#### **BENEFITS LAW BRIEFING: DOL's Retirement Policy Agenda** Friday, March 21, 2:00 – 3:00 p.m. ET

The American Benefits Council will host a **Benefits Law Briefing webinar** on **Friday, March 21** at **2:00 p.m. Eastern Time**, to discuss the U.S. Department of Labor (DOL)'s regulatory agenda for employee retirement plans under ERISA, including the "fiduciary" definition project. The DOL's Employee Benefits Security Administration last issued its semi-annual regulatory agenda in December 2013 (see the [December 11, 2013, Benefits Byte](#) for additional details).

**Jan Jacobson**, senior counsel, retirement policy, will moderate the call. She will be joined by **Brad Campbell**, Of Counsel at Drinker Biddle & Reath and former Assistant Secretary of Labor for Employee Benefits and head of the Employee Benefits Security Administration.

The webinar will include a question and answer period. Members are encouraged to [submit other questions and comments in advance](#) to [jjacobson@abcstaff.org](mailto:jjacobson@abcstaff.org).

It is recommended that you connect to the call 5-10 minutes early, as the WebEx platform may take several minutes to load on your computer. Once you enter the meeting, you will automatically receive the audio broadcast of the meeting over your computer speakers, so you will not be required to call in. You will be able to ask questions of the presenters and panelists by typing your question into the Q&A panel.
