the effect of reducing the amount of dam-  
12 ages awarded that are actually paid to claimants. In par-  
13 ticular, in any health care lawsuit in which the attorney  
14 for a party claims a financial stake in the outcome by vir-  
15 tue of a contingent fee, the court shall have the power  
16 to restrict the payment of a claimant's damage recovery  
17 to such attorney, and to redirect such damages to the  
18 claimant based upon the interests of justice and principles  
19 of equity. In no event shall the total of all contingent fees  
20 for representing all claimants in a health care lawsuit ex-  
21 ceed the following limits:

22 (1) Forty percent of the first \$50,000 recovered  
23 by the claimant(s).

24 (2) Thirty-three and one-third percent of the  
25 next \$50,000 recovered by the claimant(s).

1           (3) Twenty-five percent of the next \$500,000  
2           recovered by the claimant(s).

3           (4) Fifteen percent of any amount by which the  
4           recovery by the claimant(s) is in excess of \$600,000.

5           (b) APPLICABILITY.—The limitations in this section  
6           shall apply whether the recovery is by judgment, settle-  
7           ment, mediation, arbitration, or any other form of alter-  
8           native dispute resolution. In a health care lawsuit involv-  
9           ing a minor or incompetent person, a court retains the  
10          authority to authorize or approve a fee that is less than  
11          the maximum permitted under this section. The require-  
12          ment for court supervision in the first two sentences of  
13          subsection (a) applies only in civil actions.

14       **SEC. 6. ADDITIONAL HEALTH BENEFITS.**

15          In any health care lawsuit involving injury or wrong-  
16          ful death, any party may introduce evidence of collateral  
17          source benefits. If a party elects to introduce such evi-  
18          dence, any opposing party may introduce evidence of any  
19          amount paid or contributed or reasonably likely to be paid  
20          or contributed in the future by or on behalf of the oppos-  
21          ing party to secure the right to such collateral source bene-  
22          fits. No provider of collateral source benefits shall recover  
23          any amount against the claimant or receive any lien or  
24          credit against the claimant's recovery or be equitably or  
25          legally subrogated to the right of the claimant in a health

1 care lawsuit involving injury or wrongful death. This sec-  
2 tion shall apply to any health care lawsuit that is settled  
3 as well as a health care lawsuit that is resolved by a fact  
4 finder. This section shall not apply to section 1862(b) (42  
5 U.S.C. 1395y(b)) or section 1902(a)(25) (42 U.S.C.  
6 1396a(a)(25)) of the Social Security Act.

7 **SEC. 7. PUNITIVE DAMAGES.**

8 (a) IN GENERAL.—Punitive damages may, if other-  
9 wise permitted by applicable State or Federal law, be  
10 awarded against any person in a health care lawsuit only  
11 if it is proven by clear and convincing evidence that such  
12 person acted with malicious intent to injure the claimant,  
13 or that such person deliberately failed to avoid unneces-  
14 sary injury that such person knew the claimant was sub-  
15 stantially certain to suffer. In any health care lawsuit  
16 where no judgment for compensatory damages is rendered  
17 against such person, no punitive damages may be awarded  
18 with respect to the claim in such lawsuit. No demand for  
19 punitive damages shall be included in a health care lawsuit  
20 as initially filed. A court may allow a claimant to file an  
21 amended pleading for punitive damages only upon a mo-  
22 tion by the claimant and after a finding by the court, upon  
23 review of supporting and opposing affidavits or after a  
24 hearing, after weighing the evidence, that the claimant has  
25 established by a substantial probability that the claimant

1 will prevail on the claim for punitive damages. At the re-  
2 quest of any party in a health care lawsuit, the trier of  
3 fact shall consider in a separate proceeding—

4 (1) whether punitive damages are to be award-  
5 ed and the amount of such award; and

6 (2) the amount of punitive damages following a  
7 determination of punitive liability.

8 If a separate proceeding is requested, evidence relevant  
9 only to the claim for punitive damages, as determined by  
10 applicable State law, shall be inadmissible in any pro-  
11 ceeding to determine whether compensatory damages are  
12 to be awarded.

