 8 to increase the efficient and effective utilization of
 9 Federal funding;

10 (3) these reforms should include the elimination
 11 of duplicative Federal regulations and increase the

1 authority and responsibility of the States to safely
2 and efficiently build, operate, and fund transpor-
3 tation systems that best serve the needs of their citi-
4 zens, including the ability of each State to imple-
5 ment innovative solutions, while also maintaining the
6 appropriate Federal role in transportation; and