13 (b) DETERMINING AMOUNT OF PUNITIVE DAM-  
14 AGES.—

15 (1) FACTORS CONSIDERED.—In determining  
16 the amount of punitive damages, if awarded, in a  
17 health care lawsuit, the trier of fact shall consider  
18 only the following—

19 (A) the severity of the harm caused by the  
20 conduct of such party;

21 (B) the duration of the conduct or any  
22 concealment of it by such party;

23 (C) the profitability of the conduct to such  
24 party;

1 (D) the number of products sold or med-  
2 ical procedures rendered for compensation, as  
3 the case may be, by such party, of the kind  
4 causing the harm complained of by the claim-  
5 ant;

6 (E) any criminal penalties imposed on such  
7 party, as a result of the conduct complained of  
8 by the claimant; and

9 (F) the amount of any civil fines assessed  
10 against such party as a result of the conduct  
11 complained of by the claimant.

12 (2) MAXIMUM AWARD.—The amount of punitive  
13 damages, if awarded, in a health care lawsuit may  
14 be as much as \$250,000 or as much as two times  
15 the amount of economic damages awarded, which-  
16 ever is greater. The jury shall not be informed of  
17 this limitation.

18 (c) NO PUNITIVE DAMAGES FOR PRODUCTS THAT  
19 COMPLY WITH FDA STANDARDS.—

20 (1) IN GENERAL.—

21 (A) No punitive damages may be awarded  
22 against the manufacturer or distributor of a  
23 medical product, or a supplier of any compo-  
24 nent or raw material of such medical product,

1 based on a claim that such product caused the  
2 claimant's harm where—

3 (i)(I) such medical product was sub-  
4 ject to premarket approval, clearance, or li-  
5 censure by the Food and Drug Administra-  
6 tion with respect to the safety of the for-  
7 mulation or performance of the aspect of  
8 such medical product which caused the  
9 claimant's harm or the adequacy of the  
10 packaging or labeling of such medical  
11 product; and

12 (II) such medical product was so ap-  
13 proved, cleared, or licensed; or

14 (ii) such medical product is generally  
15 recognized among qualified experts as safe  
16 and effective pursuant to conditions estab-  
17 lished by the Food and Drug Administra-  
18 tion and applicable Food and Drug Admin-  
19 istration regulations, including without  
20 limitation those related to packaging and  
21 labeling, unless the Food and Drug Admin-  
22 istration has determined that such medical  
23 product was not manufactured or distrib-  
24 uted in substantial compliance with appli-

1 cable Food and Drug Administration stat-  
2 utes and regulations.

3 (B) RULE OF CONSTRUCTION.—Subpara-  
4 graph (A) may not be construed as establishing  
5 the obligation of the Food and Drug Adminis-  
6 tration to demonstrate affirmatively that a  
7 manufacturer, distributor, or supplier referred  
8 to in such subparagraph meets any of the con-  
9 ditions described in such subparagraph.

10 (2) LIABILITY OF HEALTH CARE PROVIDERS.—  
11 A health care provider who prescribes, or who dis-  
12 penses pursuant to a prescription, a medical product  
13 approved, licensed, or cleared by the Food and Drug  
14 Administration shall not be named as a party to a  
15 product liability lawsuit involving such product and  
16 shall not be liable to a claimant in a class action  
17 lawsuit against the manufacturer, distributor, or  
18 seller of such product. Nothing in this paragraph  
19 prevents a court from consolidating cases involving  
20 health care providers and cases involving products li-  
21 ability claims against the manufacturer, distributor,  
22 or product seller of such medical product.

23 (3) PACKAGING.—In a health care lawsuit for  
24 harm which is alleged to relate to the adequacy of  
25 the packaging or labeling of a drug which is required

1 to have tamper-resistant packaging under regula-  
2 tions of the Secretary of Health and Human Serv-  
3 ices (including labeling regulations related to such  
4 packaging), the manufacturer or product seller of  
5 the drug shall not be held liable for punitive dam-  
6 ages unless such packaging or labeling is found by  
7 the trier of fact by clear and convincing evidence to  
8 be substantially out of compliance with such regula-  
9 tions.

10 (4) EXCEPTION.—Paragraph (1) shall not  
11 apply in any health care lawsuit in which—

12 (A) a person, before or after premarket ap-  
13 proval, clearance, or licensure of such medical  
14 product, knowingly misrepresented to or with-  
15 held from the Food and Drug Administration  
16 information that is required to be submitted  
17 under the Federal Food, Drug, and Cosmetic  
18 Act (21 U.S.C. 301 et seq.) or section 351 of  
19 the Public Health Service Act (42 U.S.C. 262)  
20 that is material and is causally related to the  
21 harm which the claimant allegedly suffered; or

22 (B) a person made an illegal payment to  
23 an official of the Food and Drug Administra-  
24 tion for the purpose of either securing or main-

1           taining approval, clearance, or licensure of such  
2           medical product.

3 **SEC. 8. AUTHORIZATION OF PAYMENT OF FUTURE DAM-**  
4                   **AGES TO CLAIMANTS IN HEALTH CARE LAW-**  
5                   **SUITS.**

6           (a) IN GENERAL.—In any health care lawsuit, if an  
7           award of future damages, without reduction to present  
8           value, equaling or exceeding \$50,000 is made against a  
9           party with sufficient insurance or other assets to fund a  
10          periodic payment of such a judgment, the court shall, at  
11          the request of any party, enter a judgment ordering that  
12          the future damages be paid by periodic payments, in ac-  
13          cordance with the Uniform Periodic Payment of Judg-  
14          ments Act promulgated by the National Conference of  
15          Commissioners on Uniform State Laws.

16          (b) APPLICABILITY.—This section applies to all ac-  
17          tions which have not been first set for trial or retrial be-  
18          fore the effective date of this Act.

19 **SEC. 9. DEFINITIONS.**

20          In this Act:

21               (1) ALTERNATIVE DISPUTE RESOLUTION SYS-  
22               TEM; ADR.—The term “alternative dispute resolution  
23               system” or “ADR” means a system that provides  
24               for the resolution of health care lawsuits in a man-

1 ner other than through a civil action brought in a  
2 State or Federal court.

3 (2) CLAIMANT.—The term “claimant” means  
4 any person who brings a health care lawsuit, includ-  
5 ing a person who asserts or claims a right to legal  
6 or equitable contribution, indemnity, or subrogation,  
7 arising out of a health care liability claim or action,  
8 and any person on whose behalf such a claim is as-  
9 serted or such an action is brought, whether de-  
10 ceased, incompetent, or a minor.

11 (3) COLLATERAL SOURCE BENEFITS.—The  
12 term “collateral source benefits” means any amount  
13 paid or reasonably likely to be paid in the future to  
14 or on behalf of the claimant, or any service, product,  
15 or other benefit provided or reasonably likely to be  
16 provided in the future to or on behalf of the claim-  
17 ant, as a result of the injury or wrongful death, pur-  
18 suant to—

19 (A) any State or Federal health, sickness,  
20 income-disability, accident, or workers’ com-  
21 pensation law;

22 (B) any health, sickness, income-disability,  
23 or accident insurance that provides health bene-  
24 fits or income-disability coverage;

1           (C) any contract or agreement of any  
2           group, organization, partnership, or corporation  
3           to provide, pay for, or reimburse the cost of  
4           medical, hospital, dental, or income-disability  
5           benefits; and

6           (D) any other publicly or privately funded  
7           program.

8           (4) COMPENSATORY DAMAGES.—The term  
9           “compensatory damages” means objectively  
10          verifiable monetary losses incurred as a result of the  
11          provision of, use of, or payment for (or failure to  
12          provide, use, or pay for) health care services or med-  
13          ical products, such as past and future medical ex-  
14          penses, loss of past and future earnings, cost of ob-  
15          taining domestic services, loss of employment, and  
16          loss of business or employment opportunities, dam-  
17          ages for physical and emotional pain, suffering, in-  
18          convenience, physical impairment, mental anguish,  
19          disfigurement, loss of enjoyment of life, loss of soci-  
20          ety and companionship, loss of consortium (other  
21          than loss of domestic service), hedonic damages, in-  
22          jury to reputation, and all other nonpecuniary losses  
23          of any kind or nature. The term “compensatory  
24          damages” includes economic damages and non-

1 economic damages, as such terms are defined in this  
2 section.

3 (5) CONTINGENT FEE.—The term “contingent  
4 fee” includes all compensation to any person or per-  
5 sons which is payable only if a recovery is effected  
6 on behalf of one or more claimants.

7 (6) ECONOMIC DAMAGES.—The term “economic  
8 damages” means objectively verifiable monetary  
9 losses incurred as a result of the provision of, use  
10 of, or payment for (or failure to provide, use, or pay  
11 for) health care services or medical products, such as  
12 past and future medical expenses, loss of past and  
13 future earnings, cost of obtaining domestic services,  
14 loss of employment, and loss of business or employ-  
15 ment opportunities.

16 (7) HEALTH CARE LAWSUIT.—The term  
17 “health care lawsuit” means any health care liability  
18 claim concerning the provision of health care goods  
19 or services or any medical product affecting inter-  
20 state commerce, or any health care liability action  
21 concerning the provision of health care goods or  
22 services or any medical product affecting interstate  
23 commerce, brought in a State or Federal court or  
24 pursuant to an alternative dispute resolution system,  
25 against a health care provider, a health care organi-

1 zation, or the manufacturer, distributor, supplier,  
2 marketer, promoter, or seller of a medical product,  
3 regardless of the theory of liability on which the  
4 claim is based, or the number of claimants, plain-  
5 tiffs, defendants, or other parties, or the number of  
6 claims or causes of action, in which the claimant al-  
7 leges a health care liability claim. Such term does  
8 not include a claim or action which is based on  
9 criminal liability; which seeks civil fines or penalties  
10 paid to Federal, State, or local government; or which  
11 is grounded in antitrust.

12 (8) HEALTH CARE LIABILITY ACTION.—The  
13 term “health care liability action” means a civil ac-  
14 tion brought in a State or Federal court or pursuant  
15 to an alternative dispute resolution system, against  
16 a health care provider, a health care organization, or  
17 the manufacturer, distributor, supplier, marketer,  
18 promoter, or seller of a medical product, regardless  
19 of the theory of liability on which the claim is based,  
20 or the number of plaintiffs, defendants, or other par-  
21 ties, or the number of causes of action, in which the  
22 claimant alleges a health care liability claim.

23 (9) HEALTH CARE LIABILITY CLAIM.—The  
24 term “health care liability claim” means a demand  
25 by any person, whether or not pursuant to ADR,

1 against a health care provider, health care organiza-  
2 tion, or the manufacturer, distributor, supplier, mar-  
3 keter, promoter, or seller of a medical product, in-  
4 cluding, but not limited to, third-party claims, cross-  
5 claims, counter-claims, or contribution claims, which  
6 are based upon the provision of, use of, or payment  
7 for (or the failure to provide, use, or pay for) health  
8 care services or medical products, regardless of the  
9 theory of liability on which the claim is based, or the  
10 number of plaintiffs, defendants, or other parties, or  
11 the number of causes of action.

12 (10) HEALTH CARE ORGANIZATION.—The term  
13 “health care organization” means any person or en-  
14 tity which is obligated to provide or pay for health  
15 benefits under any health plan, including any person  
16 or entity acting under a contract or arrangement  
17 with a health care organization to provide or admin-  
18 ister any health benefit.

19 (11) HEALTH CARE PROVIDER.—The term  
20 “health care provider” means any person or entity  
21 required by State or Federal laws or regulations to  
22 be licensed, registered, or certified to provide health  
23 care services, and being either so licensed, reg-

20 U.S.C. 321(g)(1) and (h)) and section 351(a) of the

12 (A) this Act does not affect the application

3 (2) This Act shall not preempt or supersede any State  
4 or Federal law that imposes greater procedural or sub-  
5 stantive protections for health care providers and health  
6 care organizations from liability, loss, or damages than  
7 those provided by this Act or create a cause of action.

8 (c) STATE FLEXIBILITY.—No provision of this Act  
9 shall be construed to preempt—

10 (1) any State law (whether effective before, on,  
11 or after the date of the enactment of this Act) that  
12 specifies a particular monetary amount of compen-  
13 satory or punitive damages (or the total amount of  
14 damages) that may be awarded in a health care law-  
15 suit, regardless of whether such monetary amount is  
16 greater or lesser than is provided for under this Act,  
17 notwithstanding section 4(a); or

18 (2) any defense available to a party in a health  
19 care lawsuit under any other provision of State or  
20 Federal law.

21 **SEC. 12. APPLICABILITY; EFFECTIVE DATE.**

22 This Act shall apply to any health care lawsuit  
23 brought in a Federal or State court, or subject to an alter-  
24 native dispute resolution system, that is initiated on or  
25 after the date of the enactment of this Act, except that

1 any health care lawsuit arising from an injury occurring  
2 prior to the date of the enactment of this Act shall be  
3 governed by the applicable statute of limitations provisions  
4 in effect at the time the injury occurred.
